

THANKSGIVING

We find no better time to extend our thanks to the many people who have given us their patronage during the past year. We have tried to deal honestly and fairly with you and give you a dollar's worth of service for the dollar spent in our store. We trust this will in itself bring you back the coming year, where good goods and prompt attention awaits you. We will close our store for the entire day.

The Packard Music House of Decatur

Is a salesroom, selling direct from the Packard factory at Ft. Wayne, to the consumer. We are in position to sell you a better piano or organ for less money than the small dealer, who buys one or two instruments at a time. Besides the instrument you buy of us, has the Packard factory back of it, and your banker will tell you that no better guarantee is needed, because the Packard factory has been turning out satisfactory instruments for nearly half a century, and hardly any neighborhood can be found but that the Packard Music House has a number of pleased customers, all of whom will recommend the Packard instruments.
