THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, balmy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and heavy eyelids? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and to my surprise, it helped me at once; gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep.

SOCIETY WOMEN.
Some Spend Hundreds of Dollars a Year on Their Hair.

Leaders of society in New York know the social value of attractive hair, and according to a metropolitan newspaper every society woman spends a great deal of money to keep her hair beautiful and resplendent. These women employ highly paid hair dressers and specialists, and so long as they have money to gratify their desire for beautiful hair, none should complain.

But what about the thousands upon thousands of women just as intelligent just as refined, and just as lovable as any society women, who have not the means for expert hair dressers and specialists?

Are they not entitled to beautiful, lustrous and luxuriant hair?

Most assuredly they are, and thousands of them give thanks daily to the great scientist and dermatologist who put within their reach, at a small price, the marvelous and quick acting hair tonic known all over America as Parisian Sage.

Holthouse Drug Co. will sell you a large bottle of Parisian Sage for 50 cents. It will make any woman's hair grow thicker, more beautiful and more lustrous in a few weeks.

It cures dandruff by killing the microbes, and it is guaranteed by Holthouse Drug Co., to cure dandruff, stop falling hair and itching scalp in two weeks, or money back. Get a bottle while it's on your mind. It is a most pleasant hair dressing, and is not sticky or greasy.

For sale by Holthouse Drug Co., or direct, all express charges prepaid, from Giroux Mfg. Co., Buffalo, N. Y.

TO WHOM IT MAY CONCERN:

We, the undersigned members of the Jay County Bar, most of whom were engaged in the practice of law at the time the Hon. John A. M. Adair was clerk of the Jay Circuit Court, have carefully examined a printed pamphlet put in circulation by N. B. Hawkins, charging that during Adair's term of office, as clerk of said court, some fifteen years ago, he over-taxed certain fees in litigated cases and estates.

In justice to Mr. Adair, we would say that no investigation was ordered or made, by any one in authority, but a pretended investigation for political purposes, was made by one Earl Patterson, of Muncie, who was and now is in the employ of said N. B. Hawkins, Republican candidate for Congress.

That we have examined said pamphlet and find the same is false, slanderous and misleading. That the fees taxed by Mr. Adair were within the law, were approved by the court and were satisfactory to both litigants and attorneys. His demeanor and conduct as a county official was gentlemanly, honest and courteous, and we are frank to say that there were no fees illegally taxed or collected by him, as such clerk.
