287 Vine St., Cincinnati, O.

For the scientific treatment, prompt relief and permanent cure of Chronic, Nervous and Private Diseases. The physician in Chief is a regular graduate, has enjoyed unusual advantages in public hospitals; has conducted the largest dispensary practice for private diseases in America; and for many years has devoted exclusive attention to this specialty. He expressly addresses those who have failed to find relief from the family doctor or the so-called specialists.

**YOUNG MEN** who suffer from the fearful effects of self-abuse, as: aversion to the society of ladies; despondency; loss of energy; failing memory; nervousness; palpitation of the heart; weak back; stunted development; increased nervous exhaustion and lascivious dreams. You may be in the first stage, but you are fast approaching the last. Do not let false pride or sham modesty prevent you from obtaining relief now.

**MIDDLE-AGED MEN** who are prematurely old, as a result of youthful indiscretions, or excesses of later years; who are troubled with too frequent evacuations of the bladder, and by finding a milky orropy sediment in the urine; and on account of this unnatural waste and loss of vitality are unfit for business or marriage. You can positively be restored to manly vigor.

**OLD MEN** who, as a result of overwork, business cares or imprudence in former years, now suffer from partial or complete impotency, or some distressing bladder trouble. All may find immediate relief—many may be permanently cured.

**SCYTHIIS**, with following symptoms—falling of the hair; sore throat; swollen and suppurating glands; eruptions, pustules and ulcers of the skin; stiffness of joints; destruction of bones of the nose with offensive discharge from the nostrils; and other evidences of blood disease—forever driven from the system without the use of mercury.

**GONORRHEA**, gleet, Stricture, inflammation of the prostate and bladder, and orchitis, instantly relieved, and permanently cured by remedies tested in many years special practice. Consultation strictly confidential. Medicines sent everywhere. Terms low as is consistent with first-class treatment.

**We guarantee to forfeit \$500 for any case of Private Disease that we undertake and fail to cure.**

**SUFFERERS FROM ANY PRIVATE DISEASE**, whether caused by error or exposure, should consult us before entrusting the case to any one. Send accurate written statement, enclosing stamp for reply, and receive our opinion and advice, in plain envelope, by return mail. Address as above. Mention this paper.
