For many years the manufacturers of Dr. Sage's Catarrh Remedy have offered, in good faith, \$500 reward for a case of nasal catarrh which they cannot cure. The remedy is sold by druggists at only 50 cents. This wonderful remedy has fairly attained a world-wide reputation. If you have dull headache, obstruction of the nasal passages, discharges falling from the nasal into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, putrid, bloody and purulent; if the eyes are weak, watery and inflamed; if there is ringing in the ears, deafness, hacking or hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers, the voice being changed and has a nasal twang; the breath offensive; smell and taste impaired; sensation or dizziness with mental depression, a hacking cough and general debility, you are suffering from nasal catarrh. The more complicated your disease, the greater the number and diversity of symptoms. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, less understood, or more unsuccessfully treated by physicians.

will have noticed to do with "cure-alls"—medicines that are advertised to cure everything from a chublain to a broken neck. Read the list of diseases that Dr. Pierce's Golden Medical Discovery will cure: Affections of the throat and lungs, incipient consumption, disordered liver, sore throat, bronchitis, asthma, catarrh, ulcers, tumors and swellings caused by scrofula and bad blood; fever and ague and dropsy. This seems like a cure-all but it is not. This great "Discovery" will really cure all these complaints simply because it purifies the blood upon which they depend and builds up the weak places of the body. By druggists.

A President on Brandy for Sickness.

The President of the Baltimore Medical College, Dr. Byrd, who has thoroughly tested Spear's wines, etc., says:

I have prescribed Spear's port grape wine with marked and decidedly beneficial effects. I am prepared to bear testimony to the value of his Pedro J. Brandy, also, as a pure and valuable article in all cases of disease in which a reliable stimulant is required. I would be happy to feel that I was instrumental in inducing my fellow citizens to patronize these productions, to the exclusion of the foreign "doctors," and harmful adulterated wines and brandies with which our people are often injured.

Our readers have doubtless often noticed that Hood's Sarsaparilla is well spoken of in the newspapers. The Press is quick to recognize merit, and does not hesitate to give praise where it is due. The following is from the Baptist Weekly, a leading religious paper:

"Advertising may bring an article prominently before the public, but no advertising can help it if it has not real merit. Hood's Sarsaparilla is well advertised; but the best proof of its value is that so many persons use it on the recommendations of friends who have proved its peculiar virtues." A-17-4t

# WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gonesness," or emptiness of stomach in the morning; tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity? If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of its symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood purifying organ, cleanses the system of all blood taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

"Golden Medical Discovery" is the only medicine of its class, sold by druggists, that is warranted to benefit or cure in all diseases for which it is recommended, or the money paid for it will be refunded.
