FAMILY CARES.

This information may be of value to many a mother in Decatur.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition can be quickly changed and absolutely cured by the use of Doan's Kidney Pills. When this is known the mother's burden will be lighter and her home happier.

Mrs. N. Case, living at 604 Russell street, Decatur, Ind., says: "In 1902 I gave for publication a statement recommending Doan's Kidney Pills, because they had cured my little girl. She had been troubled for fifteen or twenty months with her back and whenever she caught a slight cold, it always settled in her back. She was constantly complaining of a dull aching pain over her kidneys. I gave her several remedies that were highly recommended for such trouble but they gave little relief. I saw Doan's Kidney Pills advertised and got her a box at the Holthouse Drug Co.'s store. They cured her and until this day there has been no return of the complaint. My husband has also used Doan's Kidney Pills for pains across his loins and they cured him. Doan's Kidney Pills have my endorsement."

MEN PAST SIXTY IN DANGER.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old."
