Some unknown person enjoyed a buggy ride at D. W. Long's expense Saturday night. Dave had gone to New Richmond that night to hear the band play. When he went to get his rig to go home it was gone, the only trace of it being the halter, which had been unbuckled and thrown across the hitch rack. A search was made over town but the rig could not be found. He then started home with Mat Murphy, and met the horse on the road. He was still hitched to the buggy and everything was just as it had been left except the horse had been left unreined and when found was reined up. The horse had come from the west and turned in at H. Long's. The horse had been driven hard, and no doubt had the owner found the person who was taking so much privilege it wouldn't have been a happy meeting for him.

A Notable Amusement Event.

JOHN ROBINSON'S ever popular and ever-welcome shows comes to us this year with such important accessions and augmentations as to overshadow all contemporary amusement ventures. They have not only materially strengthened their ring and hippodrome performances, and largely added to their already vast menagerie, but are producing an astonishing new feature, which can but commend itself to all classes of patrons. We allude to the grand biblical spectacle of "Solomon, his temple, and the Queen of Sheba." Unerring in historical accuracy, faithful in scenic delineation, realistic in depiction of incidents and events, impressively grand in pageant effects, magnificent in costumes and appointments, entrancing in musical features, bewitching in beautiful ballets, and exciting in games and chariot races, this unprecedentedly sublime spectacle will commend itself to every visitor. The show will exhibit at Crawfordsville on Friday, July 7.
