Loss of Appetite or Distress After Eating a Symptom that Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health, and insatiable appetite is a sure symptom of diabetes.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest and healthiest persons are moderate eaters.

There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one in Decatur who is suffering from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They are made from the prescription of a physician who devoted all his time to the study and treatment of stomach troubles. They give very prompt relief, neutralize the gastric juices, strengthen the digestive organs, create good digestion and assimilation, naturally regulate the bowels, promote perfect nutrition, and create a permanent cure of all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 45c. and 85c. The Smith, Yager & Falk Drug Co., Decatur, Indiana.

HAWKING MACHINES.

Catarrh Sufferers are Nothing but Hawking, Spitting and Blowing Machines, Says an Authority

Is it possible that in these days when cleanliness and sanitary reform is being preached in the churches, schools and at public gatherings, that thousands of people will continue to suffer from catarrh, when there is an absolutely certain remedy always on hand.

Hyomei (pronounced High-o-mei) is a pleasant, medicated and antiseptic air. Breathe it in and it will cure catarrh. It will stop foul breath, watery eyes, and crusts in the nose, in a few days.

"I suffered from catarrh for two years; tried numerous remedies which failed; used one and one-half bottles of Hyomei and am entirely cured."—C. N. Lindsay, 407 East First Ave., Mitchell, S. D.

A complete Hyomei outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hyomei, cost only \$1, and extra bottles, if afterwards needed, cost only 50 cents each. Holthouse Drug Co. sells it and guarantees it to do exactly as advertised.

Hyomei also cures Asthma, Bronchitis, Coughs, Colds, and Infants' Croup.

Suits Worthy of Paris Artists

LITTLE details distinguish a Paris importation from the usual "shoppy" suit. This year there is the "Directoire" cut, the raised waist line, the sheath skirt effect, the high standing and lay-down collar, the patch pocket, the long sleeves, etc.

The "Bischof" models we are showing embody all these features. These goods are designed after the best creations of the leading foreign artists. You could go walking in Paris or Vienna and be in the reigning fashion with any one of these suits.

Come in. You can see the snap and smartness of these garments the instant you look in our mirrors. The wear is guaranteed both by us and the makers.

Plainly it is to your interest to make your selections now before the choicest patterns are taken. To give you even a greater inducement to come at once we have marked the most desirable garments far below their regular values.

We illustrate a few of the many we are showing. Look for the trade-mark "B. S. & S." in every garment.

NIBBLICK & COMPANY

THE GIRL WITH THE AUBURN HAIR.

Is on the outside package of every bottle of Parisian Sage. Should you forget the name, simply ask for the package with "the girl with the Auburn hair" upon it.

And what a wonderful sale Parisian Sage has made for itself in America in a little over a year. And what a multitude of people have been cured of falling hair, dandruff and itching scalp by its use.

And how the American women prize Parisian Sage for its peculiar ability to turn harsh, faded, lusterless hair into fresh, beautiful, silky and lustrous hair in a few days.

Parisian Sage is today the favorite hair dressing and tonic of discriminating Americans, not because of sensational methods of advertising, but because it is the only hair restorer that will do just what it is advertised to do.

It kills the dandruff germ and cures dandruff in two weeks. If it doesn't Holthouse Drug Co., the agent in Decatur will give you your money back.

"I had been troubled with dandruff for five years, but since using Parisian Sage I have not been bothered with it. I only used one-half bottle when I noticed the dandruff disappearing. I consider it the best hair tonic I ever used."—Mrs. C. B. Morton, 450 Main St., Buffalo, N. Y., Aug. 10, 1908.

If you haven't tried Parisian Sage get a bottle today. It is a delightful dressing. The price is only 50 cents a large bottle at Holthouse Drug Co., or direct, all charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y.
