TEACHERS MEET

(Continued from page 1.) Phonics be taught?" Miss Winnes said in the first three grades.

The subject of the morning was that of "The Young Men of Today" by Wm. G. Teeple, of St. Marys township. He says that the young man must be honest. This is a thought that every young man should take to himself. Always do your best. Set perfection as your standard. Lose yourself in your work, and make it a pleasure. The young man should be economical. He must be industrial. This paper was filled with good thoughts which should be taken by all young men. Discussion of the subject by G. W. Warner, of Peterson. He says what was said in the paper should also apply to girls. The three important phases of life are: "Self reliance, formation of proper habits, self restraint." Everybody should stand for the right and do the right without showing political preference.

The third subject was that of "Dream Life" by Noah B. Gilliom, of Monroe township schools. Mr. Gilliom gave a great flow of oratory on this subject. He discussed "Dream Life" from the standpoint of the home and the school.

Vocal solo, Robert Poer, superintendent of Geneva schools. "A Visit to the Cliff Dwellers" by Miss Grace E. Burke, of Geneva. This was a very interesting description of the Cliff Dwellers of southern Colorado. Miss Burke also exhibited some pictures and curios of the cliffs. Attendance 97 per cent. Noon.

CROUP

THERE IS NOTHING that strikes terror to the hearts of parents more than to be awakened in the night by the ringing cough which accompanies an attack of croup. The child may retire with nothing but a slight cold and a few hours later the family be aroused by the ominous symptoms. Every home where there are small children should be prepared for these sudden attacks, as prompt treatment is necessary. Do not experiment with remedies of doubtful value, but get

CHAMBERLAIN'S COUGH REMEDY

that has been in use for nearly forty years and never known to fail.

Mr. Homer Krohn, of Lisbon, Iowa, in a letter to the manufacturers of Chamberlain's Cough Remedy, says: "Out of the many bottles sold last winter not one was returned. We recommend it especially for children with croup." Chamberlain's Cough Remedy is famous for its prompt cures of coughs, colds and croup. When given as soon as the child becomes hoarse an attack of croup may be averted. This medicine is entirely free from narcotics or injurious substances of any kind and may be given to the little ones with absolute safety.

"We guarantee every bottle of Chamberlain's Cough Remedy," says W. M. Parish, Palmerston, Ontario. "Out of the many bottles sold last winter not one was returned. We recommend it especially for children with croup." Chamberlain's Cough Remedy is famous for its prompt cures of coughs, colds and croup. When given as soon as the child becomes hoarse an attack of croup may be averted. This medicine is entirely free from narcotics or injurious substances of any kind and may be given to the little ones with absolute safety.

Attacks of croup are most likely to occur during the early winter months, and every family with young children should be prepared for it. Keep a bottle of CHAMBERLAIN'S COUGH REMEDY in your home. It only costs a quarter, large size 50 cents. Your druggist sells it.
