THE OUNCE OF PREVENTION.

Under the above heading the New York World of Feb. 10th, contains an editorial, of which the following are a few extracts:

"Physicians and unprofessional men of sense agree that if people would take a little of the pains to prevent disease that they do to have it cured that the civilized world would be much less like a vast hospital than it is now. * * * But the idea of a regular and stated physical examination, even of persons who are apparently well, is an excellent one. The approaches of pulmonary complaints, kidney troubles, and many of the other ills that flesh is heir to are so insidious as not to be apparent to their victim. * * * In nothing is it truer than in disease that a ounce of prevention is worth a pound of cure."

There is a great deal of wisdom in what the World remarks. Individuals, as a rule, do not give their physical welfare attention, and it is only when alarmed by the presence of disease itself—the consciousness of falling strength—that attention is given to such matters.

Much has been said and written in recent years concerning the extreme and oftentimes fatal danger which results from delay in the treatment of kidney diseases.

Physicians admit that they cannot control advanced disease in those organs, and it is doubtful whether they can control it in any stage without the assistance of Warner's safe cure, which is established as the only known means which will reliably prevent and cure this class of disease.

Besides, it has been definitely ascertained that kidney disease is the real cause of ill health in most cases where consumption, heart, brain or nervous disorders are supposed to exist, and in consequence of such belief many mistakes have been committed by our best physicians in treating of such disorders, which are but symptoms of the disease, whilst they have allowed the real disease—disease of the kidneys, to escape their notice until too late.

There is no safer or surer way by which health can be preserved and disease averted than the occasional use of Warner's safe cure, which will benefit the "engines of life,"—the kidney, even if they are in a normally healthy state; while the good that will result in case disease is threatened, or is already present cannot be overestimated.

The most careful examination made by a physician sometimes is unreliable, since this class of disease is extremely deceptive, and seldom openly manifests itself until the unsuspected sufferer is beyond assistance.

James Jacobs, for nearly forty years a merchant of Montezuma, has failed, and his store is closed.

Is consumption Incurable

Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with abscess of lungs, and the friends and physicians pronounced me an incurable consumptive. Began taking Dr. King's new discovery for consumption, am now on my third bottle, and am able to oversee the work on my farm. It is the finest medicine made."

Jesse Middlewert, Decatur, Ohio, says: Had it not been for Dr. King's new discovery for consumption I would have died of lung troubles. Was given up by doctors. Am now in best of health. Try it. Samples bottles free at Nye & Co's drug store.

The World Ought to Know It.

The world ought to know what S. S. S. has done for me in the cure of a malignant Cancer, which was so bad as to be considered incurable by the physicians in Chicago, where I went to be treated. The hospital surgeons gave me up, saying they could do nothing for me. One of my neighbors sent me a copy of an advertisement cut from a paper in regard to Swift's Specific, and I began taking it. I got relief from first few doses; the poison was gradually forced out of my system, and I was soon cured sound and well. It is now ten months since I quit taking S. S. S. and I have had no sign of return of the dreadful disease. There are thousands of people going to their graves every year with Cancer and they ought to know of the virtue of SSS.

Brother in Black.

Two or three years ago a negro boy on my place near Franklin, Ky., was tormented with an apparently incurable case of Scrofula, which lasted him a long time and gave him great trouble. After trying many other remedies, I at length went to Dr. Morris' drug store in this place and bought several bottles of SSS, by taking which, and nothing else, he was fully and permanently cured. He is now a stout man, and at the time I commenced giving him SSS the bones were working out his arm—could use but one arm, and the doctors said nothing could do him any good; but I had tried SSS and seen it tried, and felt that it would cure him.

I was the victim of the worst Catarrh that I ever heard of. I was entirely deaf in one ear and all the inside of my nose, including part of the bone, sloughed off. I have been well for four years, and no sign of return of the dreadful disease. MRS. J. POLHILL.

Consumption Cured.

An old physician, retired from practice, having and placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by address, with stamp, naming this paper, W. A. NORRIS 149 Powers Block, Rochester N. Y.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating or of "giddiness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flashes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to ensue, and sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver and through that great blood purifying organ, cleanses the system of all blood taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this medicine is especially indicated, and its celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

WARRANTED. Dr. Pierce's Golden Medical Discovery is the only medicine of its class, sold by druggists, that is guaranteed to cure Bilious Dyspepsia, or Torpid Liver, or Indigestion, or any of the ailments mentioned above.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula, Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it proved its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.
