### Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is a tonic and internal treatment. The Restorative reaches throughout the entire system, feeding the repair of all nerve, all tissue, and all blood elements. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, cures nervous debility, gives renewed vigor and ambles, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Thus Dr. Shoop's Restorative—Tablets or Liquid—acts generally on the system. For positive local help, use as well.
