Peerless Crushed Oyster Shells
Advantages Gained by the Use of It. It acts as grit and prevents "cholera." It keeps the poultry healthy. It makes hens lay an egg per day. It prevents soft shell eggs. It makes the egg shells strong enough to carry without breaking. It contains many essential components of the egg. It makes eggs larger and heavier. Every poultry house or yard should have a pan or trough full, so that the fowls can have access to them at all times.

WESTERN CANADA
320 Acres Instead of 160 Acres
As further inducement to settlement of the wheat-raising lands of Western Canada, the Canadian Government has increased the area that may be taken by a homesteader to 320 acres—160 free and 160 to be purchased at only \$3.00 per acre.
These lands are in the grain-raising area, where mixed farming is also carried on with successful results. A railway will shortly be built to Hudson Bay, bringing the world's markets a thousand miles nearer these wheat fields, where schools and churches are convenient, climate excellent, railways close to all settlements, and local markets good.
It would take time to stimulate the revelations that a visit to the great empire lying to the North of us would afford at every turn. Correspondence of an Illinois Editor, who visited Western Canada in August, 1905.
Lands may also be purchased from Railway and Land Companies at low prices and on easy terms. For pamphlets, maps and information as to low Railway Rates, apply to Superintendent of Immigration, Ottawa, Canada, or to the authorized Canadian Government Agent.

MAKES ASTONISHING CURES
Mi-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all of the food either, for it has no effect at all on starchy food such as potatoes, rice, oatmeal, bread, etc.
There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.
Mi-na tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.
Mi-na is successfully used in vomit of pregnancy, in car and sea sickness.
And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.
Holthouse Drug Co. sell Mi-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them, or money back.
