Boss Cromer is a puzzle. He hasn't said out loud whether or not he is going to be his own candidate for congress. Consequently he has the other candidates, or most of them, in hot water. Senator Hawkins, however, knows he has it cinched, because he has made a "Strong Bid." He is, and always has been, on decidedly intimate terms with G. W. Cromer—he even had Cromer's Muncie Observer office print his booklets—and he is slated as the candidate provided Cromer decides to not be a candidate.—Portland Sun.

One man offered to furnish Marion county with boilers for a power plant for \$15,000. Another put in a bid for \$21,000. The high bidder got the contract. A grand jury indictment now charges that two commissioners received a bribe of \$3,800 in the transaction, and these two and the alleged briber are under arrest. Many other startling revelations are expected and a political upheaval in Marion county is as certain as anything can be that has not already taken place.

When you pay your taxes it won't hurt to remember that, among other

things, the last legislature added \$320,000 to the taxpayers' burden by creating new offices and increasing the salaries of old ones. The yearly cost of the state auditor's office alone was raised from \$19,000 to \$51,000—other things were in proportion, and without reference to the needs of the state's business.

The death of Andrew Hamilton, the handler of the New York insurance companies "yellow dog" fund, recalls the fact that the republican national committee has not yet returned to the insurance companies the widows' and orphans' money stolen by crooked officials and donated to the campaign fund in 1904.

Hon. Robert W. Miers, of Bloomington, will preside at the state convention and sound the keynote for the Democrats. Bob Miers can sound keynotes, and they will be the sort that will kindle patriotism and pride in the breasts of those who believe in the simple faith of democracy.

THEY KNOW IT.

Thousands of people throughout the country know that the ordinary remedies for Piles—ointments, suppositories and appliances—will not cure.

The best of them only bring passing relief.

Dr. Leonhardt's Hem-Roid is a tablet taken internally that removes the cause of Piles, hence the cure is permanent. Every package sold carries a guarantee with it.

It is perfectly harmless to the most delicate constitution. A month's treatment in each package. Sold for \$1.00 at Holthouse Drug Co., or Dr. Leonhardt Co., Niagara Falls, N. Y.

David Basiger and daughter, Mrs. Katherine Zimmerman left at noon for a visit at Berne with relatives.

THAT GREAT MAP

A Second Shipment of the Much Talked of Chart Has Been Received

FOR OUR SUBSCRIBERS

A Great Opportunity to Secure One Absolutely Free of Charge

Owing to the fact that the first allotment of maps that were compiled for the subscribers of the Daily Democrat have been given away to the large number who have paid their subscription one year in advance, we just recently received another large shipment in order to supply every one of our large list. This new library wall chart is so complete, accurate and practicable that none of our subscribers can afford to miss the golden opportunity of getting one. They are given away absolutely free of charge in token of our appreciation of the patronage of the people. For reference work, for students, teachers, county superintendents, insurance men, farmers, and in fact for every person who cares to know facts concerning Indiana, United States, our island possessions, the world, the Panama canal, this chart is unexcelled. It gives the principal countries of the world, their capitals, area, population, national debts, expenditures, commerce and revenues. It also gives a full description of the Hawaii, Philippines, Porto Rico and Alaska. The thirteen original colonies are plainly shown beside a historic sketch of the Panama canal from the time the first shovel of dirt was excavated until the present time, giving full description of the manner in which the work is being done and the instruments that are being used, beside the estimated cost and time it will be completed. We have but mentioned a few of the features of this great chart and would not attempt to detail its innumerable good qualities. We invite any one who cares to see the best and most complete six page map ever compiled to call at our office and inspect it. For the benefit of our subscribers who live in Ohio we have a number of charts containing a large map of Ohio, showing the counties, congressional districts, railroads, interurbans, etc.

FAMILY CARES.

This Information May Be of Value to Many a Mother in Decatur.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition can be quickly changed and absolutely cured by the use of Doan's Kidney Pills. When this is known the mother's burden will be lighter and her home happier.

Mrs. N. Case, living at 604 Russell St., Decatur, Ind., says: "In 1902 I gave for publication a statement recommending Doan's Kidney Pills, because they had cured my little girl. She had been troubled for fifteen months with her back and whenever she caught a slight cold, it always settled in her back. She was constantly complaining of a dull aching pain over her kidneys. I gave her several remedies that were highly recommended for such trouble, but they gave little relief. I saw Doan's Kidney Pills advertised and got her a box at the Holthouse Drug Co.'s store. They cured her and until this day there has been no return of the complaint. My husband has also used Doan's Kidney Pills for pains across his loins and they cured him. Doan's Kidney Pills have my endorsement."

For sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

STETSON'S UNCLE TOM'S CABIN

Stetson's Great Double Spectacular production of "Uncle Tom's Cabin" is booked at the Bosse opera house for Thursday, March 12. The way this old drama has been mercilessly butchered by the "fly-by-night" companies in the past makes one marvel that it has not long ere this lost its power of attracting people to a play house, and indeed it has, except when Stetson's company comes to town. The public has grown to know Stetson's and to know that it alone lifted "Uncle Tom's Cabin" from mediocrity to mastery. In short, it is the only company presenting this American classic with capital enough, with sufficient scenery, people and railroad equipment. Stetson is the only one giving it the needful environment to ensure a perfect representation; and no more enjoyable entertainment will be seen on the local boards than Stetson's "Uncle Tom's Cabin." Specialties galore, wonderful mechanical effects, new costumes and a splendid orchestra will be in evidence.

REPUBLICAN CALL.

Pursuant to the call of the Republican state committee and the Republican district committee of the state of Indiana, and the Eighth congressional district, the republicans of Adams county are requested to meet in mass convention on Saturday, March 31, 1908, at the hour of 10 o'clock a. m., at the court house in the City of Decatur, Indiana, for the purpose of selecting seven delegates and seven alternates to the Republican state convention to be held in Indianapolis, Indiana, on the 1st and 2nd days of April, 1908, at which time and place a state ticket will be placed in nomination to be voted for at the coming election in November; also to select delegates and seven alternates to the district convention of the Eighth congressional district to be held at Anderson, Indiana, on Thursday, March 26, 1908, at which time and place a nomination will be made for congressman to be voted upon at the coming election in November.

The republican county committee has districted the county into seven districts for the purpose of selecting said delegates, each district being entitled to one delegate and one alternate to each convention, apportioning one district to every two hundred votes cast for Fred Simms for secretary of state as follows, to-wit:

Union, Root, Preble and Kirkland townships to form District No. 1; Second and Third ward in the city of Decatur to form District No. 2; First ward, city of Decatur and A. and B. precincts Washington township to form District No. 3; St. Marys township and North Blue Creek precincts to form District No. 4; Monroe and French townships and town of Berne to form District No. 5; Wabash township and town of Geneva to form District No. 6.

Each district will ballot separately as in former years. All Republicans are invited to attend this meeting including minors who will be old enough to vote at the election in November.

At the same time and place the Republican voters of Washington township will meet to place in nomination a township ticket to be voted for at the ensuing election in November. The polls will be kept open for the election of the delegates and alternates from 10 to 11, and for the election of the Washington township ticket from 10 to 12.

J. M. FRISINGER, Chairman.
F. L. LITTERER, Secretary.

Roy Heller, of Kirkland township, transacted business in our city today. Mrs. C. M. Kenyon, of Fort Wayne, returned to her home at Fort Wayne this morning after attending a meeting of the Shakespeare club, and while here she was the guest of Mrs. A. B. Holloway.

A FILTHY CONDITION

Many a man, otherwise scrupulously clean is dandruff dirty. The small persistent germs of dandruff working all day as well as night are constantly throwing off the small white dandruff scales which falling on the shoulders of a coat gives it a filthy appearance, which is repulsive to the friends of the victim.

Many men allow this condition to exist because they believe there is no cure for dandruff; they have tried various so called cures with unsatisfactory results and naturally condemn all. They have never heard that so far back as 20 years ago Dr. Giroux, the foremost dermatologist of France discovered and compounded a formula that since that time has cured thousands upon thousands of the most chronic cases of dandruff in anywhere from three days to two weeks.

This famous prescription of Dr. Giroux's is called Parisian Sage and is now put up in America, but only by the Giroux Mfg. Co., of Buffalo, N. Y. It is for sale in Decatur by Holthouse Drug Co., who guarantees it to cure dandruff in two weeks or money back.

Parisian Sage is guaranteed to do more; it will make short thin hair grow long, lustrous and luxuriant; it will stop hair falling out; it will cure all diseases of the scalp. Holthouse Drug Co. guarantees it—every bottle of it. The price is only 50 cents and if you want to stop the filthy dandruff flakes from lodging on your coat and disgusting your friends, get a bottle at once.
