THE WINNERS SHOE STORE

Tuesday. See that every Democrat votes.

Every "Bryan man" is requested to lay aside his business cares November 2 and devote the entire day to the effort to get to the polls all voters who are in sympathy with the principles advocated by Mr. Bryan.

"If anybody tells you that there will be a panic if the democrats win, you tell them that there is only one class of people who would be in a panic—that there will be a panic among those who have their hands in other people's pockets."—W. J. Bryan.

Many voters are disfranchised because they do not know how to properly vote a mixed ticket. Too much care cannot be taken. Remember that John Adair is a candidate for re-election. He deserves your support and Adams county should see that his majority is the greatest ever.

At Mingo Junction, Ohio, Judge Taft made a prosperity speech. Later he discovered that he was speaking from the steps of a great mill which had been closed for nearly a year, throwing two thousand men out of employment. No wonder the dispatches say that Judge Taft was "nettled."

Don't you think the republican party has been in power long enough? Don't you think there are enough suspicious looking circumstances about Panama canal affairs to justify the people in calling "Open the books" on that great job? The only way to get the books opened is to change administrations.

Your food has gone up in twelve years of Republican rule forty-five (45) per cent. The cost of your clothing has gone up fifty-eight (58) per cent. The beef trust robs you. The coal trust squeezes you. For every dollar the trusts throw to you at the pay desks, they hold you up for two at the market places.

Shall the people or the trusts rule?

Every day brings additional hope of Democratic success. New York, Ohio and Indiana are now safe in the Democratic column, and Massachusetts and Minnesota have taken their place in the doubtful column. It is a landslide to Bryan and no force—not even money—can stop it. To make it the more certain every Democrat in Adams county should work unceasingly until the polls close on Tuesday night.

"The brewery interests of the state are not backing my campaign; I have no allegiance with them and am personally acquainted with only two brewers in the state. They have not contributed a single penny to the campaign, which I have made on my own responsibility and with money I borrowed for the purpose. I have asked Jim Watson who supplies him with money to canvass the state and he will not reply."—Thomas Marshall.

A scratched ticket may lose John Adair the vote he needs—who knows? This is an important election and it would be a shame and disgrace if John Adair should lose even one vote by mistake of marking your ballot. He is a minority candidate running against a five thousand majority, and his friends cannot afford to take any chances on losing him a vote. Be careful with your ballot. A cross in

the circle at the head of the Democratic ticket votes it straight.

Charges were made today by Norman E. Mack, chairman of the democratic national committee, that the declaration of John D. Rockefeller for Taft for president was the result of the deal between the republican national committee and the Standard Oil interests whereby National Chairman Hitchcock received large campaign contributions and Mr. Rockefeller the promises. Mr. Mack said that undoubtedly the \$29,000,000 fine of the Standard Oil company would be fixed up in the event of Mr. Taft's election as a part of the bargain.

A general canvass of Marion, taken by the Cincinnati Enquirer, resulted in 42 votes for Bryan and 53 votes for Taft. Twenty-seven Republicans signified their intention of voting for Bryan but not a single Democrat changed to Taft. In other words, a canvass of these same people four years ago would have shown 80 for Roosevelt and 15 for Parker. In the state election 35 Republicans will support the Democratic nominee but no Democrats will switch to the Republican candidate. This straw vote shows a net loss for Taft of 34 per cent of Roosevelt's vote four years ago. If this ratio of gain is maintained throughout Grant county on next Tuesday Bryan will carry the county by a plurality in excess of 1,600.—Marion Leader.

RAPS JOHN D.

(Continued from Page One)
Oil company, comes out openly in support of Mr. Taft and gives reasons that lay bare the false campaign has been conducted.

"If the Republican party were honest it would announce that, having made arrangements with the trusts for the funds to finance the Republican campaign and having pledged the Republican party to protect the trusts from punishment, it would release the rank and file of the Republican party from further support of the Republican ticket.

"The Republican party cannot serve two masters. Its real master has now stepped forth and asserted his claim to the party's services. No Republican need be deceived any longer as to the insoluble bond that binds the Republican campaign to the predatory interests of the country. It will be noticed that this statement comes out too late to be used by the weekly newspapers or circulated among the masses, but in time to be used in the business centers to influence those business men who look to the big financiers for advice."

WOMEN, LOVELY WOMEN.

"Fair Tresses Man's Imperial Race Ensnare," says Pope.

The grandest of feminine attractions is a beautiful head of luxuriant hair. Glorious raji! Great poets have sung its praises; artists have endeavored to portray it accurately, but have seldom succeeded.

Are you a woman? Would you crown yourself with glorious hair? Would you add doubly to your present attractiveness?

Then go to the drug store of Holthouse Drug Co. and ask for a bottle of Parisian Sage, the great hair tonic and beautifier. A large bottle costs but 50 cents, and in one week's time it will change harsh, lusterless, untidy hair into soft, silky and luxuriant hair.

Parisian Sage is fully guaranteed by hair, cure dandruff and itching of the scalp in two weeks, or money back.

It kills the microbes, that's how it cures dandruff. It is a pleasant and invigorating hair dressing, does not dye the hair, and is not sticky or greasy.

"I have used Parisian Sage two weeks only, yet in that time I find my hair has wonderfully increased in beauty, thickness and luxuriance. But what surprised me most was the appearance of all dandruff. It pleases me to recommend such an efficient remedy to all my friends. Gratefully yours, Mrs. Maud Hagar, 617 west 136th St., New York City."

For sale by Holthouse Drug Co., or by express, all charges prepaid from Groux Mfg. Co., Buffalo, N. Y.

PERSONS desiring to purchase ranch lands or wheat lands in the Macleod, Southern Alberta, Canada, will do well to correspond with the undersigned. I have a large number of places of both kinds listed for sale, suitable for grain or stock raising and some suitable for mixed farming or either. Joseph Hicks, Barrister, Box 7, Macleod, Alberta, Canada.

Entertain at Cards Last
Evening

MASQUERADE PARTIES

Are in Order—Several Entertainments Scheduled for this Evening

A crowd of young matrons, they insisted that we say young, and their younger husbands, enjoyed a most delightful occasion last evening, when they assisted in perpetrating a surprise upon Dr. C. E. Neptune. The event was planned by Mrs. Neptune and carefully carried out. The crowd met at the Hensley home and proceeded to the home of Crist Vogt, on Fourth street and just opposite the Neptune home. Each person was masked, some hideous and some worse, representing all sorts of humans. When the proper time came a signal was given and the crowd went across the street to the Neptune residence and were concealed in the big attic. Soon the doctor came in and was immediately sent to the attic on an errand. As he turned on the light and beheld a bunch of ghosts, Indians, freaks and other queer looking people, he was frightened half out of his wits, but recovered in time to have his share of the evening's fun. Various games, a taffy pulling, corn popping, etc., were engaged in, and it was late when the party broke up. Dr. Neptune will leave next week on a several weeks' hunting trip.

Mr. and Mrs. C. A. Dugan entertained at a progressive 500 card party. The house had been beautifully decorated for the occasion, and indeed at cards, a social time was spent looked very pretty. After the program in telling stories and various other amusements. Late in the evening a delicious luncheon was served by the hostess. Those who were present were Messrs. and Mesdames M. Prask, of Petoskey, Mich., M. E. Brackett, W. H. Wiley, M. Steele, D. F. Quinn, C. C. Schafer, W. A. Kuebler, L. G. Ellingham and Mrs. M. B. Miller.

Mrs. Dorothy Durkins will entertain at a masquerade party this evening. The house has been decorated in Halloween style and there is no doubt that all present will have a merry time.

The Knights of Columbus will hold their regular meeting Monday evening November 2nd. Every member should try and attend.

Very neat invitations were issued to the members of the Euterpean Club and their guests to be present at a masquerade party this evening at the home of Mrs. D. D. Heller. The invitation read thus: On Halloween at 8 o'clock Thrice please upon Heller's portal knock. The door will open and you shall see The awful shape of things to be. 121 South Fifth St.

A masquerade party was given last evening, a surprise upon Mrs. Reuben Lord, the event occurring at her home on Eighth street. About twenty ladies, neighbors and friends took part in the delightful affair, each wearing some unique mask and dress to suit. A luncheon was served and several hours were happily spent.

CARD OF THANKS.

The officers and members of the Church of Christ desire to thank the Democrat for the generous treatment in giving space for the announcement and reports of the several meetings during the revival services. Also the lecture for Rev. and Mrs. Crabb. The valuable assistance is appreciated by the entire membership, by Rev. and Mrs. Crabb and by Rev. T. A. Cooper, pastor in charge.

A Word From Mr. Bryan

Lincoln Neb.
Oct 26-1908

Fellow Citizens:
The campaign is drawing to a close; the issues have been set forth in the platforms; the arguments of the candidates have been presented; and the verdict is about to be rendered. Every State in the Union shows Democratic gains, and there is no doubt of a Democratic victory of all who favor our policies vote and have their votes counted. I write to urge you to see to it that every Democratic vote in your precinct is polled early and counted. We desire a popular majority as well as a majority in the electoral college, and your vote is needed to offset a Republican vote some where else, even if not needed in your locality. Work! Vote! And then you can rejoice the more heartily in the victory.

Yours truly
W. J. Bryan

LEFT ON HER DOORSTEP FOR THIS MOTHER

Mrs. A. G. Tuson, of Livermore, Cal., writes: "I picked up from my doorstep one day a little book in which I soon became very much interested. My little girl of five years of age had been troubled for a long time with loss of appetite, extreme nervousness and undue fatigue. She was all run-down and in a very delicate condition. This little book was very comprehensively written, and told of the new method of extracting the medicinal elements of the cod's liver from the oil, eliminating the obnoxious oil which is so hard for children to take. "Just the thing," said I, "for my little daughter," and I immediately went for a bottle of Vinol. It helped her wonderfully. She has gained rapidly in flesh and strength, and she does not take cold half so easily. "I am extremely grateful for the good it has done her, and I hope other mothers who have weak, delicate or ailing children will be benefited by my experience and just give Vinol a trial."
