J. H. HELLER, Manager.

Decatur's new city hall looks mighty good, and we thus early extend our congratulations to the city fathers for their enterprise and wise management of the corporate interests of the best little city on the map. Every arrangement of the building not alone is a credit to the city, but the architect, Mr. Hoffman, as well.

Representative Morris Sheppard of Texas is developing as rapidly as any young man in congress as an orator. Out of the regular order the other day he made rather a long speech on the tariff. At first members did not seem inclined to listen to any such talk as this, for they realize that during the coming extra session they will be surprised with argument, but the Texan got their attention at the start and held a large audience at the close. One of his strong points is that he has no manuscripts or notes before him, and that always tells in a body like the house.

During the civil war when General Ben Butler had possession of the city of New Orleans he seized about \$225,000 of the funds of one of the national banks there, and as it was all in good money, being coin, he turned it into the United States treasury. It has been there ever since, but in a few days it will be restored to its owners, as congress has passed and the president has signed a bill to that effect. All these years efforts have been made to adjust the matter. The money has simply been lying idle in the treasury. Ex-Congressman Phil Thompson of Kentucky, engineered the matter through congress for the bank, and he gets a pretty snug fee for his trouble.

HON. E. G. HOFFMAN WAS HERE
He Discussed the Recent Senatorial Campaign and Election.

Hon. E. G. Hoffman, of Fort Wayne, was in the city for a short time this morning, business of an important character being the drawing card. He spoke of the recent senatorial fight in the most pleasing way, and said that he came out of it clean, sweet smelling and happy. He is justly proud of the little fighting band that stayed with him through thick and thin, and that he would not live long enough to forget their loyalty and good wishes. He is now busy in the practice of law and will endeavor to forget politics for the time being.

The Christian church congregation at Buena Vista is making arrangements for the building of a new cement block church, which will be started within a short time. The church will be one of the best in that section of the country, and while not so stately as some of the city churches, it will be large enough to accommodate the congregation and its friends.

VOTED AGAINST THE INCREASE
Senator Beveridge Against Raise in President's Salary.

Washington, January 20.—The amendment increasing the salary of the president to \$100,000 was adopted by a vote of 35 to 30. The Republican senators who voted against the increase were Beveridge, Borah, Brown, Burkett, Clapp, Dooliver, LaFollette and Piles. No Democratic senators voted in favor of the increase. An amendment was adopted providing for an "under secretary" of state to be paid \$10,000 per annum. The salary of the chief justice of the supreme court of the United States was fixed at \$15,000 instead of \$13,000 as at present, and the salaries of associate justices at \$14,500 instead of \$12,500.

WHO IS BEHIND THE SUIT? An Air of Mystery Surrounds Libel Suits.

Washington, Jan. 20.—The question of whether or not the federal government or individuals or both, instituted the proceedings for libel in connection with the Panama canal purchase, still remains a mystery, in so far as the general public is concerned. So completely have the tracks in the complaint been covered that not the slightest intimation has been given which would clear up this important and much discussed point. The federal grand jury has today continued its investigation into the matter and a number of witnesses were examined. Principal among these were Messrs. Douglas Robinson, brother-in-law of President Roosevelt, and Charles P. Taft, brother of the president-elect, both of whom refused to say whether they appeared as plaintiffs. All of the Washington correspondents who were cited to appear gave information establishing their connection with either the New York World or the Indianapolis News, while several newsdealers and a newsboy testified to having sold the paper to the general public.

FOR AGED PEOPLE.

Old Folks Should Be Careful in Their Selection of Regulative Medicine.

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating. We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorder. We are so certain that it will cure these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost you nothing if they fail to substantiate our claims. This remedy is called Rexall Orderlies.

Rexall Orderlies have a soothing, healing, strengthening, tonic and regitative action upon the dry, relaxed muscular coat of the bowel. They produce a natural, successive contraction and relaxation of the muscular fibres of the bowel walls, generating a wave-like motion which forces their contents onward and outward; thus stimulating nature in perfect bowel movement. They also remove all irritation, dryness, soreness and weakness. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity.

They may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhea, excessive looseness, flatulence or other disagreeable effect. Try Rexall Orderlies on your guarantee. 36 tablets 25c. and 12 tablets 10c. The Smith, Yager & Falk Drug Co., Decatur, Indiana.

NEEDFUL KNOWLEDGE

Decatur People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Decatur proof:

Daniel Weldey, retired farmer, S. First street, Decatur, Ind., says: "I have had bad kidney trouble for years and at my advanced age, I consider a cure impossible." However, I have used Doan's Kidney Pills procured from the Holthouse Drug Co. and from the results received, I consider them a remedy worthy of endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

FREE TO LADIES—On Friday afternoon the box ball alleys on Madison street will be open to ladies only from 12 o'clock noon until 7 in the evening. They can have the use of the alleys free of charge on that day.

CATARRH MUST GO.

It is such a remarkable cure, and so positive in its action, that Holthouse Drug Co. goes so far as to guarantee it to cure catarrh or money back.

A complete outfit, which consists of a hard rubber pocket inhaler, a bottle of Hyomei, and a unique dropper for filling the inhaler, only costs one dollar, and if an extra bottle is afterwards needed the price is only 50 cents.

Hyomei is a healing, antiseptic balsam, taken from the mighty eucalyptus trees in the health-giving forests of Australia, where diseases of the respiratory tract are unknown.
