

Wall street reports stocks as advancing with the general prosperity. Judge Grosscup's refusal to grant a re-hearing in the Standard Oil case sent that stock booming, and others rose sympathetically. These are times

Mr. and Mrs. Theodore Kennedy will celebrate their golden wedding anniversary Wednesday and the occasion will be appropriately celebrated. In 1858, at the home of the bride's parents in Allen county, occurred the marriage of Theodore Kennedy and Louise Bradley. Thirty guests witnessed the ceremony, six of whom who are John Way, Robert D. Patterson and Mrs. Jennie Myers of this city, and Mrs. Rice, of Goodland, Ind.; Mrs. Marsh, Dunkirk, Ind., and John Harless, of Alhjon, Ind., survive to assist in celebrating the fiftieth wedding anniversary of the aged but happy couple. Mr. and Mrs. Kennedy have resided in Decatur for twenty-three years and have enjoyed a happy matrimonial career. As the sun is setting in their life's voyage they are enjoying fairly good health. Decatur folk extend the hand of congratulation to this couple, that they have so well withstood the tempests of life's sea and are now, even at a ripe old age, as nimble as many who are considerably their juniors. That they will live many more years is the wish of all. About fifty guests will be entertained for dinner at the Kennedy home Wednesday.

Everybody should plan to attend the Union Thanksgiving service to be held at the M. E. church. Representative members of all churches of the city should be present to enjoy the special services. Rev. Richard Spetnagle, the able Presbyterian minister, will deliver the sermon which will be very entertaining. Special music will be rendered by the M. E. church choir. Thansgiving is a holiday calling for religious devotion as well as worldly festivities. The event is nothing if not observed as intended to be. Praise and thanksgiving to Almighty for the achievements of the past, and future possibilities, will be in order and let's all Decatur observe this, one of the most memorable of all occasions, appropriately. That all denominations will worship together on Thanksgiving is only a clever demonstration that all religious organizations are working to one end, that of championing the christian cause and the uplifting of mankind.

Mr. and Mrs. Charles Loch charmingly entertained a number of their friends last evening at six o'clock dinner and an elegant time was enjoyed. Those present were Messrs. and Mesdames Grover Hoffman, Wesley Hoffman, Dr. Kroff and O. L. Vance.

The term "microbe" refers to a parasitic plant or fungi also called bacteria. A microbe is so small that it can only be detected by the aid of a microscope. Some microbes are harmless, while others produce various diseases, and derive their titles through the form of their growth or because of the diseases they create, which diseases are infectious or contagious.

Prof. Unna, of Hamburg, Germany, and Dr. Sabouraud, the leading dermatologist of France, discovered that a microbe caused baldness, and their theory has time and again been amply verified through research experiments carried on through the observation of eminent scientists. This microbe lodges in the Sebium, which is the natural hair oil, and if permitted to flourish, it destroys the hair follicles, and in time the pores entirely close and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the hair growth being revived.

Dandruff is a contagious disease

which a microbe causes, and later produces itching scalp, falling hair and baldness. Dandruff is caused by the microbe diseasing the sebaceous matter, which dries up and scales off. Sometimes the cuticle surrounding the hair allows the natural oil of the hair to force its way between the flakes force them apart and they scale off as dandruff.

We have a remedy which positively will remove dandruff, exterminate the microbe, promote good circulation in the scalp, tighten and revitalize the hair roots, grow hair and cure baldness. We back up this statement on our own personal guarantee that this remedy, which is called Rexall "93" Hair Tonic, will be supplied free of all cost to the user if it fails to do as we promise. It will also restore gray and faded hair to its original rich, glossy color, if loss of color has been caused by disease, yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by making every hair root, follicle and pigment gland strong and active, and by stimulating a natural flow of coloring pigment into the hair cells.

Rexall "93" Hair Tonic is entirely free from grease or sediment, is exceedingly pleasant to use, and will not gum the hair or soil the clothing or pillows.

We want every one troubled with hair or scalp ailments, even though they are bald in spots, to try Rexall "93" Hair Tonic on our guarantee. We exact no obligations or promises, and simply ask you to give it a thorough trial, and if not satisfied, tell us, and we will refund the money paid us. Two sizes, 50c. and \$1.00. REAL THE

The stockholders of the Great Northern Fair association held their annual meeting at the Modern Woodmen's hall today, the first session convening at ten o'clock. The first thing on the program was the adoption of the reports of the managing board, secretary and treasurer, as published in the Saturday issue of this paper. All were approved. Then came the election of officers, interest centering in who should be chosen secretary. This job went to Earl B. Adams the well known attorney, who will have charge of affairs during the next year. Thomas H. Baltzell was re-elected as president, A. J. Smith as vice president and Charles S. Niblick as the treasurer. Another short session was held this afternoon when the matter of placing insurance and attending to a few other necessary duties of a routine nature were attended to. The fair next year will be given about the usual time it is believed and will be bigger, better and grander in every way than ever before. The reports this year showed the association in good condition and that they made money this year when nearly every other fair in this locality lost.
