Democratic statesmen met at Indianapolis today. Some want jobs, some don't, but nearly all have some kind of an axe to grind. The event closes tonight with a banquet.

Foreigners who had not been residents of Indiana over five months were voted at the recent election by the hundreds in Lake county, this state. Several thousand such voters took out "intention" papers in that county in order that the politicians might vote them. It is presumed that these ignorant foreigners voted the republican ticket, inasmuch as the republican committee paid the county clerk the fee of \$1 for each paper issued. That the laws of Indiana will permit such people to vote is no credit to the state and no honorable man will uphold a party that will thus deliberately abuse the function of the ballot. It is believed that enough illegal votes were cast in Lake county alone to defeat that portion of the democratic state ticket which failed of election.—Columbia City Post.

## THEY MAY BUILD

Knights of Columbus Contemplate Erection of a Home

LOOKING FOR A LOT

Have Not Decided What the Style Will Be—Other Lodges May Build

There is no doubt that within the next year or two several handsome lodge buildings will be erected in Decatur. As is known the Knights of Pythias have made a part of their plans already and will likely be in their own home within a year. The Masons and Modern Woodmen are doing a little figuring and we have been reliably informed that the Knights of Columbus have decided to erect either a home or building shortly. In fact a committee has been appointed to "scout around" and get their eye on a lot which will prove a suitable site. If they decide on a location in the central portion the building will probably be built for business rooms, while if they choose a site away from Second street a home will be the probable result. Whatever they decide upon however, it is practically assured that they will soon own their home and when they do build it is a safe prediction that they will do it right, and the block will be one that Decatur may well feel proud of. This lodge now has 172 members and is growing constantly.

## ANGEL CALLED HIM

Claims Rev. J. H. Winans a Well Known Minister

A FORMER PASTOR

Of the Baptist Denomination—Held Many Charges

Rev. Jasper H. Winans, a native of this county, died at his home at Bellefontaine, Ohio, Saturday morning. The funeral services were held from the First Baptist church of that city yesterday afternoon. Rev. Winans is survived by a wife and four children. Mrs. Frances Kiser, Mrs. Grace Houghton and Mrs. Dove Houghton of Geneva and Edward L. Winans, of Bellefontaine. The Daily Index Republican of Bellefontaine said of this good man: "Death brought sweet release from months of illness which had fastened itself upon Rev. Jasper H. Winans, when this faithful minister was called from earth to the higher home, Saturday morning at 7:25 o'clock at his home on North Green street. Rev. Mr. Winans had been confined to his home for eighteen weeks not a day of which time had he been able to leave his bed. He approached the end with a firm reliance upon his Master, whom he had served faithfully and well and when the spirit left the frail body it was fully attuned for its existence in the heavenly kingdom, the upbuilding of which had been Rev. Mr. Winans' life work. Jasper Barlas Winans, son of Richard and Rosabel Winans, was born on a farm in Adams county, Indiana, December 14, 1851. He was educated in the public schools of Decatur, and at the age of 15 years united with the Baptist church at Pleasant Mills. He early chose the preaching of the gospel as his vocation and in July 1876 he was ordained as a minister of the Baptist denomination. His first pastorate was at Chubbuck, Ind., and later he filled the charges at Warsaw, Rochester, Kokomo, New Albany, all in Indiana, the first church in Zanesville, O., St. Marys, O., and Ovid, Mich. During his pastorate at Rochester and Kokomo, he built large churches. Three other churches were erected under his supervision during this early ministry."

During his thirty-two years in the work, Rev. Winans baptized over 1,000 people and received into his church over 3,000 members.

## THROWING CLUB

Boys Have Been Causing a Disturbance on Adams Street by this Practice

OFFICERS CALLED

To the Home of Mrs. Johnson Last Night—Arrests Will Follow

Officer Bohmke was called to the home of Mrs. L. Johnson on Adams street last night to quell a disturbance made by several young boys who reside in that neighborhood, but when he arrived on the scene the trouble makers had disappeared from view. For some time Mrs. Johnson has been annoyed by intruders, but not until last night did they become so bold as to throw clubs on the veranda of her home and stones upon the roof. These boys, whose names are well known by the authorities, have been molesting other families in that vicinity to an extent which demands arrests should the practice be continued and in this manner the officers wish to inform the intruders that if any thing further is done arrests will follow immediately. It is hoped that every violator of the law will be captured and prosecuted to the fullest extent of the law.

William Rammelle was at Decatur Sunday to see Jacob Hiew, who is confined to his home suffering with pneumonia. He has been sick two weeks and his condition is serious. He is being looked after by the Decatur lodge of Eagles of which he is a member.—Huffman News.

## HEAD OF THE I. O. O. F. DIES

Judge John Nolen, Grand Sire of Sovereign Grand Lodge.

Nashville, Tenn., Dec. 14.—Judge John L. Nolen, grand sire of the sovereign grand lodge Independent Order of Odd Fellows, died at a local hospital tonight at 11:30. The immediate cause of death was prostration and heart failure following a surgical operation for gall stones. Judge Nolen was operated on early last week and until this afternoon was thought to be progressing satisfactorily toward recovery. Shortly after noon, however, he began to sink rapidly. Judge Nolen was 55 years old in June last and had practiced the profession of law here for thirty years. He was a native of Nolensville, Williamson county, Tenn.

## TO TAKE TARIFF

Plans Approved by President for the Indianapolis Meeting

ON FEBRUARY FIRST

Taft, Bryan, Mitchell, Gompers and Others to Be There

Indianapolis, Dec. 14.—Henry Riesenber returned home from Washington today with President Roosevelt's approval of the plans for a big tariff conference in Indianapolis. He will this week call a meeting of the different civic bodies of the city, when the details of the plans will be mapped out. The indications are that the call for the national conference will be issued for the week beginning February 1. "I expect," Mr. Riesenber said today, "to have among the speakers at this big non-political tariff discussion, Mr. Taft, Mr. Bryan, Andrew Carnegie, James J. Hill, John Mitchell, Samuel Gompers, Senator Cummins, of Iowa; Senator Beveridge and Commissioner of Labor Charles P. Neill. With Governor Marshall we should also have Governors Pardee, of California, and Kilbrey, of Arkansas. J. W. Van Cleave, president of the National Association of Manufacturers has informed me that we may count on him to have present at least 100 of the most important manufacturers of the country. It is difficult to indicate how many should be in attendance, but we will issue several thousand personal invitations. I would not be surprised to see gathered here between 1,500 and 2,000 manufacturers, importers, leading merchants and representatives of labor, all of whom are vitally affected by tariff. We desire that labor be fully represented in the convention," declared Mr. Riesenber. "President Roosevelt was very positive in his statement to me that no tariff plans should be mapped out that do not provide that labor shall have the same attention as capital. He declared unequivocally that labor must participate equally with merchants, manufacturers and importers in all benefits that might accrue to the country at large through tariff. Without such an understanding he would not favor any tariff meeting. We want President Gompers and Mr. Mitchell and other labor leaders to address the conference. In fact Commissioner of Labor Charles P. Neill, to whom I was sent by President Roosevelt, is to come to talk on 'Labor's Wage the Basic Principle of the Tariff.'"

Will Meet With Mrs. Gillig Tonight—Other Social Notes of Interest

The deep sweet odors of the dawning day

Arose around him, and athwart the skies

A robin fluttered, trailing melodies As like a spangled song it sped away.

He stood there aple-deep in yellow clay,

Watching with wistful, wonder-haunted eyes;

His pose, a masterpiece of sweet surprise;

His soul suspended on the robin's lay.

No laureled poet ever struck a mood

So wild as, inarticulate, there burned

Within his breast that moment while he stood

Beside his plow, unlettered and unlearned.

Ah, could the muse untie his tangled tongue

And breathe a life into the latent song!

—William N. McCormack.
