A cold spell now would be more beneficial to the health of the public than all the medicine that there is in the country, according to doctors. If the weather would become colder the prevalence of typhoid and malarial fevers would be checked. There are dozens of cases of typhoid in the city and county and more are being reported each day. Physicians attribute this to the fact that the weather is so hot and dry. All of the germs would be washed away if the weather would change.

### Yes Follow the Crowd and Get a Home of Your Own and Quit Paying Rent

Are you expecting a great reduction in values, or a sudden fall in prices? A moment's consideration will convince you that artificial gas, electric lights, paved streets, stoned roads, large manufacturing industries, and new traction lines put in operation, do not reduce the prices of the real estate near them. That good locations will steadily increase in value, no matter who owns them. That you might as well save that increase, as to pay high for it when you buy some years later. Now is the time to invest your money while property is reasonably cheap.

The Snow Agency can fit you out with your choice from a list of about 25,000 acres of as good farm lands as can be found in eastern Indiana or from a list of about

### One Hundred City Properties

The owners want to sell these properties, not for speculation, but at fictitious values, but for a change of investment. Some of them can be exchanged for good farm lands. If your property is for sale at its real cash value, by listing it with us we will advertise it without cost or expense to you, and are nearly sure to find you a buyer in a reasonably short time. Before buying examine our prices and properties, as we can doubtless fit you out with just what you want and save you money in the transaction. From our large lists we here refer you to a few sample properties that we are now offering for sale:

### SERVICES STILL CONTINUE

To Increase in Interest at the Christian Church.

The services at the Christian church last night were especially interesting. A quartet composed of the following persons: Mrs. Crabb, Miss Shroll, Mr. Williams, of Alexandria and Harvey Lee, of Decatur, sang beautifully the song: "Lead Me Gently Home," after which the evangelist discoursed upon this theme: "She hath done what she could." He read for the scripture lesson the only book in the Bible addressed exclusively to a woman. In this sermon the evangelist paid a glowing tribute to woman, considers her the equal of man in every particular excepting perhaps in physical strength. Thinks if a woman is qualified to preach the gospel and wants to preach, that there is nothing in the new testament which forbids it. Spoke of Paul's prohibition against women teaching in the church, but showed conclusively that he referred to women in local churches, who were of loose character as so many of the Corinthian women of that day and age were. He said the language of his text: "She hath done what she could" had never been applied to any man, but if it could be said of all Christians the results would be marvelous, the world would be speedily revolutionized. Just this sort of service is demanded of all true Christians in the admonition: "Present your bodies a living sacrifice, which is your reasonable service, and be not conformed to this world," etc. There is a growing interest noticeable from night to night.

The subject for discussion is "The Resurrection of the Dead." There will be special music tonight. Announcements for tomorrow will be found in the special column for church notices, and it is earnestly desired that you will be present at these meetings—they are for you.

### FATAL INJURIES

(Continued from page 1.)

coming into contact with Mr. Peoples as they were both turning the corner. An examination disclosed the fact that he was seriously injured internally, aside from exterior bruises, sustained in the fall. The deceased has lived an eventful life. He has traveled the long journey through life in an upright honorable manner and at no time have his movements, business deals or life been subject to the slightest criticism. He was a man among men, and it was not infrequent that he was greeted with "Hello Uncle Robert" by many whom he did not recognize, but who knew him as a consequence of his unlimited popularity among all classes. Mr. Peoples has lived a christian life. Having been born and raised in Adams county, he when in his boyhood days identified himself with the Union Chapel church and his life has been a living example of christianity. He attained a recognition envied by many responsive to his righteous principles and his untimely demise renders a great loss to the county. His friendship will be sadly missed, his kind deeds of charity will not be in evidence, but as long as do those who knew him survive, his works will be fresh in their memories. Beside the grief stricken widow, a daughter, Mrs. George Ohler, survives to mourn the loss of a loving father.

Mr. Peoples was 67 years, 10 months and 8 days of age. The funeral services will be held from the Decatur U. S. church Monday afternoon at 2:30 o'clock, the cortege leaving the home at 1:30.
