

# THE BIG STORE

## ARE YOU GETTING READY FOR COLD WEATHER?

For months past we have been getting ready for it. The highways and byways of Europe and America have been ransacked by our agents, and our own buyers, for the somethings our customers will need. Somethings we can sell and make money. Somethings you can buy and make money. Have we succeeded? The largest and best assorted stock of staple and fancy dry goods in this section has been gathered together in our store, and the liberal trade we have enjoyed for the past few weeks is proof that we have succeeded.

## A WORD ABOUT BLANKETS.

Our stock of Blankets is larger than ever before. Immense purchases in this line direct from the mills at spot cash have given us several lots on which we will not only surprise our customers, but our competitors. For instance:

50 prs strictly all wool, full size, ten quarter blankets in white, scarlet, gray and sanitary, worth \$3.25..... \$2.59  
50 pr plain white, scarlet, gray and plaids in black and white and scarlet and white, large size and every ounce wool, actual value \$3.50, at..... \$2.98  
25 pr extra large size, strictly all wool, fine soft quality and a regular \$5.00 value, we offer at..... \$3.98  
This year we are showing several styles in the Yountsville goods. This is our first season on these

goods and we wish you to call and see just how much business on a large scale and up-to-date merchandising will save you on a staple article. We also wish to call your particular attention to a line of German Jacquard Blankets shown for the first time in the city. They are entirely different from anything heretofore offered. The colors are delicate and permanent. They are non-shrinkable and soft as Eiderdown. The prices are not low but taking into consideration their durability they will prove cheap in the long run. Some samples may be seen in our window.

## COLD-DEFYING UNDERWEAR.

Our underwear for ladies and children is of better weight and quality for the price than ever before. More attention has been paid to the finish and improvements in the shape are noticeable. You will really be surprised at the values we offer in single garments at 25c, 35c and 50c, and Union Suits at 50c, 75c and \$1.00.

## THE CLOAKS.

Are moving out rapidly under the pressure of the recent chilly weather and the low prices we have put on up-to-date styles. Last season we sold nearly three thousand garments and carried over but about forty. This insures all new goods for this season's trade.

## AS REGARDS WASH GOODS.

The fleece back printed wash stuffs of which we show a handsome line are in great favor for wraps, house dresses and dressing saques. They are beautiful in design, comfortable in weight and low in prices. It is not hard to account for their popularity. We also show handsome designs in the popular Swansdowns. We offer for next week a special bargain in Satines. Here is the story:

25 prs 30 inch Satines, fast back grounds with beautiful printings, 10c Yd.  
floral and persian designs, good quality, worth 15c yd, at.....

## THE NECESSARIES.

We are showing a splendid line of flannels, skirts, skirt patterns, canton flannels, etc. Here are some prices for your consideration.

Full yord wide Canton Flannel worth 12½c, at 10c yd.  
Extra heavy mottled domets, 3 shades, worth 12½c, at 10c yd.  
Slate or brown Canton Flannels worth 7½c, at 5c yd.

### Mr. Bryan Here.

Hon. W. J. Bryan on his way to Terre Haute from Lafayette for about 15 minutes and from a platform near the Main street crossing of the Monon railway addressed a great crowd of people. His appearance were greeted with loud cheers, and in the short time he was here his remarks on the political subject, money, was frequently applauded. Mr. Bryan's pictures scattered profusely through the land, bear a close resemblance to him. He is a fine appearing man. His wife accompanied him on his present tour. He speaks all of next week in Illinois, three days of it, in Chicago.

### Stolen Goods.

It now looks like all the goods stolen in this county during the past two or three months can be traced to the Clevenger gang, now in jail at Crawfordsville. It has been learned that a set of harness stolen from Mr. Kelly, and some horse brushes and other articles from Vode Lucas were taken by them and it is likely the goods will be turned over to the rightful owner, as they are at Crawfordsville, with other plunder taken by the gang.—Kokomo Tribune.

### Four of Them.

There are four of the Coleman gang in jail at this time and their chances for being landed behind the walls of the northern penitentiary seem decidedly bright. One of them it is said proposes to plead guilty and take the medicine given him without further trouble. Their trials will not occur for some weeks yet, probably not until December.

### Happily Married.

Mr. William M. Welch and Miss Sarah B. About, of Parkersburg, were married on the evening of the 21st, inst., by Rev. G. W. Stafford, at his residence east of the fair grounds. This interesting young couple belong to the best class of society in the county, and enter on married life with the brightest prospects before them.

### Marriage Licenses.

Samuel R. Brown and Mintie R. Stout.  
Michael G. Kelly and Mary E. Slatery.  
William M. Welch and Sarah B. About.  
Benjamin Crane and Mary E. Campbell.

### Fruit Trees for the Poor Farm.

A bill of fruit trees, consisting of apples, pear, cherry and other varieties, was received this week at the county poor farm from a northern nursery, and have already been planted. It is somewhat strange that this had not been done some years since.

### A Stolen Buggy.

The buggy of Dr. Bowers of Frankfort, it is reported by a Frankfort paper, was stolen by one of the Coleman gang now under arrest and was brought to Crawfordsville during one of their raids from a chicken-stealing expedition. The doctor was here after his property one day this week.

### Free Bread Lesson.

Mrs. Emma P. Ewing, Dean of Chautauqua Assembly Cooking School, will give a free lesson in bread making at Y. M. C. A., hall Saturday, Oct. 24, at 2:30 p. m. Octave Thauet, the novelist, says: "Mrs. Ewing knows more about bread than any other woman in the world."

Teachers' examination will occur Oct. 31.

Miss Mabel Hutton has returned from Milford, Conn.

There were about a dozen fights last Saturday, but not an arrest was made.

Dick White, ten years ago a clothing merchant here, was in town on Thursday.

Remember the rally at Darlington on Monday. Michael Foley will be the orator in the evening. Several from here will attend.

Small boys set fire to all the brush on north Washington street Monday which came very near resulting in the burning of several houses.

Leon McQuillen, the ex-grocer, has bought out the Hale restaurant in Music Hall building and assumed charge on Wednesday.

T. E. Ballard has returned from Parke county where he has been making political speeches. He had very large crowds wherever he spoke.

Notwithstanding the big rally of today there was an immense crowd in town on Thursday to see Bryan, and many of the stores did a good business.

Candidates of both parties complain greatly of the importunities of debtors, who beg them for anything from a dime up to paying their gas bill for a month.

Dan Simms, of Covington, will address the democracy of New Richmond and vicinity on Monday night, Nov. 2nd, the last speech in that locality before the election.

### INSTRUCTIONS TO VOTERS.

If you want to vote a STRAIGHT DEMOCRATIC TICKET, stamp within the big square containing the ROOSTER at the top of the ticket, and stamp nowhere else.

Remember:

1. You must get your ballots of the polling clerks in the election room.

2. If you want to vote a straight ticket, stamp within the large square at the head of the ticket containing the device of the party for whose candidates you wish to vote. If you do not wish to vote a straight ticket you must not stamp the large square containing the device of your party, but you must stamp the small square to the left of the name of each candidate for whom you desire to vote, on whatever list of candidates it may be. If the large square at the head of the ticket is stamped, and the ballot is stamped at any other place, it is void and cannot be counted, unless there be no candidate for some office in the list printed under such stamped device, in which case he may indicate his choice for such office by stamping the square to the left of the name of any candidate for such office on any other list. The stamp must be placed within or on the square or the ballot is void and cannot be counted.

3. Do not mutilate your ballot, or mark it either by scratching a name off or writing one on, or in any way, except by the stamping on the square or squares, as before mentioned. Otherwise the ballot will not be counted.

4. After stamping your ballots, and before leaving the booth, fold them separately, so that the face of them cannot be seen and so that the initial letters of the names of the polling clerks on the backs thereof can be seen. Then hand your ballots to the inspector, the stamp to the polling clerk, and leave the room.

5. If you are physically unable to stamp your ballots, or can not read English, so inform the polling clerks and tell them how you wish to vote and they will stamp your ballots for you. But the voter and clerks should not permit any other person to hear or see how the ballots are stamped, and it is a penal offense to declare that you can not read English or cannot mark your ballot, if, in fact, you can.

6. If you should accidentally or by mistake deface, mutilate or spoil your ballot, return it to the poll clerks and get a new ballot.

7. You must not accept a ballot from any person outside of the election room. Any ballot outside is fraudulent, and it is a penitentiary offense to have such a ballot in your possession whether you attempt to vote it or not.

8. You must not attempt to hold any conversation in the election room except with members of the election board and the poll clerks.

9. You must not put any mark of any kind on your ballot except with the stamp.

10. You must not put any mark of any kind on your ballot except with the stamp.

### A Money Maker in Hard Times.

I have for the past five years had a pretty hard struggle to make a living, but about three months ago I began selling self heating flat irons and have made from four to five dollars every day, which I think is pretty good for an inexperienced woman, my brother is now selling irons and makes more than I do but he has sold other things and is more experienced. The iron is self-heating, so it is the proper heat all the time; and you can iron in half the time you commonly do and have the clothes much nicer, you can iron out under a tree or in any cool place and one cent's worth of Benzoin will do an ordinary ironing so you save the price of the price of the price of the iron in a few weeks. By addressing W. A. Baird & Co., Station A., Pittsburgh, Pa., you can get full particulars, and I know any one can do splendidly any where. We sell at nearly every house and any woman that irons once with a self heating iron will have one, as it saves so much labor and does so much better work. Mrs. M. B. Sept. 5-13w.

Cairo streets are now adorned with trolley cars.

### The New Hook Spoon Free to All.

I read in the Christian Standard that Miss A. M. Fritz, Stanton, A. M. St. Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten 5-cent stamps. I sent for one and found it so useful that I showed it to my friends, and made \$13.00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into the dish or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending ten 5-cent stamps to Miss Fritz. This is a splendid way to make money around home. Very truly,

JEANNETTE S. Sept. 5-13w.

Germany, hitherto practically a rye-eating country, is rapidly going over to wheat bread.

Robert J. Tolbert, head clerk at the New Filbeck hotel, Terre Haute, is alleged to be a defaulter. He was arrested on complaint of Landford Filbeck, charging grand larceny. The money alleged to be taken belonged to a guest and had been left in the clerk's care. Tolbert says he borrowed it with the guest's knowledge and consent, but this claim is not confirmed. The defendant is in jail, having been unable to give bond. He is thirty-five years old, and was recently married to a Vincennes girl. He was formerly clerk in the Laplante hotel of that city and later lived at Evansville. He was intoxicated when arrested.
