AN ENTHUSIASTIC MEETING.

A Mass Convention of the Democracy to

Urge up The Tariff Reform Measure.

In pursuance to a call made in The Review two weeks ago and signed by many democrats, a mass meeting of the democrats of the county was held at the court house last Saturday afternoon. The object of the meeting was to give public expression to the party's unshaken belief in tariff reform, and to urge upon the Senate the early passage of the Wilson bill.

The convention was called to order by Reed Hanna and M. E. Clodfelter was made chairman and W. D. Harlow secretary. Upon taking the chair Mr. Clodfelter briefly stated the object of the meeting and made a strong and eloquent plea in favor of tariff reform as embodied in the Wilson bill. Speeches were made by Judge Selzer, Jas. W. Wright, E. E. Badari, Mr. Fitzgibbon and others. The sentiment expressed during the speech making fully attested the abiding faith of the democrats of the county in the principles of the party and that the Wilson reform bill must pass the Senate regardless of the wishes of a few coal or sugar barons. Democracy is for the masses first, last and all the time.

The wishes of the convention are succinctly set forth in the subjoined resolutions, adopted copies of which were ordered sent to Senators Voorhees and Turpie and Congressmen Brookshire.

Resolved, That the democrats of Montgomery County in mass convention assembled, do hereby earnestly urge the great tariff reform measure recently passed by the House of Representatives known as the Wilson bill. We believe its early enactment into law will greatly remove the burdens fixed upon the laboring masses by republican legislation, and give a new and increased impetus to business which will be felt throughout the length and breadth of our country. We therefore urge upon the Senate its immediate passage.

Resolved, Further that we believe that the wealth of this country should bear its just portion of the burdens of taxation necessary to a government economically administered, and do hereby endorse the income tax features of said bill, as being part of the great democratic reform promised the people in our platforms of 1890 and '92.

Alonso Paxton, The Verdant Thief in Jail.

After spending about \$25 Dr. Hutchings had his horse and buggy returned to him last Sunday. Other Grimes dropped out the clue that led to the culprit's arrest and having notified the Lebanon police, drove through to that place facing a eurocydon Saturday night. The circumstances of the bold, but silly theft, are best gathered from the confession Paxton made to Mr. Grimes when he laid hands on him over in Boone county. After cutting the hitch rein and mounting into the buggy he made a bee line for Boone county where he had relatives. Between 8 and 9 o'clock in the evening he drove up to Mr. Conrad's, residing south of Darlington where he staid all night. He worked as a farm hand for Mr. Conrad last summer. He told the family that he had borrowed the horse and buggy to drive over to visit his folks in Boone county. He left bright and early the next morning and next pulled up at the home of his cousin, Mr. Thompson, two miles north of Lebanon. From there he drove over to Frank Mullen's a few miles distant, where after some dickering he traded the stolen animal to Mullen for a dun pony and \$1.10. He then returned to the home of his cousin where the arrest was made. The report that he had eloped with a lady love was without foundation. Officer Grimes had no trouble in invalidating the trade made between Paxton and Mullen and returned to this city with the thief and stolen property on Sunday after a tiresome but successful chase.

On Monday morning Paxton waived an examination when brought before Mayor Bandal and his bond was placed at \$1,000. He was remanded back to jail to await the action of the next term of the circuit court. Paxton is 23 years of age and not overly bright, or he would not have undertaken such a hazardous piece of business. He puts up the spurious plea that he was drunk when the theft was committed. He might have been crazy.

Another Factory in Sight.

J. B. Duncan, of Charleston, Ill., is looking for a location to start a pantaloen factory. He has written Will H. Nash, of this city, to know of the advantages of Crawfordsville for such an enterprise. Mr. Duncan considers this city a most favorable location, by reason of its proximity to the Yount woolen mills. The output of these mills in the way of woolen goods would be all that a pants factory could desire in that line. At present the Yountville mills supplies a factory at Indianapolis.

Mr. Duncan proposes to establish a factory that would give employment to forty hands for the first two years, and after that double the number, if the business justified the increase. His factory makes pantaloons that retail all the way from \$3 to \$8, and as we understand works up nothing but woolen goods. Mr. Duncan is experienced in the business and we trust he will find the natural advantages of Crawfordsville sufficient to warrant him in bringing his factory here.

PARIS IS FRIGHTENED

BOMB FOUND ON THE STAIRCASE OF A POLICE STATION.

It is Similar to Those Used by Vaillant and Henry—Negotiations Between China and Russia Threaten to Cause Trouble.

PARIS, Feb. 19.—A bomb similar in its construction to those used by Vaillant and Henry was found yesterday on the staircase of the police station in the rue du Temple, one of the oldest and busiest streets of the city, and which leads to the Hotel du Ville. On this street is the Marche du Temple, occupying the site of the Tour du Temple which during the revolution was used as a prison of the royal family.

Anarchist Henry made a further confession to the police yesterday, and as a result of it his mother's house was searched last night. The police found much chemical apparatus and a number of letters and photographs, including a group of twenty anarchists. All of these things will prove valuable to the police in their efforts to arrest the other anarchists who were implicated in the plot with Henry. Henry also divulged the names of several of his anarchist friends, and their arrests are expected to take place in a short time.

BARCELONA, Feb. 19.—Six of the leading anarchists who have been arrested have confessed that they were accomplices in the attempt upon the life of the civil government. This attempt, they say, was an act of vengeance for the death of Pallas. They declared their comrades who have not been arrested would avenge them.

NEGOTIATIONS LIKELY TO FAIL.

China and Russia Cannot Agree as to Ownership of the Pamirs.

ST. PETERSBURG, Feb. 19.—The negotiations between China and Russia in regard to the Pamirs are meeting with serious obstacles. A satisfactory conclusion now seems improbable. The Chinese maintain that the Pamirs form part of their empire. The Russians insist that the country has been theirs since 1875, owing to their conquest of Khokand. Russia, it will be remembered, declined the proposition of a joint negotiation on the Pamir question with Great Britain and China, preferring to deal with each of these powers separately.

Condemn the House of Lords.

LONDON, Feb. 19.—Four thousand persons assembled in Trafalgar square yesterday in answer to an appeal for a manifestation against the house of lords for destroying the clauses in the parish councils bill which called for a reforming of the London vestries. The meeting, with much show of feeling, adopted resolutions condemning the house of lords for its action in this matter.

Congratulate the Government.

BERLIN, Feb. 19.—Two thousand merchants and manufacturers of the German empire met here yesterday. The assembly was presided over by a prominent liberal member of the reichstag. It was resolved to congratulate the government upon the conclusion of the treaty with Russia.

WOMEN SUFFRAGISTS.

Delegates Face the Camera Before Proceeding to Work.

WASHINGTON, Feb. 19.—The ladies attending the woman suffrage convention had their photographs taken in a group Saturday. There was a feeling that the next meeting should be held in some other city than Washington. Invitations were extended to the convention to meet in Washington, Cincinnati, Atlanta and Detroit. Fifteen minutes were allowed to the adherents of each city to present its views. Washington found a friend in Mrs. Lillie Devereaux Blake. Miss Anthony seconded Mrs. Blake. Atlanta, Ga., was finally chosen as the place for holding the next annual convention.

Four Men Killed in a Mexican Riot.

LEON, Mexico, Feb. 19.—A cocking main was being given at the City of Leon, near here last night, when a dispute arose between the owners of two birds pitted against each other. Both men drew knives and attacked each other. Two friends of the men took up the dispute and the fight became general resulting in four men being stabbed to death and several others seriously wounded.

Tuberculosis in New York Cattle.

CANANDAIGUA, N. Y., Feb. 19.—It is stated that the cattle at both the Clifton Springs sanitarium farm and the Geneva experimental station show symptoms of tuberculosis. A veterinary of this place also makes the statement that he has discovered symptoms of its presence in over 150 cattle, and ventures the assertion that one-fourth of the cows in the county are afflicted.

To Move on Chicago Next.

LANSING, Mich., Feb. 19.—Grand Commander D. A. Reynolds of the recently organized wholly political and semi-military organization known as the Ancient Order of Loyal Americans, says there are now 1,500 fully organized counties in forty-four states and territories. His next scene of operations will be Chicago, for which city he will leave to-morrow.

Digging for Entombed Miners.

WILKES-BARRE, Pa., Feb. 19.—The rescuing party at the Gaylord mine worked steadily all day yesterday and succeeded in making rapid progress. Superintendent Davis, who is in charge, is firm in the opinion that if no further obstacle intervenes some, if not all, of the men will be found dead or alive within the next forty-eight hours.

Harrison.

The Harrison party left Indianapolis for Stanford University, California, Monday last, at 11:25 a. m., going via Chicago and over the Santa Fe and Southern Pacific lines. Ex-President Harrison was accompanied by Mrs. McKee and children, his private secretary, and Rev. M. L. Haines, of the First Presbyterian Church, and he will arrive at San Jose on the Saturday following his departure.

The University will be reached on Monday and his first lecture will be delivered Wednesday, one to follow weekly until the series is completed. While at Palo Alto Mr. Harrison will be the guest of the University. The theme of his lectures will be "Constitutional Law."
