

Catarrh

Is a constitutional and not a local disease, and therefore it cannot be cured by local applications. It requires a constitutional remedy like Hood's Sarsaparilla, which, working through the blood, eradicates the impurity which causes and promotes the disease, and effects a permanent cure. Thousands of people testify to the success of Hood's Sarsaparilla as a remedy for catarrh when other preparations had failed.

Catarrh

"I will say I have been troubled for several years with that terribly disagreeable disease, catarrh. I took Hood's Sarsaparilla with the very best results. It cured me of that continual clogging in my throat, and stuffed up feeling. It has also helped my mother, who has taken it for run down state of health and kidney trouble." Mrs. S. D. HEATH, Fulton, Conn.

"I have used Hood's Sarsaparilla for catarrh with very satisfactory results. I have received more permanent benefit from it than from any other remedy I have ever tried." M. E. READ, of A. R. & Son, Wauseon, O.
