**PANTOSCOPIC SPECTACLES,**

**THE BEST IN USE**

COMBINING advantages, mechanical and  
philosophical, to be found in no others  
offered in the West.

These celebrated Spectacles now so generally  
used and approved, are the most perfect assist-  
ance to defective vision now before the public.  
The Lenses are ground in accordance with the  
philosophy of nature. Their perfectly polished  
surfaces, purity and transparency of material,  
and exact spherical figure, admirably adapt  
them to the organ of sight, rendering them per-  
fectly natural to the eye, and producing a clear  
and distinct image of the object as in the natural  
healthy sight, avoiding the glimmering, wavering  
dizziness of the head, and other unpleasant sen-  
sations often experienced in the use of ordinary  
glasses, and enabling the wearer to prosecute  
minute and critical eye-labor, either by day or  
candle light, with ease, comfort, and satisfaction
