Every time a person licks a United  
States postage stamp he gets a taste  
of sweet potato, says the New York  
Sun. The gum with which the stamps

lent vegetable because Uncle Sam's  
lieutenants consider it the most harm-  
less preparation of the sort.

It may not be generally known to pa-  
trons of the telephone companies on  
rural lines that it is a crime to di-  
vulge any conversation overheard on  
the lines which is intended only for  
the parties talking. It has so been de-  
cided by the supreme court of the  
state of New York. So if you should  
"happen" to hear anything, you had  
better keep it to yourself.

A North Judson woman was re-  
cently taken violently sick just as  
she had finished preparing dinner for  
her family. The pain was so extreme  
that the doctor placed her under the  
influence of chloroform. As soon as she  
lost consciousness she thought herself  
in heaven and the family physician  
heard her say: "No, John, I don't want  
it, take it away. I don't want that  
harp. Just give me a dishpan and a  
bushel of potatoes and I will cook for  
all heaven. There are only ten people  
here, anyway."

With \$6,000 in premiums and \$9,000  
in purses and stakes the Great Fort  
Wayne Fair from September 15 to 19  
will have the biggest exhibition in its  
history. The most attractive amuse-  
ment enterprises have been secured  
for the pike and the railroads and  
trolley lines will offer tempting rates.

John S. Meyers, who lives south of  
town a mile and a half, yesterday  
picked five peaches which weighed an  
even pound, one of them alone weigh-  
ing four ounces. Not bad for the  
Adams county crop.
