## Suits Worthy of Paris Artists

LITTLE details distinguish a Paris importation from the usual "shoppy" suit. This year there is the "Directoire" cut, the raised waist line, the sheath skirt effect, the high standing and lay-down collar, the patch pocket, the long sleeves, etc.

The "Bischof" models we are showing embody all these features. These goods are designed after the best creations of the leading foreign artists. You could go walking in Paris or Vienna and be in the reigning fashion with any one of these suits.

Come in. You can see the snap and smartness of these garments the instant you look in our mirrors. The wear is guaranteed both by us and the makers.

Plainly it is to your interest to make your selections now before the choicest patterns are taken. To give you even a greater inducement to come at once we have marked the most desirable garments far below their regular values.

We illustrate a few of the many we are showing. Look for the trade-mark "B. S. & S." in every garment.

## The ("What Shall It Be") Question

May seem very perplexing while you think about it at home but all the difficulty vanishes the minute you see our Great Furniture Display.

### It Fairly Bristles With Suggestions

The error you are most likely to make is to conclude that you cannot afford to give furniture. The truth is you can not afford NOT TO. Give a nice piece of Furniture and it will stand in some home, a constant reminder of you, a lasting tribute to your good judgment. You don't have to spend a lot of money, either, if you don't want to. Why we have articles of usefulness, artistic in appearance, articles that make ideal gifts, yet that cost only a trifle. Call any time, we are open of evenings and let us show you how easy it is to pick out Xmas presents. We are at the same old place. Opposite the Court House.

**YAGER BROS., & REINKING.**

YOU can purchase a Globe-Wernicke section holding 20 or more volumes for about the price of one Gift Book.
