THINGS

THAT WILL APPEAL

Among the recommendations made by Governor Marshall to the general assembly none will appeal to the interested people more than his dissension to the privileges now given to city councils to make street improvements, sometimes to the extent of confiscation to the property on such street. This is sometimes necessary in order to get needed improvements, but the principal is bad, and really should not be fostered as an Indiana statute.

Another recommendation that will appeal to most every one is upon the subject of franchises. Governor Marshall all through the message brings prominent before the mind that he believes everything is entitled to a fair consideration, and if it is worth nothing, even then it is worth as much to the city as it is to any one else. It is a truth much admitted that usually not enough value is attached to that which belongs to the public. A law curtailing the freedom by which valuable franchises are given away, would not come amiss.

The newspapers said some mighty nice things about the message and first official document of the governor. It reads well and really contains much worthy of careful study and analysis. It was clearly no gallery affair, but the honest judgment of an honest man—now governor.

Hanly is down and out of the governor's office, and it is very probable that he will never again be recognized by his party in an election to a prominent official position. While he is disliked personally by many men in and out of his party, it must be conceded that he is a man of great ability, strong determination and a fighter who never quits. Owing to his unpopularity the good he accomplished during the past four years is overlooked by a majority of the people, who are pleased that his term of office is at an end. He will resume the practice of law and will find that

occupation very much more congenial than the job of bossing the officers and people of the state of Indiana.—Columbia City Post.

CARS DERAILED

On the Clover Leaf Railroad Sunday Morning.

Three cars of Clover Leaf freight train No. 159, east bound, were thrown off the track in the north Marion yards at 5:30 o'clock Sunday morning, delaying the train about six hours. The wrecking crew from Frankfort worked with the cars this length of time before the men succeeded in replacing them on the rails. Passenger train No. 3, due in this city at 7:51 a. m. was compelled to wait on a siding until the track was cleared on account of the Lake Erie officials not letting them use their tracks from this city to Hartford City, where they would have used the Pennsylvania tracks to Marion and again on the Clover Leaf road. The officials claimed that the Clover Leaf engines are too heavy for the tracks and between this city and Hartford City they claimed were their weakest places.

Mrs. Jennie Rice, sister of John and George Everett of this city and until ten years ago a resident of Van Wert county, Ohio, died at her late home in Kansas City, Missouri, last Friday night, and the remains passed through Decatur this morning enroute to Elida, Ohio, where funeral services were held this afternoon. The deceased for many years lived in Van Wert county and visited her brothers in Decatur frequently during that time. She has many acquaintances here who will deplore the sad death which resulted from a long siege of illness from a complication of diseases. Subsequent to the death of her husband Mrs. Rice went to Missouri where she took up her abode with a brother. Besides a multitude of friends and many relatives she is survived by two children, Richard and Mabel. SOCIAL COLUMN

Pleasant Surprise on the
Wiley Last Evening

A DELIGHTFUL TIME

Was Enjoyed By All Present—Other Social
News

The "inaugural ball" last night at the Propylaeum was largely attended. Leading Democrats from all parts of the state were present with their wives and members of the family. Governor and Mrs. Marshall and Lieutenant Governor Frank J. Hall, all of the aspirants for United States senator, state officials, officers of the Indiana national guard, members of the senate and the house of representatives, members of the Democratic organization in the state and many of the state's leading lights in art, science and literature as well as some of the captains of industry lent their presence to the occasion.—Indianapolis Star.

About thirty friends of Mr. and Mrs. W. H. Wiley gathered unexpectedly at their Fifth street home last evening, where in honor of the latter's birthday anniversary a most pleasing social session was experienced. The function had a double significance, serving as a reminder of the passing of a milestone in the life of Mrs. Wiley, and as a token of the sincere friendship of all present for the estimable family who will, in the near future, remove from Decatur. To complete the appropriateness of the occasion, music and games furnished brilliant feature to the event and a dainty luncheon refreshed the careworn participants in the strenuous games. It was a delightful affair. The Wileys are liked immensely by their every acquaintance and the fact that they are contemplating leaving the city has signaled expression of profound regret by all who know them.

The Ladies' Aid Society of the Presbyterian church will be entertained at the home of Mrs. Godfrey Christen Thursday afternoon at two o'clock and the presence of every member as earnestly desired. Important business is to be transacted.

Important business is to be transacted at the regular meeting of the local camp of Modern Woodmen tomorrow night and it is important that every member be present.

The Royal Neighbors will have their regular meeting tonight, and it is requested that the entire membership be present. Subjects of vital importance are to be discussed.

Perhaps the most delightful affair of the social season was the thimble party given yesterday afternoon by the Mesdames Heuer, Sellermeyer and Vance at the home of the former from half past two to four. It was a very large company, and a most delightful time was had. Among the events of the afternoon was the talent displayed in embroidering an initial letter, which later were handed to a committee of judges in the persons of Mesdames Schirmeyer, Dugan and Ellingham and it was their privilege to award to Mrs. Frank Bell the prize for demonstrating the greatest ability and accomplishment in this line of work. The favor was a handsome pair of embroidery scissors. A two-course luncheon was served in the dining room, which was handsomely decorated with cut flowers. Those who assisted in serving were Misses Blanche Dibble, Frederica Heuer, Della Sellermeyer and Mesdames Jesse Sellermeyer, Fruchte and D. B. Erwin. The guests of honor were Mrs. Frank E. France and Mrs. Julius Spies, both of whom were associate Boston store clerks with Mrs. Heuer in the good old days. The honored guests were each the recipient of a handsome hand-painted china plate. Out-of-town guests were Mrs. Compton of Winona, Mrs. Rowe of Indianapolis, Mrs. Haubold of Evanston and Mrs. Frank Bell of Cleveland. Mrs. F. E. France of Muskogee, Okla. Mrs. Frank Alwein of Shelbyville, Ohio, and Mrs. Julius Spies of Cleveland, Ohio.

The ladies of the Historical Club will be entertained at the home of Mrs. C. D. Lewton this evening at which time the study of Paul the missionary will be taken up. The topic will be discussed as follows: First missionary tour; second missionary tour; imprisonment in Ce-

sarea and Rome; his death. The hostess will be assisted by Mrs. O. L. Vance in the entertainment. The ladies are expecting a very pleasant meeting.

The ladies of the Shakespeare Club are anticipating a most delightful meeting tomorrow afternoon at the home of Mrs. Morrison. "The Viceroys" will furnish the theme and it will be ably discussed. The hostess will read a well prepared paper on the topic of unusual interest in the place of Mrs. Holloway who has left the city. The period for the study will include the intervening time between 1535 and 1822.

The Ladies' Missionary Society of the M. E. church will not meet again until the month of February.

The Epworth League of the M. E. church will give a reception in honor of Harold Wilcox Friday evening, and an excellent program has been planned. Mr. Wilcox leaves Monday for St. Louis, Michigan, to assume the editorship of his father's paper, and the reception will be a tribute well deserved by Harold for his efficient and untiring efforts in behalf of the organization.
