A regular faculty of seventeen Specialists, Physicians, Surgeons, Trained Assistants and Nurses. Best facilities for every form of disease requiring Medical or surgical treatment. 230 rooms elegantly furnished. Write for book, free, on deformities.

Dr. E. Huntsinger,

Medical and Surgical Specialist for the EYE, EAR, NOSE and THROAT, who has accepted the position of Operating Surgeon in the Eye and Ear department of the

Chicago Surgical Institute,

Will continue to make regular visits to Crawfordsville as heretofore. It is now about five years since the Doctor began making regular visits to this place during which time he has proven himself a most accomplished specialist, as hundreds of patients, both medical and surgical, in this vicinity can testify. Special attention to fitting all kinds of Spectacles and Eye-glasses. Consultation free.

"Hearing of Dr. Huntsinger's splendid success in difficult cases of the Eye, Ear and other special diseases that the doctor treats the Chicago Medical and Surgical Institute has been urging him for some time to accept an important position in that institution. He has finally consented to take the place of consulting physician, having full charge of difficult surgical operations on the eye. This new department will not interfere with the doctor's present field of labor in which he has a practice too extensive and lucrative to abandon.

Having held a position in an Indiana Regiment, of which Dr. Huntsinger was Surgeon, we personally know him to be one of the most accomplished specialists in the United States. The call to so high and responsible a position, is a high and well merited compliment in recognition of his abilities."—Frankfort Times.

Dr. Huntsinger will be at Dr. Bankin's office in Crawfordsville on Thursday, June 11 and 12; at Dr. Kleiser's office in Waveland on Friday, July 10, until 10 o'clock a.m. only, and at Dr. C. C. Rogers' office in Rockville Friday, July 10, afternoon only.

Wabash College Commencement.

The regular commencement exercises of Wabash College took place in the Yandes building Wednesday morning before more than one thousand people. The Senior class occupied seats in a semi-circle around the platform. Dr. M. W. Stryker, pastor of the Fourth Presbyterian church of Chicago, was the speaker of the occasion. His subject was "Idealism," and was pronounced one of the finest orations ever delivered in the city. At the close Dr. Tuttle conferred the degrees upon the Seniors as follows: B. S., E. M. Ballard, C. J. Britton, J. R. Eastman, E. E. Fry, O. L. Houts, J. S. McFaddin, Henry Little, F. P. McNutt, Edwin Randall, E. D. Randolph, J. A. H. Wilson, F. E. Wynecoop, A. B. F. C. Brewer, A. E. Davis, J. E. Groendyke, Palmer Graham, Tasuke Hattori, Frank Keiper, S. W. Mowers, F. L. Shull, C. L. Thompson, W. L. Vannoy; Civil Engineer, Fred Hoffman. The degree of A. Case Affirmed.

Judge Black has affirmed the case of James H. Hughes vs. the Monon railroad which the road carried to the appellate court. Judge Black says:

A railroad company is not relieved from liability from injury to animals which entered upon the track through a gateway in the fence dividing the railway from the public way by the acts of 8 and 10, 1885, the chief purpose of that legislature being to afford relief to adjoining land owners.

Death of Col. John Lee.

Col. John Lee, the oldest native of Montgomery county, passed quietly away at his home on east Pike street Thursday morning after an illness of eight weeks, the result of La Grippe. John Lee was born in Montgomery county on March 11, 1826, and was the oldest native of Montgomery county at the time of his death. He was the son of Elder John Lee, of the Primitive Baptist church, who founded the Crawfordsville society. In 1856 he was elected treasurer of this county and in 1860 was appointed Deputy United States Marshal for Indiana. In 1865 he moved to his farm where he remained until 1869 when he began his career in railroad circles. He was elected president of the Logan-sport, Crawfordsville & Southwestern road and filled the position four years when he was elected president of the Lake Erie & St. Louis road. In 1872 he was made president of the Indianapolis & Springfield road and a year later held the same position for the Indianapolis, Delphi & Chicago road. In 1879 he became President of the Anderson & St. Louis road and at the time of his death was president of the New York & Chicago road. Mr. Lee has been a life long democrat and a faithful and untiring worker in the cause. At the time of his death he was a representative from this congressional district to the World's Fair at Chicago. In 1849 the deceased was married to Letitia West and five children were born to them, Mrs. J. Manrice Thompson and Henry Lee, of this city, Stephen Lee, of Indianapolis, Mr. W. H. Thompson, of Seattle, and Frank Lee, of Washington State. Mr. Lee was among the best and most favorably known men in the State, and has been a devout member of the Primitive Baptist church all his life. The funeral services occurred on Friday. Rev. R. J. Cunningham officiating.

Oldest State Resident.

ED. REVIEW:
Among the items of State news in your last week's paper, I noticed one from C. G. De-Haven, of Cass county, who says he was born in Indiana in 1819 and has never lived outside of the State. He claims to be the oldest native Indian.

Mrs. Robert Gray, who resides on the corner of Grant avenue and Main streets in this city, was born in Clark county, Nov. 8, 1808. She was the daughter of Col. John Carr, one of the pioneers of southern Indiana. She has resided in this state all her life and never was out of it but three times, twice to Louisville on short visits, and once to visit a son in Missouri. She is a hale hearty old lady and bids fair to live many years yet. Who can beat it? J. G. O.

Rev. Harris' Insurance.

Mr. Harris, besides serving faithfully in the ministry for years, was a member of all the Masonic bodies, including the Knights Templars, belonging to Crawfordsville commandary. He was also a Knight of Pythias, a member of Lake council, National Union; of Halcyon council, Royal Arcanum; and of George V. Rawson Post, G. A. R., and an Odd Fellow. He carried life insurance aggregating \$13,000, of which \$5,000 was in the New York Life, \$5,000 in the National Union and \$3,000 in the Royal Arcanum. It will collectable except the \$5,000 in the National Union which does not pay suicidal death claims unless the deceased has been a member of the order for longer than two years, and Mr. Harris only been enrolled about nineteen months.—Michigan City Dispatch.

Wants to Fire Griffith.

Dr. T. J. Griffith has again fallen in the soup. It appears now that the gallant Doctor has been guilty of the grave offense of testifying in behalf of the good character of Jacob Freed at that gentleman's recent application for a license to sell liquors at New Market before the county Commissioners, and in consequence charges have been preferred against him in Friendship Lodge, I. O. G. T., and every effort will be brought to bear to fire him. Had the Doctor perjured himself on the stand he might have continued to receive homage from the hands of his lodge room disciples but because he testified honestly to the best of his knowledge he is to be kicked out in disgrace. Shame on such proceedings.

I use nothing but flexible oak tanned leather for half-soleing boots and shoes. No other cobbler in the city uses it. W. S. Richards, W. Main street.

Brother Pettit Not In It.

By grapevine to the Courier comes, from Shawnee Mound, a bit of news that will prove of interest for several reasons. From a reliable source flows the rumor that ere long Mrs. Elma C. Whitehead will wed the brother of her late husband, a widower with one child. The groom prospective is a resident of California, in which Golden State the couple will make their home. The Courier was unable to ascertain the exact day for the marriage but June roses will not, according to authority, be out of date when the nuptial is consummated.—Lafayette Courier.

Death of Lucy C. Beck.

Lucy, daughter of Mr. and Mrs. Robert F. Beck, died at the home of her parents on east Market street last Tuesday evening at 7 o'clock after a lingering illness of consumption. The deceased was a graduate of the class of '83 from the city High School, a young lady loved and honored for her many virtues by a wide circle of friends who will mourn her loss. The funeral occurred from the residence on Friday morning at 8 o'clock. Interment at Oak Hill.

Corey and the Coon.

Ed Corey, champion heavy weight pugilist of the state, returned this morning from Peru, where he signed articles to fight Wm. Pitts, the colored champion of the state. They will fight for a purse of \$400, the winner to take \$300. The fight will take place at Peru about the 9th of July and promises to attract much attention.—Michigan City News.

Male Chorus for the Fourth.

Many have suggested that a male quartette for the Fourth of July be organized. All spoken to on the subject have entered into the scheme heartily. To perfect such an organization a meeting will be held in the small court room this evening at 8 o'clock. All interested and willing to help are cordially invited to be present and take part.
