Creditors of Abe Brubaker, who was cashier of the Kosciusko county bank at Warsaw when its doors were closed by the state authorities last June, have filed a petition in the federal court asking that Brubaker be declared a bankrupt. The complainants are the Indiana Loan and Trust company, \$4,000; the Lake City bank, \$6,000 and Ellen Elwood, \$175, all indebtedness on notes.

The Terre Haute Tribune, an independent newspaper with Republican proclivities, manifested quite a disposition during the past week to support Bryan for the presidency. Whether it will hold out in making friendly allusions to the Nebraskan will be watched with keen interest—South Bend Times.

Mr. Roosevelt has not yet discharged himself. If he held a smaller office, his "pernicious activity" would cause him to lose his job. Just suppose a president had packed convention with officeholders and was prostituting his high office to elect his "Me Too" to the presidency when Roosevelt was a civil service reformer—my, my, how blue the air would be with denunciations of such usurpation by Civil Service Commissioner Roosevelt!!!

Next to a woman scorned, Hell hath no fury like a party balked of its prey. The Republicans take the cue from their chief. They, too, are in a rage.

Rexall
"93" HAIR TONIC

Our faith in the superior remedial qualities of Rexall "93" Hair Tonic is so strong that we promise to return your money—without question or quibble—if it does not do what we claim it will.

Because it contains Resorcin, Beta Naphthol, Pilocarpin, Betax, Glycerin and Alcohol in perfect combination, Rexall "93" Hair Tonic provides the softening, cleansing, antiseptic, germicidal, stimulating and nourishing properties, so desirable and necessary for the successful treatment of scalp and hair troubles.

If used according to directions for a reasonable length of time, we are absolutely positive that it will thoroughly cleanse the scalp and hair, relieve irritation, eradicate dandruff, stimulate the hair follicles and papilla, revitalize and nourish the hair roots, stop falling hair, prevent baldness, promote hair growth and make the hair naturally soft and silky.

You must realize that we would not dare back up our claims with such a liberal offer unless we were positive that we can substantiate our statements in every particular, and the most skeptical person should at least be willing to try Rexall "93" Hair Tonic at our risk.

DECATUR, INDIANA.

Whichever way they turn defeat stares them in the eye. The Democrats will carry New York by a hundred thousand majority. There is little less than Republican chance in Ohio. In Indiana the elephant is hopelessly down of Asiatic cholera. Already Democracy, beginning with Illinois, sweeps the west like a prairie fire. How could it be otherwise in the face of what the president is doing?

Poor Taft! Poor Taft!
"Injuns on the upper road,
And death upon the lower." z
—Louisville Courier-Journal.

In an address before the Bankers' convention at Denver, Woodrow Wilson, president of Princeton, used this expression:

"The most striking fact about the actual organization of modern society is that the most conspicuous, the most readily wielded, and the most formidable power is not the power of government, but the power of capital. Men of our day in England and America have almost forgotten what it is to fear government, but have found out what it is to fear the power of capital, to watch it with jealousy and suspicion, and trace to it the source of every open or hidden wrong." The reason capital is a "more formidable power than government" is because capital organized into trusts controls congress through Cannon in the house and through Aldrich in the senate by reason of their big contributions to the Republican campaign fund and control of that party. With Bryan in the white house, capital will have every protection but then President Wilson will not be forced to say that capital is a "more formidable power than government."

The trusts must abdicate.

GREAT BUSINESS

Decatur Merchants Did Largest Business of Season Last Saturday

STREETS CROWDED

And So Were the Stores—Decatur is Becoming Popular as Trade Center

It has been several months since Decatur merchants have done as much business as they did last Saturday, and it is thought by many that business will be reasonably good throughout the winter. A record breaking crowd invaded the thoroughfares Saturday and they were here to buy. There is not a merchant in town but who experienced a big increase in trade, for which they are indeed thankful. In interviews we have ascertained that the volume of business was tripled in several of the stores and this is saying much. More and more each day the farmers from far and near are making Decatur their trading point. They receive high prices for their produce and can purchase clothing, boots, shoes, groceries, drugs, dry goods and in fact everything at very reasonable prices. This is a recognition well worth having and is bound to bring more business here every day. Let us strive to maintain the present high standard and thus establish a business unparalleled by surrounding towns. Business men, why not advertise, tell the people what you are doing and why?

DEATH ANGEL CALL

William Henry Harrison Sudduth Died Yesterday Afternoon from Paralysis

WAS ILL LONG

He Was a Veteran of the Civil War—Funeral to be Held Wednesday.

William Henry Harrison Sudduth, sixty-seven years of age, for years a resident of Adams county, and a veteran of the civil war, heard the sound of the death knell yesterday afternoon and passed peacefully into eternity after suffering for a long time from paralysis. The aged man for many years engaged in farming, retiring from activity a few years ago, responsive to the infirmities of old age, which rendered him incapable to pursue the duties of a farmer. Since that time he has resided in Decatur. He was well known as a farmer and since living in Decatur has made many acquaintances who will, with regret, receive the news of his demise. During the closing chapter of his long life, Mr. Sudduth suffered untold pain. He knew death was the inevitable, but was content to trust it to Almighty. Besides the bereaved family many sorrowing friends will join in the hour of grief. The funeral services will be held from the Honduras United Brethren church Wednesday morning at eleven o'clock, the cortege leaving the house at 9:30 a. m. Interment will be made at the Zion cemetery. The members of the G. A. R. will meet tonight to arrange for the funeral. The deceased was a member of Co. C 126th Ohio Infantry.
