Woman Interrupts Political Speaker.

A well dressed woman interrupted a political speaker recently by continually coughing. If she had taken Foley's Honey and Tar it would have cured her cough quickly and expelled the cold from her system. The genuine Foley's Honey and Tar contains no opiates and is in a yellow package. Refuse substitutes.

enough to make a Republican victory in this state for the national ticket a certainty. The plurality of Herbert S. Hadley, Republican, for governor, has reached 16,787. Whether he has carried with him the rest of the Republican state ticket has not yet been determined. He has run far ahead of his associates, however, in most of the 114 counties of the state, but the Republican committee insists that the minor state candidates will receive pluralities no less than that given to Taft. At 11 o'clock tonight the Democrats seem to be assured of control of the assembly by six votes on joint ballot.

NEWS FOR DYSPETICS.

"Allow me to congratulate you on your discovery of Mi-o-na. I had several of the best doctors in the city, but none seemed to do me any good. I vomited frequently. I had this trouble four years. I took one box of Mi-o-na tablets, and eat most anything without distress."—Mrs. Mary Becker, 1990 Baily Ave., Buffalo, N. Y.

"I would be dead if it wasn't for Mi-o-na. One year ago I weighed only 100 pounds; now my weight is 159 pounds. I eat everything I want—cabbage, ham, fried potatoes—everything doctor said not to eat or I would die."—Mrs. Carrie Vanaman, Bridgeton, N. J.

"I suffered with stomach trouble for 15 years; spent \$300 for medicines, everything failed to do any good until I found Mi-o-na. That has cured me, and it will cure others that suffer."—L. R. Nonket, Mountain Island, N. C.

Holthouse Drug Co. sells Mi-o-na tablets, the dyspepsia remedy that is making such surprising cures throughout America for 50 cents a box, and he guarantees them to cure acute and chronic indigestion, vomiting from any cause, and sea or car sickness.
