MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill. The sturdiest chap in town usually loses his self control, and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.

For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening. Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overloading his tired stomach. A couple of Rexall Dyspepsia Tablets would have given him instant relief—would have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket or keep them in your room. Take one after each heavy meal, and indigestion can never bother you.

Rexall Dyspepsia Tablets cure stomach troubles by supplying the one element, the absence of which in the gastric juices, causes indigestion and dyspepsia. They enable the stomach to digest all kinds of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to cure indigestion and dyspepsia. If they fail, we will refund your money.

Price, 25 cents per full package. Sold only at our stores or by mail. The Smith, Yager & Falk Drug Co., Decatur, Indiana.

HAVE MOVED THEIR OFFICES.
The law offices of Hooper & Lenhart the Decatur Abstract company and the W. H. Meyer real estate agency have been removed from the Morrison block to the Dr. Boyers building just across the street, where they will be glad to greet you. 284-6t

NO HUNTING ALLOWED.

THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, balmy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and mercy knows what else? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and to my surprise, it helped me at once; gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep.
