CITY NEWS.

Our hotels are crowded.
Tax drought still continues with no prospect of sign of rain.

Our butchers have reduced the price of meat.

Tax Common Pleas Court is now in session.

No steps have yet been taken to have our streets sprinkled.

Tax Colorado bugs are making sad havoc with the potato crop.

MAJOR FOOTE has put up a beautiful canvas awning in front of his establishment.

MAJOR FOOTE's show windows at the Old Corner Book Store are very attractive.

Go to the Mechanics Union meeting at the Court House to-night.

STRAWBERRIES are selling at thirty cents a quart in this city.

The elegant painting of the new block on the corner of Main and Green streets, was executed by Henry Winton.

NOTWITHSTANDING the severe drought Mr. John Butcher & Son, still continues to keep our market well supplied with vegetables.

The finest Soda Fountain in the city can be found at Paul Hughes. Go there for your soda water.

The work on the East and West Railroad is being pushed forward with great rapidity. The line from here to Covington is swarming with laborers.

Is our next issue will have a very able and interesting article from the pen of President Joseph Tuttle, of Wabash College.

ELDER W. A. JARREL will lecture at the N. S. Baptist Church next Sunday evening at 7 o'clock. Subject: "Spiritualism." All are invited.

The hot weather continues with unabated fury, and vegetation is suffering to a very great extent in this locality for want of rain. If we do not get rain pretty soon, everything in the way of garden fruit will be gone up.

For the purpose of introducing a new brand of cigars, and which are splendid, Mr. E. J. Binford will sell six of them for twenty-five cents, and present the purchaser with a nice cigar case. Try them.

A shooting affray occurred at Wabash on last Wednesday between a couple of young men by the name of Grimes and Messrs. Haley & Glover, in which the latter gentleman was severely injured by being struck over the head by one of the Grimes with a pistol.

MANUFACTURERS UNION.—We are glad to note the fact that a movement is on foot to organize a Manufacturers Union in our city. Similar organizations have been effected in neighboring cities, and by their united and organized efforts have accomplished a vast amount of good. We hope our business men will all be in attendance, and see that the organization be made as effective as possible.

"The Indianapolis Journal" needs a horse editor. Its allusion to "dark gray" and "bay" horses are hardly intelligible. —*Free Press Express.*

HOWEVER badly it may need a "horse editor," no one will deny who reads its columns, that it has as good a "horse editor" as any Radical sheet in the State.

THE business men of the city will meet at the Court House this evening at seven and a half o'clock P. M. for the purpose of organizing a Manufacturers Union. Let all who feel an interest in our growth and prosperity be present. Those who signed their names to the paper recently circulated in reference to this matter will not fail to be in attendance.

ALAMO.
Mr. Editor.—One of the most unfortunate features in some cases of deranged or impaired intellectual faculties, is the unhappy turn of what remains of the mind. This is more lamentable than mere insanity in itself considered, and the worst phase of such cases is when a man is unnaturally disposed to attack his own friends. Such a man resembles a dog with the hydrophobia, which is as apt to bite the hand of his owner as that of any other animal. A painful illustration of our idea is furnished by Mr. Addison Gilkey, of Alamo, who in his present unhappy and pitiable condition, is constantly assailing all his old friends and will probably continue to do so long as he is permitted to write to the Journal.

The Reasons Why.
Farmers should use Ball's Ohio Reaper and Mower as: 1. It cuts a wider swath than other machines. 2. The Drive Wheels are four inches higher than other machines, and each drives the machine independent of the other. 3. It puts no weight on the necks of the team when the driver is off of the seat. 4. It cuts a higher stubble. 5. The Cutter Bar and Reel can be lowered near the ground, thus lifting and cutting lodged and tangled grain better than other machines. 6. The driver has a better opportunity to see and avoid obstructions. 7. It is easier to turn corners with it. 8. The team is less fatigued by which every sufferer, no matter what his condition may be, may find relief. 9. It is a better opportunity to see and avoid obstructions. 10. It has a platform for cutting oats, flax and clover seed, which can be attached in five minutes, and which only weighs fifteen pounds. 11. Ball's Ohio Reaper and Mower possesses many other advantages which it would be impossible to mention. 12. It is a better opportunity to see and avoid obstructions. 13.
