"PNEUMONIA'S DEADLY WORK"
had so seriously affected my right lung," writes Mrs. Fannie Connor, of Rural Route 1, Georgetown, Tenn., "that I coughed continuously night and day and the neighbors' prediction—consumption—seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the real remedy. Guaranteed by Blackburn druggist. 50c and \$1.00. Trial bottle free.

Trial treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people, without a penny's cost, the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by W. H. Nachtrieb.

Henry E. Jones, of Tampa, Fla., writes: "I can thank God for my present health, due to Foley's Kidney Cure. I tried doctors and all kinds of kidney cures but nothing done me much good till I took Foley's Kidney Cure. Four bottles cured me, and I have no more pain in my back and shoulders. I am 62 years old, and suffered long, but thanks to Foley's Kidney Cure I am well and can walk and enjoy myself. It is a pleasure to recommend it to those needing a kidney medicine."

DOING BUSINESS AGAIN.
"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and am still gaining daily." Best of all tonic medicines. Guaranteed by Blackburn druggist, 50c.

DEMOCRAT WANT ADS. PAY.

If you and your wife could just see the wheat fields and the vegetables growing on North Dakota farms, you would not rest a minute until you had secured a few acres of North Dakota land. You know how ambitious your wife is for your success, and how proud of you she will be if you are an independent and contented land owner. You have great hopes for the future. You want to improve your credit and prepare for old age. You want the confidence and respect of your wife and children. The ownership of good land will put you on this footing right from the start and the land will grow in value on your hands.

It does not take a fortune to buy land in North Dakota. It takes only a few hundred dollars down, and you have the money. You may have \$1,000 worth of personal property on a rented farm. You can sell that and turn it into ready cash. This will make your first payment on your land and give you enough money for your improvements and your seed to start with. We furnish stock on shares.

Don't imagine for one minute that you will be uncomfortable on account of the cold. Providence has placed unlimited quantities of coal right under the rich soil in Northwestern North Dakota. We can sell you a farm in Hastings County underlaid with coal. It costs only the digging and the hauling. There are good neighbors and good schools, and a fine, beautiful climate: good water, pure and plentiful, and the sun shines longer every day than in the older states.

OUT THEY GO
The first step may seem a mountain to you. Be a man. Make the start. Get on the train and go. Allow nothing to interfere with your going. Own a farm of your own. Talk it over with your wife. Write us that you are going out to look at the country and get the evidence at first hand from men and women who have proved what North Dakota really is. We own 100,000 acres of choice wheat land that we are selling at \$12.50 to \$18 an acre. One or two crops will pay for your farm—and then you will have 100 or 200 acres that is yours outright. Write today!
