Because they stole a march on the fair co-eds of Indiana university and witnessed a dance at which the young ladies were attired in male apparel, five of the male students are in danger of expulsion from the state institution. They gained entrance to the hall and viewed the affair from the rafters. When they took their departure they dropped a line to the floor stating that they had enjoyed the dance. Then in their hurry to escape one of the young curiosity-seekers left his overcoat, which was recognized. The frolic may result in their retiring from the student body. —Columbia City Post.

The federal treasury closed its February business with a deficit of nearly nine million dollars. For the fiscal year the deficit amounts to more than twenty-seven millions, and the outlook is not described as being any improvement in sight. This prosperity and a full dinner pail will certainly have to be tabooed.

Hon. Abe Simmons, of Bluffton, was in the city. While he was in no way presenting his candidacy for delegate at large to the Denver national convention, yet several hundred of the Adams county untrified took advantage of the occasion to manifest the desire that Mr. Simmons be successful.

The "third term" Roosevelt league have opened headquarters in Washington within good training distance of the white house, and now another installment of flaming red hot messages are expected to jar the members of congress into taking notice thereof.

Hon. Ed. V. Fitzpatrick, clerk of the supreme court, was here, ostensibly to boom the candidacy of Uncle Nate Hawkins for congress. With all his boomer nothing cracked. Shades of the machine, what next?

Uncle Nate's latest card—the Democratic press are united and everlastingly against me, because they fear my great eloquence and strength. 'Tis sad, but true. What a deep and masterful thinker.

The Barthel-Keller case in which \$5,000 was asked for damages, Mr. Barthel claiming an interest in the Keller incubator patent, which went to the jury at noon Tuesday was completed at about four o'clock in the afternoon when a verdict was returned, giving defendant judgment, thus assessing the costs to the plaintiff. According to the statements made his crime was a bold and dastardly one. The case will likely go to the jury on Friday. The state is represented by Prosecutor Emshwiler, of Hartford City, Charles Dailley, of Bluffton, and H. B. Heller, of this city. Attorneys for the defendant are Philip A. ### STILL A PUZZLER

Congressman Adair Endorsed by His Home County of Jay

### EVERYONE WONDERS

Whether or Not He is a Candidate for Governor

—

The endorsement for the gubernatorial nomination of his party by the Democrats of Jay county puts Congressman John A. M. Adair, of Portland, in a more uncertain light than ever before the district. Adair has time and again appeared in public print with the statement that he is not a candidate for first place on the state ticket, but that he is willing quite naturally, to accept the nomination, should the convention, to be held in a few weeks, select him as the party's standard bearer in Indiana next November. But politicians are asking if he is not an avowed candidate, why should his home county come out in such a positive manner and give him the customary, regular and important boost that all candidates habitually receive when they are grooming themselves for an important public birth. That is one of the two great political problems in the Eighth district still unanswered. Will Adair strive for the gubernatorial nomination or will he seek a second term in the national legislative body? This is one of the pair of stupendous political conundrums that are interesting every voter in this district and bringing not a few of them who are planning to help say what will be done and what will not be done in affairs.

### FAMILY CARES.

This Information May Be of Value to Many a Mother in Decatur.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition can be quickly changed and absolutely cured by the use of Doan's Kidney Pills. When this is known the mother's burden will be lighter and her home happier.

Mrs. N. Case, living at 604 Russell St., Decatur, Ind., says: "In 1902 I gave for publication a statement recommending Doan's Kidney Pills, because they had cured my little girl. She had been troubled for fifteen months with her back and whenever she caught a slight cold, it always settled in her back. She was constantly complaining of a dull aching pain over her kidneys. I gave her several remedies that were highly recommended for such trouble, but they gave little relief. I saw Doan's Kidney Pills advertised and got her a box at the Holthouse Drug Co.'s store. They cured her and until this day there has been no return of the complaint. My husband has also used Doan's Kidney Pills for pains across his loins and they cured him. Doan's Kidney Pills have my endorsement."

### OBITUARY.

Sidney S. Sheets, son of Noah and Nancy Sheets, was born March 22, 1890, and departed this life February 27, 1908, aged 17 years, 11 months and five days. He leaves to mourn their loss a mother, three sisters and three brothers; his father, four sisters and two brothers having preceded him to the better world. He was a faithful Sunday school scholar and a member of the Epworth league. He was the light and life of his home where he will be most missed. Kind hearted and cheerful in disposition he made friends readily and many are sad hearts today who weep in real sympathy with the bereaved family. After the recent death of his father, Sidney, although young in years, seemed to feel the great responsibility that rested upon him and did all that he could to comfort and support the other loved ones in the home, until he was taken ill a few months ago from which he never recovered. He bore his affliction with great patience and was never known to murmur or complain. During his illness he felt the need of Christ and accepted him as his Savior. He was baptized and became a member of the Mt. Pleasant M. E. church. He trusted God to the end and died triumphantly. The one verse of scripture that so greatly comforted him during his affliction was "Yea thought I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me."
