The News Condenser.

The through route from Washington to Lynchburg, Knoxville, Chattanooga and Atlanta, is now open, and connection perfect. In sixty hours you go from Chattanooga to Washington.

Wm. Henry Prescott, formerly Assistant Secretary of State under General Cass, is in Washington seeking the restoration of some property that has been stolen by the negro boarding-house bureau.

It is said that the President has promised that martial law shall be abolished in Kentucky, and that the negro troops shall be withdrawn, and that the negro boarding-house abuses shall be stopped. If this is done, the people will not complain if General Palmer is retained in command.

Mr. Ward, of Savannah, formerly representative of the United States in China, is spoken of as the United States Senator from Georgia.

They are going to have a farce of a trial of Captain Pettit, late of the Andersonville Prison, in a few days.

Champ Ferguson, the guerrilla, is to be hung by the neck, until dead, at Nashville, on the 20th of October.

The negro soldiers in Kentucky released, by force, negro convicts sent to the Penitentiary at Bowling Green.

The North Carolina Convention fixed the election for Governor and members of Congress on the first Thursday in November.

ORDERS has been issued mustering out the 23d Corps, now on the Rio Grande, which is composed exclusively of negro troops.

The President has issued a proclamation releasing John A. Campbell, of Alabama, John H. Regan, of Texas, Alexander H. Stephens, of Georgia, George A. Trenholm, of South Carolina, and Charles Clark, of Mississippi, on parole, not to leave their respective States, and to hold themselves in readiness to appear when called upon by the Government to answer any charges that may be brought against them.

Mr. Jefferson Davis is reported as being more comfortable at his new quarters at Carroll Hall. He takes his walk daily, and is in the enjoyment of excellent health. There are new rumors about his trial, but nothing definite.

The order of Secretary Welles, prohibiting collections of money for political purposes from workmen in the navy-yards, is published. It is a very good order if it is enforced, and not made for buncomb.

The match for \$5,000, to \$10,000 that the trotting-horse Dexter could not trot a mile in 2:19, was won by the horse, at the Fashion Course, Wednesday, he having accomplished the feat in 2:18 1/5, making the fastest time on record.

The Garrison at Washington now consists of about four thousand, being seven regiments of the Reserve Corps.

The Swedish emigration to Virginia is said to be a success. The planters are delighted with the Swedes.

It is stated that not more than one-third of the able-bodied freedmen are at work in the South. The rest are loafers and idlers.

The Patterson, N. J., races were very easily won by the celebrated horse Kentucky.

The soldiers' State ticket is beaten in Iowa. Stone Republican is elected Governor.

The New Zealand natives have been committing further outrages upon and have been murdering British subjects.

The War face of a trial has cost the Government more than \$100,000.

Crawford County, O., gives Morgan 1,171 majority. Gold is quoted weak at 144 1/2.

The Republican majority in Pennsylvania is said to be 10,000.

The New York Tribune has a letter from Paris to the effect that the French troops will soon leave Rome.

PERSONAL.—Capt. J. H. Livsey, late A. A. Gen. on Brig. Gen. McGinniss' staff, is at present visiting our city. The Capt. is in good health and fine spirits. Long may he flourish.

READ the new advertisement of CAMPBELL, GALEY & HARTER in another column. Their shelves and drawers are now stocked with the largest and most magnificent stock of goods in Crawfordsville. There is not an article in the dry goods line needed by our farmers but can be had at this house.

Brick for Sale.

V. Q. IRWIN, the popular landlord of the Crane House has between three and four thousand second-hand brick for sale. He will sell them cheap.

The Election in Ohio.

The Cincinnati Enquirer of Wednesday says: "The Democracy of the State went into the election yesterday against the most tremendous odds that were ever arrayed against an organization. Two years ago, Mr. Vallandigham was beaten for Governor 61,000 on the home vote and 40,000 on the soldier's—making 101,000 in all. Last year, the majority for Lincoln, on the home vote, was 28,000, and nearly 60,000 on the total vote. To overcome these tremendous figures was hardly deemed possible in one year, and it indicates the unconquerable vitality of the Democracy that, with such a load upon it, it should have entered the campaign with energy and zeal. Any other party would have abandoned the contest as hopeless, and made a feeble and spiritless effort. But the Democracy, relying upon the truth of their principles, and having confidence in the sober second thought of the people, gallantly threw down the gauntlet of defiance to their opponents.

Had it been accepted fairly and squarely—had not the State Convention of the Republicans dodged the issue of negro suffrage, and the Republican nominee for Governor taken an equivocal position on it—had they openly avowed their real sentiments, they would, despite their previous majority, have been badly beaten. This is now evident from the returns. The gains for the Democracy throughout the State will be found to be very large. The towering majority of 100,000 of 1863, has dwindled away to probably 20,000. In another year, with the same ratio of increase (and we believe it will be larger), the Democracy will be triumphant in Ohio by a sweeping vote. There is every thing to encourage the Democracy to persevere in the good work of the political redemption of the country.

Disintegration of the Republican Party.

Wm. James Wilson still continues to trim his sails for the Congressional race next fall. In his organ of this week he enlightens his party as to "The Political Future." He says:

"We will then have parties arranged under those four divisions: First, the Radicals or unconditional Democracy; second, the Free Democrats or those who insist on equality of State by equality of votes in apportionment; fourth, the Democracy, or those who will confine the privileges of the elective franchise including also the basis of enumeration and apportionment to the white citizen of the United States. The first and second divisions will be very small, so that the two parties included under the third and fourth heads will be the real and active antagonists in our near political future."

According to this programme, LANE and ORRIN will be left with the first division out in the cold. James is evidently filled with the spirit of prophecy, and his article shows that he is becoming conservative. If he will continue to give the cold shoulder to the radicals of his party his nomination will be a foregone conclusion.

The Last Show of the Season—Van Amburgh & Co.'s Great Menagerie Coming.

As will be seen by reference to advertisement in another column, Van Amburgh & Co.'s great menagerie will exhibit here on Saturday, the 21st inst. The grand procession will enter town about half past ten o'clock, headed by a colossal golden chariot, which will pass through our principal streets to the commons in the south part of the city, where the gigantic pavilion of the establishment will be raised.

To the student of natural history, this exhibition of the animal kingdom, gathered from all quarters of the globe, cannot fail to be highly interesting. The animals and birds contained in this magnificent zoological exhibition are as follows:

Performing Elephant, Tippos Saib, Living Giraffe, only one in America, Black African Ostrich, 9 feet high, California Grizzly Bear, very large, Bengal Leopard, American Panther or Puma, Poonah or Hindoostan Bear, Lion, 5 years old, born in America, Royal Bengal Tiger, only one in America, Burmese or Sacred Cow, Chinese Dog, African Torporine, very rare, Red and Yellow Crested Cockatoo, Java Hare, Guinea Pigs, Ant-Eater or Continimanda, Baboon and White Faced Monkeys, Australian Shell Parakeets, African Ring Neck Parakeets, King and Queen Parrots, South American Parrots, Lory Grand Ring Parrots, African Lion, Asiatic Lion, Calcutta Leopards, Brazilian Tiger, American Fox, Deer, White Rats and Mice, Satin Breast Parakeets, African Crowned Crane, Rocky Mountain Badger, American Black Bears, Japanese Maskin Swine, South American Tiger, African Spotted Hyena, Blue Sand Hill Crane, Australian Rosella, Lory Lory Parakeets, Chinese Parakeets, Brown Cockatoo, Parrots and Doves, Monkeys and Dogs, Zebu Pair Young Lions, African Leopards, White or Polar Bear, Grey Wolf, Black Wolf, Ocelot or Tiger Cat, White Llama, Black Squirrel, Alpaca Sheep, Cashmere Sheep, African Gray Parrots, Red Foxes, Australian Cockatills, African Pelican, Silver Pheasant, Golden Pheasant, American Eagle, Tangle Harrots, Pair Bhar poor, Hooded Mounds, only ones in America, Hamadrial Baboon or Lion Slaying, first ever in America, Pecary or South American, Pair Young Lions, Four Horned Patagonian Sheep, Large Horn Keshch or Ixeh, only one ever imported to America, Spotted Axis Deer, from the River Ganges, American Cheetah, Peacock, African Mud Hen, Gennet or Civet Cat, African Cockall, Sloth Bear, Cinnamon or Frazier River Bear, THE GREAT AUSTRALIAN BIRD SHOW containing almost every imaginable variety of the many colored birds of plumage, will be found an interesting feature in this attractive exhibition.

A LARGE supply of new and fashionable goods have just been received at Elitzroff's. Go there if you wish to purchase elegant goods at cheap prices. Advertisement next week.

SPLENDID clothing of every description for men and boys' wear can be had at the new Eagle Clothing Store, one door west of the corner book store. Read the new advertisement of Messrs. L. & M. DESSAUER, proprietors of the establishment. They are clever gentlemen to deal with.

THE election in our county on last Tuesday resulted in the defeat of Mr. CORBIN. There was but half a vote polled. Had the Democracy made any kind of a respectable turnout Mr. C. would have been elected.

BALLOU's Dollar Monthly for November has been received. It is highly interesting.

The reconnaissance in force made by the Democracy on last Tuesday in the States of Ohio, Iowa and Pennsylvania were brilliant affairs. We felt the enemy, and, to use a military phrase, "got all we went for." We found the enemy in considerable force, but greatly demoralized. War Democrats, who deserted and came into our lines, state that the rank and file of the Abolition army are greatly reduced, both physically and morally. The commissary department are running short of loaves and fishes and great discontent prevails. It is believed that one more campaign of our forces will wind up the Abolition rebellion against the Constitution and the Union, notwithstanding their hope of a negro alliance.

SIDNEY SMITH says: "Power will intoxicate the best hearts, as wine the strongest heads. No man is good enough or wise enough to be trusted with despotic power; for when possessed of it, others can no longer answer for him, because he can no longer answer for himself."

WORTHY OF EXAMPLE.—The New York Tribune calculate, that fully three fourths of the Connecticut returned soldiers voted against the Republican party at the recent negro-suffrage election in that State.

WE would direct attention to the files of new goods received by Vance, at No. 1, Commercial Row. If any of our friends want anything in the way of Dry Goods, Hats, Boots or Shoes, we would say to them, no better chance offers in our city to get them at fair prices, nor of more accommodating men than at No. 1, Commercial Row.

Death of J. W. Johnson.

Another one of our old citizens has passed away. Mr. J. W. Johnson expired at his residence on last Thursday morning after a brief illness. He was a generous, kind-hearted man with a true nobility of soul, and his death is deeply deplored by a large circle of friends and acquaintances. We condole with his afflicted family in their sad bereavement.

DIED.—On Sunday, October 8th, 1865, at the residence of Henry Lorenz, of Conjunction, FREDERICK RINEHART, aged 44 years.
He was born in Nassau, Germany, and emigrated to the United States in 1847. He resided in Crawfordsville two years, and was known as an honorable, high minded citizen. He was buried on Tuesday, the 10th; his funeral being attended by a large concourse of bereaved relatives and friends.

Is general introduction into the army will save the lives of thousands of our soldiers.

LOUISVILLE, KY., June 3, 1865.
We, the undersigned, have seen the good effects produced by the use of Dr. John Bull's Cedron Bitter, in the system, and believe its general use would prevent disease and relieve much suffering.
