KILL TWO THOUSAND.

Zeki Pasha, a Turkish Marshal, Massa-  
cres Armenians at Sussan.  
LUXPOY, Nov. 19.—A dispatch to the  
Times from Vienna says that a letter  
has been received there from Smyrna  
reporting that Zeki Pasha, a Turkish  
marshal, with a detachment of Nizams  
and a field battery, massacred 2,000  
Armenians at Sussan. The bodies of  
the dead were left unburied and their  
presence has caused an outbreak of  
cholera. Many Christians are reported  
to have fled by secret paths across the  
Russian frontier.

So far there has been no official con-  
firmation of this news, but if it is true  
it is time the powers share in the  
responsibility by their failure to enforce  
article 41 of the Berlin treaty, which  
imposes on them the duty of seeing  
that the portentous measures to protect  
Armenians. The latter declare  
that they have got nothing from  
Europe, but that they still have confi-  
dence in Great Britain. Numerous  
appeals have been made by the Armenians  
to the British foreign office. The  
English government will no doubt be  
forced to take some action concerning  
the massacre of Armenians. Politicians  
may be unwilling, but the people, and  
especially the non-conformist  
churches, will not permit such an out-  
rage to be ignored.

French Take Akapese Stronghold.

PARIS, Nov. 19.—A dispatch from  
Grand Bassam, Upper Guinea, says the  
French have captured the stronghold  
of the Akapese natives without loss.  
Some of the Akapese warriors ap-  
parently killed fifteen negroes at  
Krinjabo. A French force attacked  
the natives and killed many of them.  
The French loss was one killed and  
many wounded. A French punitive  
expedition was then sent against the  
natives and this dispatch shows their  
mission has been successful.

Poisoned by Eating Cookies.

VANDALIA, Ill., Nov. 19.—There is  
much excitement in the neighborhood of  
Shobonier, south of here, over what  
appears to be wholesale poisoning of  
Martin Sasse, his son Herman, and  
their families, ten in all, last Friday.  
Mrs. Martin Sasse baked some cookies  
and sent some of them over to her son  
Herman. Both families partook of the  
cake and soon afterward all the members  
became ill and began vomiting.  
Two may die, but the rest are out of  
danger.

Wanted to Hang a Murderer.

NEW ORLEANS, La., Nov. 19.—Last  
night shortly before 11 o'clock Police  
Officer J. H. Kelling was murdered by a  
man who gave his name as Bernard  
Burchhorst, but this is believed to be  
fictitious. Burchhorst was arrested for  
drunkenness and on the way to the  
station shot and killed the officer. A  
determined effort to save the prisoner  
and hang him was made by a mob, but  
he was safely landed in jail.

Pfeffer and Others Are Suspended.

NEW YORK, Nov. 19.—The National  
league has struck the first blow. Fred  
Pfeffer, Billy Barnie, and A. C. Buck-  
enberger are suspended and war is de-  
clared against the new American  
association. The suspension will remain  
in force till Dec. 31, and if the accused  
fail to satisfy the board that they are  
not connected with associations an-  
tagonistic to the league they will be  
expelled.

Negroes Arm to Save Collins.

ATKINSON, Kan., Nov. 19.—The  
negroes armed themselves early last  
evening to prevent the threatened  
lynching of the negro Collins. The  
sheriff also went to the jail with a  
strong force to protect the prisoner.  
At daylight the mob dispersed. The  
talk of lynching is heard frequently,  
but no mob has gathered with such  
an intention.

Italians Are Creating Terror.

ELKINS, W. Va., Nov. 19.—The Italians  
employed on the Roaring Creek &  
Charleston railroad, about 400 in number,  
have not been paid for three  
months past, and many of them  
are on the verge of starvation and  
may become desperate. They have  
already torn up the switches at Worms-  
dorf, rendering the railroad engines  
useless, and other depredations are  
feared.

Con Riordan's Funeral Is Held.

SACRUE, N. Y., Nov. 19.—The body  
of “Con” Riordan, who met death as  
the result of a sparring bout with Bob  
Fitzsimmons on the Jacobs opera  
house stage, was yesterday placed in  
the receiving vault at Oakwood cemetery  
to await instructions from his  
San Francisco relatives. Fitzsimmons  
bore the expenses of the funeral.

To Control Camphor Supply.

TACOMA, Wash., Nov. 19.—A Jap-  
anese merchant who has just arrived  
here says Japan would have seized the  
Hawaiian Islands had it not been that  
the China-Japanese war broke out at  
the time it did. Japan will have the  
world's camphor supply cornered if it  
gets the Formosa Island.

Wanted Him to Poison Alexander.

LODON, Nov. 19.—A dispatch to the  
Times from Vienna says the papers  
there state that a man who is under  
trial for murder at Kraguyatz, Servia,  
has confessed overtures were made  
to him to poison wine intended for the  
use of King Alexander of Servia.

Accidentally Killed by His Brother.

LOUISVILLE, Ky., Nov. 19.—William  
H. Walker, aged 14 years, was shot  
and killed yesterday afternoon by his  
10-year-old brother. They were out  
hunting and the gun exploded acci-  
dentally. The wounded boy lay alone  
for an hour in the woods while his  
brother went for help. He died in  
two hours.

TO BENEFIT THE WEST.

Topics to Be Discussed at the Trans-  
Mississippi Congress.

ST. LOUIS, Mo., Nov. 19.—Arrange-  
ments practically have been completed  
for the trans-Mississippi congress to  
meet here Nov. 26 to discuss, as the  
call states, all questions which may  
affect the interests of the people in the  
territory lying west of the Mississippi  
river and which may be the subject of  
legislation by the United States con-  
gress and to express to it through reso-  
lutions and otherwise the sentiments  
of the western people. It also  
will endeavor to take such steps  
for the presentation of such resolutions  
to that body as will command its  
attention and action. While any  
such question properly may be brought  
forward for discussion among those  
most prominent are: The remonetization  
of silver, irrigation of arid and  
other lands, the disposition of Indian  
and public lands, the Nicaragua canal,  
a national bankruptcy law, the improve-  
ment of western rivers and harbors,  
anti-union legislation, mining laws,  
and admission of territories to state-  
hood.

Delegates have been appointed from  
Minnesota, Iowa, Nebraska, Missouri,  
Arkansas, Texas, Idaho, Montana,  
Washington, Oregon, California, New  
Mexico, Oklahoma and South Dakota  
and the attendance probably will be  
the largest the congress ever has had,  
and will include the most prominent  
men of the territory named.

MANY HOUSES WRECKED.

BOLTER EXPLOSION AT ELWOOD GAVE THE  
TOWN A TERRIBLE SHAKING UP.

ELWOOD, Ind., Nov. 19.—The bolter  
explosion here, which resulted in the  
death of Norman Clarke, engineer at  
the Elwood Electric Light and Street  
railway power house, did much more  
damage to property than was apparent  
at first. The loss is estimated at \$15,  
000 to the plant alone, with little in-  
surance, and the loss to private resi-  
dences will amount to \$5,000. That no  
more lives were lost is little short of a  
miracle. The plant will be rebuilt  
at one of the terminals of the line.  
President Stein of Cincinnati, who is  
at the head of the company, hopes to  
have the street cars and the electric  
light systems running again by Jan.  
15. In the meantime the city is in  
darkness, as it was lighted from the  
plant.

DRILLING WELLS A SPECIALTY!

UNITED STATES ATTORNEY JACKSON IS  
WARNED TO BE QUIET.

MUSKOGEE, I. T., Nov. 19.—United  
States Attorney Jackson has received a  
letter from Bill Cook threatening to  
kill him if he makes any further at-  
tempt to exterminate the gang. The  
force of deputies under Deputy United  
States Marshal McGill, who were  
equipped by United States Attorney  
Jackson at his own expense, and the  
citizens here, are loud in their praise  
of him. His instructions to the men  
were to remain in the field until the  
gang had been either killed or cap-  
tured. The report that Cherokee Bill  
was badly wounded in the battle with  
the deputies has been verified. Cherokee  
Bill's band, it is said, is surrounded  
and can only escape by fighting  
through the deputies' lines.

ROBBERS FOILED BY THE ENGINEER.

VICKSBURG, Miss., Nov. 19.—As the  
Yazoo and Mississippi Valley express  
train was leaving Pantherburn station,  
sixty miles north of this city, at  
11 o'clock last night three white men  
signaled the train to stop, using the  
switch light for the purpose. En-  
gineer Heiner, suspecting something  
wrong, kept on at about fifteen miles  
an hour. The would be robbers, seeing  
he was not stopping, poured a volley  
of pistol shots into the cab and  
train. Fireman George Cole received  
a flesh wound in the left arm and another  
shot grazed his temple. The engineer  
opened the throttle when the  
shooting began and soon left the  
robbers behind. Gov. Jackson of Iowa  
and party, who have been hunting in  
the Delta, were on the train.

SHELBYVILLE (IL) RECORDS DAMAGED.

SHELBYVILLE, Ill., Nov. 19.—A fire  
occurred in the county clerk's office in  
the court house early yesterday morning  
and, extending to the treasurer's office  
and the rooms above, entailed a  
heavy loss. The damage to the  
records in the clerk's office is almost  
beyond computation, it being impossible  
to duplicate some of them. Some  
believe the fire was of incendiary  
origin, though no motive for such a  
crime is now apparent.

YES BEATS SCHAEFER AND RANS 331.

NEW YORK, Nov. 19.—Frank C. Ives  
was the winner of the fourteen inch  
ball billiard match with Jacob  
Schaefer which ended at New York  
Saturday night. Schaefer made a great  
final effort, but Ives' work was phe-  
nomenal. He ran 331, breaking all  
records with the “anchor” rule.  
Schaefer ran 101 and 235 and averaged high.  
Score was: Ives, 3,600; Schaefer, 3,074.

TRAIN WRECKERS CAUSE A DEATH.

CROWLEY, La., Nov. 19.—A suc-  
cessful attempt at train wrecking was per-  
petrated late last night on the branch  
road four miles south of Ennis. The  
obstruction caused the engine, baggage  
car, and passenger coaches to turn  
over. Fireman S. G. Elger was killed  
and Engineer Joseph M. Aulden  
seriously injured.

CARDINAL GIBBONS WILL WAIT.

ROME, Nov. 19.—Cardinal Gibbons'  
departure from the United States has  
been indefinitely postponed, and it is  
authoritatively stated that his emi-  
nence will remain absent from Rome  
until after the papal encyclical ad-  
dress to the Catholics of the United  
States.

PRISONERS ROB THE SHERIFF.

CAXON CITY, Colo., Nov. 19.—Two  
prisoners, Hutchins and Furman, es-  
caped from the county jail early yester-  
day. They cut their way through  
the ceiling and broke through two iron  
doors. They entered the sheriff's office  
and stole four revolvers and a certificate  
of deposit for \$200.

LIFE CONVICT ESCAPES IN WYOMING.

LARAMIE, Wyo., Nov. 19.—John Tre-  
gating, a convict serving a life  
sentence in the state penitentiary for the  
murder of George B. Henderson in  
Fremont county in 1881, escaped in  
some manner unknown yesterday after-  
noon during a snow storm. Warden  
Adams has offered \$500 reward for the  
apprehension of the prisoner.

MISCREANTS ATTEMPTING TO BLOW UP THE  
TOWN WITH DYNAMITE—BILL COOK  
WRITES A THREATENING LETTER TO A  
STATE'S ATTORNEY.

BUFFALO, N. Y., Nov. 19.—The  
isolated town of Andover, in Allegany  
county, has been treated to an exciting  
experience in the last three days. Early  
Friday morning the village was awoken  
by an explosion which shook the windows  
in the farm houses all around. The big  
frame building used by Charles Cookman  
as a storage warehouse had blown up. There  
was no fire in it and no oil or explosives  
were stored there. The building had  
evidently been torn to pieces by the force  
of dynamite or some other explosives.  
At noon carpenters at work on the house  
of L. G. Van Vleet found a stick of dynamite  
attached to a half burned fuse under  
the house, and this confirmed the opinion  
that dynamite was used on the store  
house.

A meeting of citizens was held and a  
committee appointed to discover the  
perpetrator of the outrage. Yesterday  
Harrison Bundy went into his barn  
and found another stick of dynamite and a  
half burned fuse on the floor. Andover is in  
a state of terror. The streets are patrolled  
at night by volunteers and every effort is  
being made to locate the miscreant. Rewards  
have been offered but have brought no new  
evidence.

BILL COOK THREATENS BY LETTER.

UNITED STATES ATTORNEY JACKSON IS  
WARNED TO BE QUIET.

MUSKOGEE, I. T., Nov. 19.—United  
States Attorney Jackson has received a
