

DR. JOHN BULL.  
SOMETHING  
NEW AND VALUABLE.

THE most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to that of our American King. European Kings employ the power vested in them to increase the misery and degradation of the poor and dependent. Our American King goes forth with equal willingness to the lowly and the rich, to administer relief and to administer health and happiness to the lowly and the rich, and the poor.

### DR. JOHN BULL'S GREAT AMERICAN KING

In the Tenth Wonder of the World, and the greatest blessing ever offered to afflicted humanity, to the suffering millions, the Doctor can say, relief is our command. You have only to use this magical remedy. All those who are ill, and who will not accept the proffered balm, suffer the pangs of their families. This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence.

To the child with all its ailments, Rubbing, Pain Killers, and Pain Extractors, and let millions of glad tongues proclaim the merits of the great "American King of Pain," a preparation composed solely of vegetable and roots, produced by America's own rich and bounteous soil.

We would ask the Ladies, who are always competent judges of what is and what is not a valuable family medicine, to do us a special favor by giving the King of Pain a single trial, and if satisfied, to order a full supply. In its health, it is recommended to all, and often of it, and we think it is used by their afflicted neighbors. The Ladies are always charitable and when they induce their suffering friends to use this really valuable medicine, they will be doing an act of benevolence that they can well be proud of. This is a powerful and truly magical remedy for all external diseases, such as swellings, burns, &c., and for many internal affections, it is a certain cure, yet it is perfectly harmless and incapable of producing the least injurious effects in the most delicate cases of the weakest constitution.

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of cures performed by this medicine. It costs but twenty-five cents to try it, and Dr. Bull's King of Pain, the remedy is simple and the cure certain.

USE THE GREAT KING OF PAIN.  
Would you have your Sores, Swellings, Cuts, Burns, Bruises, or any other wounds healed, we repeat it, use the

MAGICAL KING OF PAIN.  
Would you be cured of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetter or Ring Worm, Salt Rheum, Bites of Poisonous Insects, Chapped Hands, and all other sores, either dry or running, use, use, again and again, your anxiety is Dr. John Bull's

"KING OF PAIN"  
Would you be cured of King's Evil, Cancer, Tumors, Eruptions, or any disease of the Skin caused by impure blood, then use Dr. John Bull's King of Pain, externally and the King of Pain externally, nothing can be more certain than a speedy and effectual cure.

## AYER'S CHERRY PECTORAL,

For the rapid cure of  
COUGHS, COLDS, HOARSENESS,  
BRONCHITIS, WHOOPING COUGH,  
CROUP, ASTHMA, AND  
CONSUMPTION.

We invite the attention of the Public to the Certificate appended to this advertisement for their candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of Cherry Pectoral, do not usually give their names, or their facts, nor overstate their convictions. Judge then, whether every family ought not to have it by them as a safeguard against the ravages of this terrible enemy, which steals with fatal frequency upon almost every flock and carries off the lamb from many a home!

JACKSON, C. H., Jackson City, O., 20th Nov., 1852.

Sir—The Cherry Pectoral is much inquired after. Several of our best Physicians have used it, three of them in their own cases and always with the happiest effects. The numerous patent medicines always before the public, and the multitude in regard to every new remedy, and it is only after undoubted evidence of value in any article, that anything like a general confidence can be excited.

The unrivaled excellence of this combination of agents, in the Cherry Pectoral, proved beyond all doubt by repeated trial under your observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of the climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself, Respectfully your obedient servant,  
JAS. H. C. MILLER, M.D.,  
Jackson, Mich., 10th Jan., 1853.

Dear Sir—No one, but a man of your name, or child can be found to deny that the Cherry Pectoral, is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues.

Years truly,  
JOHN R. KELLOGG, M.D.,  
Let gentlemen of the Legal Profession mark this case.

Williamsburgh, L.I., Sept. 3, 1855.

Dear Sir—Upon application for the past three years to my duties as an advocate brought on some eight months ago a severe irritation of the bronchial tubes which was a constant annoyance to me and fast becoming a source of great suffering. Every remedy tried, failed to even relieve me till I used your Cherry Pectoral. This has not only relieved me, but as I trust, wholly cured me. I am now able to perform my duties as an advocate, and I shall recommend it to members of the bar, and others whom I may meet, laboring under similar indispositions.

Yours truly,
