By the quick work of the employees of the Bee Hive yesterday afternoon that firm was saved from a very costly fire. Ervin Evans had started to light the fire in the gasoline lighting system and had touched one match to the burner, he supposing that this was extinguished. This, however, proved not to be the case and when he returned from the front part of the store with another match he found the gasoline in the storage tank ablaze. He called for the help of several of the clerks and they quickly smothered out the flames. No damage was done with the exception of the scorching of the woodwork near the plant and the hands of the fire fighters. The lighting plant is in the rear of the store and had the fire gotten a good headway the store would have been a total loss.—Bluffton Banner.

Just the Coat You Want

THE prevailing models this season are along the "Directoire" lines. But the Parisian artists have vied with each other in producing so many different designs that it is easy for every woman to get the proper styles in a becoming garment.

The "Bischof" garments we show have been carefully made from these original creations. They contain all the foreign features which set the style, but so modified as to be thoroughly practical for every-day wear.

No matter what kind of cloth you prefer, no matter what you wish to pay, we can becomingly fit you in one of these models. And the longer you wear it the more satisfied you will be that in this "Bischof" line we give you the smartest and best made garments ever sold in this section. Because of their immense facilities and sales, the makers of these garments give such values as we have never seen before. Look for the label, "B. S. & S."

It will pay you well to come in this week. To start buying at once we give you the choice of several models at special prices. Among them you will see—
