MRS. GRAHAM'S Cucumber Elder Flower Cream

Is not a cosmetic in the sense in which the term is popularly used but permanently beautifies. It creates a soft, smooth, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and blackheads will never come while you use it. It cleanses the face far better than soap, and water, nourishes and builds up the skin tissues and thus prevents the formation of wrinkles. It gives the freshness, clearness, and smoothness of skin that you had when a little girl. Every lady young or old ought to use it, as it gives a more youthful appearance to the face, and that permanently. It contains no acid powder or alkali, and is as harmless as dew and as nourishing to the skin as cream. It is sold by all druggists and hairdressers, or at Mrs. Gervaise Graham's establishment, 108 Post Street, San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle mailed free to any lady on receipt of 10c in stamps to pay for postage and packing. Lady agent wanted.

An Old Pioneer Gene.

Mrs. Anna Martin died at home of her daughter M. S. Wisheart, at Smartsburg, last Saturday morning at the advanced age of 80 years. She was born in Butler county, Ohio, and removed to this county at the age of seven years. She was the daughter of Rev. John Lee and was the mother of ten children, three of whom survive her. The funeral was held at the Baptist church at Smartsburg, J. H. Oliphant officiating.

John Ingalls Handley, of Maine, who was the tallest man in the Army of the Potomac, recently died. He was six feet, seven and one-half inches high.

THE FOUNDATION IS BUILT.

Democrats Meet and Lay the Initial Stone Toward Success.

In pursuance to a call the democrats of Montgomery county met in the court room last Saturday for the purpose of selecting precinct committeemen and township committeemen to compose the county central committee and delegates to the district convention to be held in Terre Haute on January 8. Considering the extremely inclement weather there was a good attendance every township in the county being represented with the exception of Scott. J. M. Sellar called the convention to order. J. G. Johnson, of Mace, was chosen chairman, and W. E. Henkel, secretary. On taking the chair Mr. Johnson made a very happy, old time democratic speech which put the convention in the best of humor and elicited several rounds of well deserved applause.

On motion of J. M. Sellar the roll of townships were called and all responded with the exception of Scott.

On motion of Stewart McGuire the several townships met in separate localities and proceeded to make their different selections.

J. M. Sellar's motion to have the townships report their selections immediately at the convening of the afternoon session was carried. Adjourned until 1 p. m.

On reassembling the townships reported as follows:

Union:—Delegates to District convention, R. B. Snyder, J. M. Sellar, W. E. Henkel, A. Wert, Wm. Hunt, W. H. Johnson; central committee, John A. Booe; precinct committeemen to be selected later.

Brown:—District delegates, J. R. Canine, alternate, John A. Fodd; central committeemen, C. H. Johnson; precinct committeemen, Sam Fisher, D. A. Canine, T. N. Shepherd.

Madison:—District Delegate, Wm. Dunkel; central committeeman, Oren Stingley; precinct committeeman, J. K. Parker and Walter McAbee.

Scott:—District delegate, John Williams.

Sugar Creek:—District delegates Isaac Woodward; central committeeman, Robert Dunbar; precinct committeeman, L. B. Coyner, Otho Long.

Franklin:—District delegate, G. B. Lynch, alternate, J. A. Booe; central committeemen, W. A. Booe, Jeff McDaniel, David McAllister.

Walnut:—District delegate J. H. Robins, alternate, J. G. Johnson; central committeemen, no selection. Precinct committeeman, David Sparks, Clint Stamp, R. H. Galloway.

Clark:—District delegate, L. D. Stringer; central committeemen, J. T. Davis; precinct committeemen, G. W. Corn, Wm. McCammon, Geo. Harney.

Coal Creek:—District delegate, M. E. Fooley, alternate, Jas. Swank; central committeeman, M. E. Foley; precinct committeemen, Thos. Patton, Al Hass, James Swank.

Wayne:—District delegate, Wm. Rider, alternate F. Hollowell; central committeemen, B. T. Merrill; precinct committeemen, F. M. Booe, J. A. Baldwin, John Gernard.

Ripley:—District delegates, Allen Byers; central committeeman, Jas. Galloway, C. B. Snyder, W. W. McSpadden.

On motion of Jas. Wright the reports were concurred in.

For delegates at large from the county to attend the district convention, Henry Allen Foster, of Brown, and Judge W. P. Britton, of Union, were selected by acclamation.

For county organizer Wm. Johnston put in nomination Alexander Harper, and Stewart McGuire presented the name of Read Hanna. Mr. Hanna at once declined and Mr. Harper was selected by acclamation.

On motion of W. H. Johnston the delegates to the district convention were instructed to cast their votes for J. M. Sellar for member of the State central committee.

The township committeemen were then instructed to meet at the court house three weeks from this date and elect a Chairman, Secretary and Treasurer outside of the regular committee to serve for the ensuing year, after which the meeting adjourned.

Early organization means success in 1892. The feasibility of organizing democratic clubs in every township was thoroughly discussed. It will be the duty of county organizer Harper to look after the matter and it is safe to say it will be well done. Let every democrat in Montgomery county put his shoulder to the wheel and we will repeat that delightful little episode of 1890 which we so tenderly cherish in our memories.

A Remarkable Record.

Never in the history of Crawfordville has any physician met with such unparalleled success in the way of treating diseases, both medically and surgically as Dr. Walter who makes regular monthly visits here. He does not profess to cure everything out of himself, but treatments of a curative nature, and his thorough training in this particular line of medical skill makes his mode of treatment eminently successful.

We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. MOBBED AT PRAYER.

Disgraceful Attack on Salvationists in England.

BRUTALLY TREATED AT EASTBOURNE.

While on Their Knees They Are Charged Upon by a Mob and Ridden Over by Police—Many Badly Hurt.

BEATEN BY ROUGH.

LONDON, Jan. 5.—The troubles between the Salvation Army and the authorities at Eastbourne resulted Sunday in a riot of unusual violence. For a long time there has been an open war between the salvationists and the police. The former claimed that the Eastbourne officials had displayed a feeling of religious intolerance in their treatment of the army, and so determined were the members of the Salvation Army to maintain what they deemed were their judicial rights that they proposed to introduce a bill in parliament to repeal or amend the Eastbourne improvement act, under which the town officials prevent the salvationists from holding meetings on the streets of the town. The authorities claimed that the Salvation Army held the law at defiance and were persistent in their attempt to make trouble.

Dispersed by Police.

The salvationists attempted to hold meetings on Sunday, but were dispersed by the police. In the afternoon, however, sixty of the army again sailed from their barracks and proceeded to the beach, Eastbourne being situated at the extreme end of the English channel. As they wended their way to the beach they were followed by an immense crowd who menaced them with all manner of ill treatment.

Attacked by a Mob.

Once upon the beach the salvationists knelt down on the sands in prayer. As they did so they linked their arms, the better to repel the assaults of the irreligious mob should the latter take it into their heads to charge upon them while at their devotions. As the salvationists prayed the mob hooted and yelled and finally made an attempt upon the praying band. The latter were thrown to the ground, but they immediately resumed their kneeling position and continued their praying. Several times the rushing was repeated, but the salvationists paid no more attention to their assailants than they were absolutely compelled to in order to avoid being seriously hurt. A number of police were present during the rushes and the mob reviled them in emphatic terms for not dispersing the salvationists.

Badly Used Up.

As soon as the praying was concluded the salvationists rose to their feet. This seemed to be the signal of a preconcerted attack, for the mob immediately swooped down upon the devoted band, scattering them in wild disorder. Many of them were kicked and otherwise ill treated. The musical instruments used by the salvationists seemed to especially excite the ire of the mob and the persons wearing them were singled out for more than the usual brutal treatment. The mob got possession of the instruments, and after smashing them out of shape threw them into the sea.

Trampled on by Horses.

At this part of the disturbance a detachment of mounted police took a hand in the proceedings. Under orders from their commanding officer they charged upon the crowd like a squadron of cavalry. They made no distinction between men and women. They rode down upon the crowd, trampling the rowdies, male and female alike, under the feet of their horses. Many of the crowd were severely hurt by the iron shoes of the horses. The salvationists declare that the police, instead of protecting them, deliberately struck them and rode over them. Their clothes were torn and their hats lost.

Fought for Their Flag.

During the melee the standard of the Salvation Army fell into the hands of the enemy. Some of the salvationists charged upon the mob to regain their flag and a fierce fight resulted. The salvationists were battling against almost overwhelming odds, but they were thoroughly determined that their assailants should not make off with the standard if brawn and muscle could prevent such a catastrophe. Those in possession of the flag fought desperately to retain it and they inflicted very nasty blows upon those who were attempting to get possession of it. Finally, however, the salvationists regained their standard and, under a rain of blows, they succeeded in getting away from the mob with the flag in their possession.

After some little time the salvationists, their clothing bedraggled and their faces showing the marks of the ill treatment, rallied around their standard. They formed in regular lines, and surrounded by the police, marched back to their barracks.

HE Missed his Opportunity! DON'T Miss Yours, Reader. The majority neglect their opportunities and from that cause suffer in obscurity! Narrowing despair is the lot of many, as they look back on lost, forever lost, opportunity. Life is passing! Reach out, then, and do it now. Improve your opportunity, and secure prosperity, prominence, peace. It was said by a philosopher that "this is the golden opportunity to each person at some period of life; embrace the chance, and the years will be rich and full; do not let it pass, and the years will be poor and full of sorrow. Here is an opportunity, such as is not often within the reach of laboring people. Improved, it gives, at least, a grand start in life. The golden opportunity for many is here. Money to be made rapidly and honorably by any industrious person of average ability. All are. You can do the work and live at home, wherever you are. Even beggars are really earning from \$5 to \$10 per day. You can do as well if you work, not too hard, but industriously; and you can increase your income as you go on. You can give more time only, all your time to the work. Easy to learn. Capital not required. We start you. All is comparatively new and really wonderful. We show you how, free.
