NORTH MISSOURI LANDS FOR SALE.
Hannibal and St. Joseph
R. R. COMPANY.

THE PROPRIETOR OF THE CELEBRATED MEDICINE justly claims for it, superior over all remedies ever offered to the public for the cure of Ague and Fever, whether of short or long standing. He refers to the entire West and South, to bear him testimony to the truth of his assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and where families have been cured by a single bottle, with a perfect restoration of general health. It is, however, prudent, and in every case more certain to cure, if it is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Locally this medicine will require any aid to keep the bowels in good order, should the patient, however, require a cathartic, it may be had in the form of a single dose of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.
