OUR \$1 A WEEK Club System

while as convenient to the buyer as an installment system, it is a wholesale spot cash system to us. The co-operation of the club members sells us 38 watches in each \$38 watch club, and gets cash for the club for each watch before it goes out, though each member only pays \$1 a week. This is why we give you more for your money than any one else and why we are doing the largest watch business in the world. We sell only first quality goods, but our prices are about what others get for second quality. Our \$10 Silver Watch is a substantial Silver (not imitation of any kind) Stem-Wind American Lever Watch—either hunting case or open. Our \$20.00 Watch is a Stem-Wind Open Face, first quality, stuffed Gold American Lever Watch, guaranteed to run 20 years. It is fully equal to any watch sold for \$38 by others. We find a first-class Stuffed Gold Case much more satisfactory and serviceable than any Solid Gold Case that can be sold at less than double the money, as cheap solid cases are invariably thin, weak, of low quality, and wear out after short use. Our \$38 Watch contains numerous important patented improvements, of real importance to accuracy, appearance, durability and service, to any \$38 Watch either Open Face or Hunting. Our \$42.00 Railroad Watch is especially constructed for the most exacting use, and is the best Railroad Watch made, Open Face or Hunting. All these prices are either all cash or in clubs, \$1.00 a week.

Traveler given free with each Watch.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

WARRANTED.

The manufacturers, that will give satisfaction in every case, or the money paid for it will be refunded.

"Favorite Prescription" is a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cordial and restorative tonic.

"Favorite Prescription" is a soothing and strengthening remedy, it is unequalled in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms, commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women of delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system.

For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, or "white discharge," painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, "female weakness," atony, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for these disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" has been taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Peppermint Cure (Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.
