If Speaker Cannon is re-elected in his district, he will be elected Speaker in the event that the Republicans win in this election. He destroys popular governments in what was once the popular branch of congress, and the only way to restore rule by the people is to defeat Cannon and the Republican congress. It is not a personal fight against Cannon that is being waged, but a fight against Cannonism. The Republican party has approved the Cannon rules and stood for suppressing legislation.

Hon. John W. Kern, the Democratic nominee for the vice-presidency, has developed into one of the best speakers in this campaign. It was the result of his speeches on the occasion of his recent eastern trip that Dupont, the powder trust magnate, was forced to resign as chairman of the speakers' bureau and member of the advisory committee of the Republican national committee. Mr. Kern's speeches have not received the publicity they merit, but they are having a telling effect in this campaign, and are making a lasting impression wherever heard or read. Before undertaking his southern trip Mr. Kern spoke strongly in opposition to the presidential habit of

bossing the job of succession in the white house. In other words, Mr. Kern has endeavored to convey the impression that the average American is not bereft of intelligence and self-respect. In his Kalamazoo speech, the Democratic candidate for the vice-presidency said: "The people of America will, in my judgment, demand the right to choose their servants free from official influence and effort of a president who goes almost to the point of violence in insisting that he be allowed to name his own successor."

The fact of the matter is that Mr. Taft's stumping experiment has fallen flat; he has produced absolutely no enthusiasm among the voters, and he has said or done nothing which will improve his chances. Republicans are unable to conceal their feelings of disappointment over the poor showing which their candidate has made. Mr. Taft's progress thus far, and the manner in which he has been received is complete vindication of those Republican leaders who from the first opposed the plan of having him take to the rear platform. They advocated a front porch campaign wherein the candidate should be kept in the background, and others allowed to make his canvass upon Roosevelt's record. The advocates of a stumping campaign prevailed, however, and now they are sorry it was ever begun.

A dispatch from Cincinnati shows why well informed people in Ohio are confident of carrying the Buckeye state. Here is a straw: "Evidence that has been accumulating at Democratic headquarters is that Bryan will receive a tremendous accession from the railroad men. There is at Dayton, for instance, a Bryan Railroad Men's Club of 153 members, 72 of whom are Republicans. At the meeting at Mansfield yesterday the superintendent of motive power of one division of one of the big Ohio railroads, reported that of the 1,500 engineers and firemen under his supervision, more than three-fourths would vote for Bryan and Harmon. This is, of course, five weeks before election day, and even at Democratic headquarters they admit that there may easily be a change in the situation before November 3, but just now they are feeling well about it, and it gives the Republican managers something to think about, as well as an incentive to activity. The Democrats have also been taking stock of the feeling among the miners, and as a result are asserting that this year they will have five times as many votes in the mining district as they have had heretofore. As to the vote in the manufacturing centers they are not so confident, although they claim to have satisfactory information from this source too.

The meeting of the Y. L. E. Club held with Miss Ode Fullenkamp last evening was one of the best held this season. The ladies all brought their fancy needle-work and several hours were put in with the needle, after which the hostess invited them to the dining room, and then served a most delicious luncheon in four courses. We know this is true as we had a look in. The rest of the evening was spent in singing and playing various games. The next meeting will be with Miss Margaret Conter next Monday evening.

MRS. WHITRIGHT HAS REPLY

Miss Lillian Stetson's performance caused Mrs. Whitright to move her goods from the Mission Hall, while the Christians were giving in their testimony. She was making all kind of sport and fun of them, more like the five cent shows than in God's house. That is the reason Mrs. Whitright moved her goods for when she went to tell Mr. Stetson his daughter's actions, Charlie Ault and Mr. Stetson started to sing to hide the disgrace of Stetson's daughter, although she did not take her things away till after service. Mrs. Ida Whitright.

LEFT FOR TEXAS

Party of Adams County Men Will Visit Sunny South

LEFT THIS MORNING

They Will Likely Buy Land in Panhandle for Speculating Purposes

A party of Adams county men, consisting of Chris Selkine, J. Sheeler, Martin Grote, William Macke, Martin Ehlerding and Fred Scheiman left Decatur this morning for Fort Wayne, leaving there for Texas, where they will remain for two weeks with the prospect of buying Panhandle land. The party left Fort Wayne for Chicago from where they went to Kansas City, Missouri, and from that city they will go straightway to Texas. These men, with the exception of Mr. Scheiman, are farmers, who have accumulated fortunes by their progressiveness and before returning they will, without doubt, buy Texas land for speculating purposes. The party was joined at Fort Wayne by J. J. Thorpe, a land agent, who has disposed of hundreds of acres of Texas land to Adams county people.

NIBLICK and COMPANY

MAKES ASTONISHING CURES

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all of the food either, for it has no effect at all on starchy food such as potatoes, rice, oatmeal, bread, etc.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.

Mi-o-na is successfully used in vomit of pregnancy, in car and sea sickness.

And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.

Holthouse Drug Co. sell Mi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them, or money back.
