Late reports are to the effect that Nick has Alice pretty well broken of the cigarette habit.—Columbia City Post.

Newspaper reports have it that James E. Watson is practicing law. It won't hurt Jim a bit to work for a living.

Congress will meet next Monday. At the close of the session March 4, quite a number of statesmen, especially in Indiana, will retire to private life.

President Roosevelt is trying to out-Hanly Hanly in the matter of appointments. Many of the president's friends are being rewarded with official place, their chief recommendation being that they are good Indians.

The man who scrupulously studies what is best for him physically and mentally, and has the stamina to follow his conclusions, has the true conception of what may be called manly self-control. When Judge Taft reached the conclusion that his physical well-being demanded the exclusion of alcoholic beverages and then firmly resolved that he would henceforth have none of it, he simply adopted the self-restraint that other strong-willed men imposed upon themselves. Only men of stamina are capable of doing this.—South Bend Times.

our flippant use of English in disposing of the twenty-seven thousand dollars spent by the anti-saloon league in Indiana. It at least brought forth the first and only published explanation of the use of this money. The amount involved is considerable capital, and if we understand it, is paid by the many thousand contributors in the state. We have no criticism to make of the distribution of this vast sum, but as a matter of fact we will still stand by our statement, that a part of the twenty-seven thousand dollars looks good to some of those engaged in the work of the league. According to this great "business" age this is not altogether a reflection upon those engaged in anti-saloon work. The Witness will remember that the greatest issue in the last campaign was that Taft's election meant so much for business. Business was placed before any other issue, moral or economic. With business occupying the center of the stage, the anti-saloon workers should feel their importance and be in the work because it pays.

Main Store—Various  
Other Conveniences

One of the most convenient stores in this section of the country, also one of the best kept houses of merchandise in all the country is that of Yager Bros. & Reinking, the furniture dealers, who just at this time are making an extensive advertising campaign. This firm have recently had their building, just east of the court house, rebuilt and it is one of the most modern store rooms in northern Indiana. An addition east of the big two story building adds space for unloading of new goods and rear room for display. This room adjoins the old building on the second floor, while the overhead connection makes a convenient cover and all the loading is done at this place between the two rooms. The main rooms have also been rebuilt, a new elevator and a stairway, comfortable to climb are included. The actual floor space is over fourteen thousand square feet and every inch of it is used in displaying their splendid stock of goods. This year's assortment is one unequalled in the previous history of this firm, which alone is a very broad statement. If you are seeking a Christmas present of real merit you will do well to make a visit to this store and look over a line that will furnish you most anything you want at a satisfactory price.

Pawhuska, Okla., Dec. 1.—An injunction was issued here today restraining the Indian Territory Illuminating Oil company from piping oil and gas out of the state and from constructing its pipe lines along the highways of the state. The injunction asks that the company be ousted from the state for violation of the statutes and constitutional provisions of Oklahoma. The state alleges that the company is violating the law against the restraint of trade, in addition to disregarding the statute which denies the right of eminent domain to a foreign corporation.

## MILLIONS OF LIVES LOST

The Awful Toll Collected by Consumption.

If people could only understand that Catarrh is an internal scrofula—that nothing applied externally does much good—they would not need to be warned so often about this fatal disease, which, when neglected, invariably ends up in Consumption, at the cost of millions of lives every year. Yet Catarrh is easily cured if the right treatment is employed.

Catarrh is caused by germs in the blood which circulate throughout the entire system. External remedies give but temporary ease. (Although the effects are often seen in the form of pimples, rash, eczema or dry scaly skin, the trouble is internal, and can never be cured by external remedies.)

The only way to cure Catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is thoroughly medicated, soothed, disinfected of germ matter, and the soreness healed.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made Catarrh a specialty, and whose record of success was a cure in every case where his treatment was followed as prescribed. That remedy is Rexall Muc-Tone. We are so positive that it will cure Catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails to cure or for any reason does not satisfy the user.

We want you to try Rexall Muc-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Muc-Tone on our guarantee. We have Rexall Muc-Tone in two sizes. The prices are 50c. and \$1. Very often the 50c. size effects a cure. Of course, in chronic cases a longer treatment is necessary. The average in such instances is three \$1.00 bottles. The Smith, Yager & Falk Drug Co., Decatur, Ind.

## AVOID THE KNIFE.

Cutting Won't Cure Piles—Internal Treatment Needed.

A gardener doesn't kill weeds by cutting their tops. He attacks the root. Just so with piles—the cause is within, entirely out of reach of surgical instruments, ointments or suppositories. The only cure for piles is internal, and the only guaranteed internal remedy is Dr. Leonhardt's Hem-Roid. It has cured 93 per cent of cases, and 24 days' treatment is sold for \$1 at Holthouse Drug Co., under positive guarantee. Or mailed by Dr. Leonhardt Co., Station B, Buffalo, N. Y.
