A report is going around that Dr. Donaldson has recently suffered the removal of a large cancer from his side, and that he came nigh into death, but that he is now better.

S. F. Kyle and wife, Nellie and Walter, returned home from a three weeks' visit at Minneapolis, Minn., last Friday night. Mr. Kyle caught barrels of fish from the Northern lakes during his absence, and brought home the head of a fish that measured twenty-nine inches, actual measure.—Ladoga Leader.

There will be a basket meeting in Harshbarger's grove just east of town, Sunday, July 14th, by the colored people of Crawfordville and Greencastle. The services will be conducted by Elder Williams, while the music will be furnished by the colored glee clubs of the two cities. An admission of five cents will be charged to defray expenses.

The 13th annual commencement of the Normal will be held July 30 and 31 and Aug. 1. On Tuesday evening, July 30, the Teachers' Alumni Association will hold their annual meeting and banquet. The address will be delivered by T. W. Auchison, of Staunton, Indiana, subject "The Dragon of the Black Forest." We can safely promise that this address will be very fine as the speaker is an orator of great ability. On Wednesday evening, the Teachers class of '89 will give a play which will be quite interesting. The graduating class will speak on Thursday evening. The class this year is an unusually strong one and their exercises will be exceedingly good.

The longest, rottenest and most uninteresting game of ball that has been played here for some time, occurred at the ball park Tuesday afternoon between the Crawfordville and Ladoga clubs, the former winning by a score of 15 to 7. Dicks was in the box for the home club and was not very effective, giving four men first base in succession in the first inning. Strickler pitched the latter part of the game and did better than his predecessor. Dan Sullivan did the twirling act for Crawfordville and did fairly well. One great fault with our boys, and one that will lose them both games and patronage, is their everlasting "kicking" and "mouthing." It isn't very pleasant for a visiting club to be "guyed" as the boys from the Athens were, and it is to be hoped that hereafter our boys will be more quiet, and let the captain do the kicking, if any has to be done.

The Lebanon celebration must have been honored with 300 people from this city, the Uniformed Rank K. of H. and the drum corps. The day was pleasantly spent by all who went there and the crowd was very large. Lebanon people are hospital and did all in the power to make the visitors enjoy themselves. The game of ball was close, resulting in a score of 6 to 7 in favor of Crawfordville. The drum corps drill was very fine and Mort Keegan has every reason to feel proud of the work of the boys. No one among the many regretted their going to Lebanon.

An English Medical Authority affirms that the best regimen for preserving health may be summed up in the maxim, "keep the head cool, the feet warm, and the bowels active." There is a word of wisdom in the observation. Obsolete constipation, or costiveness, is an exciting cause of other diseases; and, with many persons of sedentary habit or occupations, this inaction of the bowels is a source of constant annoyance, producing piles, prolapse of the rectum, fistula, and various dyspeptic symptoms. All these are ward off, and health is maintained, by the use of Dr. Pierce's Pleasant Purgative Pellets.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gasiness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood purifying organ, cleanses the system of all blood taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. An appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

WARRANTED. Dr. Pierce's Golden Medical Discovery is the only medicine of its class, sold by druggists, that is guaranteed to benefit or cure in all diseases for which it is recommended, or the money paid for it will be refunded.

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula, or Salt-rheum, or "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eruptions rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Boils, Carbuncles, Sores, Ulcers, Scalds, Venereal Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.
