#### FELL FROM TREE

George Burkett Was Badly  
Injured While at  
Play

MAY BE CRIPPLE

Leg Broken and Bone Pro-  
truded and Fastened in  
Ground

George Burkett, fourteen-year-old son of  
Ell Burkett, living a mile and a half  
east of Honduras, was badly injured  
yesterday afternoon. The teacher of  
the school had given the children a  
half holiday and George, with a num-  
ber of his playmates, had gone to the  
woods nearby to enjoy themselves.  
The boys were climbing trees and  
then bending them over and swinging  
to the ground. George went up a ma-  
ple tree and when he took hold of  
the end of a limb and swung out his  
weight proved insufficient to carry  
him to the ground. He could not re-  
cover himself, and after hanging as  
long as his strength would permit, he  
let go and fell a distance of about  
eighteen feet. His left leg was broken  
between the knee and hip, the bone  
protruding and fastening itself in the  
ground to a depth of two inches. Drs.  
D. D. Clark and P. B. Thomas were  
summoned and did what they could for  
the relief of the lad, but it is feared  
he will be a cripple for life. There  
is also some danger of the bone not  
healing properly, and it may require  
many months of nursing.

Mrs. Charles Hearn returned to  
Portland this afternoon after a pleas-  
ant visit with her son George. Her  
son accompanied her home.
