Horse Stealing and Burglary.

Thieves and burglars are still prowling in our midst. On last Thursday night a horse was stolen from Mr. JOHN DARTER and one from Mr. C. W. ELIZON and the drug store of E. J. BROWN & BROS. broken into and an attempt made to blow open the safe with powder, falling in which the burglar left, taking with them a revolver which they found in their search through the store. The Horse Thief Detective Company of this township, was immediately notified the next morning and a vigorous pursuit commenced, but with what success we have not learned up to the hour of going to press.

For Sale.

One 12 horse power Portable Engine and Separator in good order. Easy payments by mail.

The Mammoth.

This great establishment of the Grahams is daily receiving packages of goods by every train. It is unquestionably the emporium of trade for this section of the State. We notice that farmers come here from Parke, Fountain, Tippecanoe and Boone counties to purchase at this house. The large assortment and immense stock they keep constantly on hand, with the extremely low prices at which they sell, offer better inducements than can be obtained elsewhere. They purchase every description of produce, and the farmer who drives up to their establishment with the products of his labor will find for it a ready market, receiving the highest market price, either in cash, or goods at lower prices than can be purchased in any of the surrounding cities. It is the knowledge of this fact that is driving such an immense trade to their house. The proprietors are men noted for their great enterprise, energy and liberality, and in their long dealing with our people, a period of nearly twenty years, they have always enjoyed the fullest confidence and respect.

Red, White and Blue.

And all the other colors. Analine Dyes, the finest in the world, try them for sale only at Fry's Green street Drug Store.

Arrest of Thieves.

A couple of wags of the genus pickpocket and shop lifters, drifted into our city on last Monday for the purpose of plying their vocation. After a thorough reconnaissance they made a successful dash at the drawer of Mr. James Nolan, in which they netted some twenty dollars which they divided between them. While indulging in happy reveries over present and future successes at the corner of Green and Market streets, they were gently pulled by an officer, and in a quiet and dexterous manner searched, the money recovered, and the birds safely caged in the county jail, with a fair prospect of enjoying the cool breezes of Michigan city, and wearing for a term of years the zebra uniform. They gave their names as John Ventch and George Thomas.

The Ladies will be delighted to know that the very largest, best and most complete stock of toilet articles ever brought to the city, is now on exhibition and for sale at Fry's Green street Drug Store.
