A CORROBORATION.

Of Interest to Decatur Readers.

For months Decatur citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Decatur residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed, if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Decatur reader.

John Oswalt, Elm street, Decatur, Indiana, says: "During the civil war I was injured and ever since I have been bothered by dull, heavy pains across the small of my back. When I used Doan's Kidney Pills procured from the Holthouse Drug Co., I did not expect they would cure me, but I must say that they have benefitted me a great deal. I made this fact known through a public statement in August, 1902, and at this time I can confirm what I then said. I have since heard of other persons who have been entirely cured of kidney trouble by this splendid remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A DOUBLE WEDDING

Holy Grails and Knights of King Arthur Held a Meeting

The lecture room at the Presbyterian church last night was a scene of animation when the Holy Grail, the Knights of King Arthur and the Monroe Castle convened in a senate. The senators spoke with spirit and energy, but with deliberation and grave consideration of the important questions they were discussing. The vice president, Will Conrad, was present and presided as chairman of the senate. Every senator was present, there being two for each state, one hundred in all, as in our United States senate. Three bills of importance were discussed at this meeting. The Democratic leader of the senatorial body, Howard Wisehaupt, held his hearers spellbound by his eloquence. Don Burke, Republican leader, spoke fluently and with energy, and was applauded both by the senatorial circle and those in the gallery. The leading speakers of last evening were Senators Burk, Wisehaupt, Hunter, Baumgartner and Perkins. At the convening of the senate on March the second, the public is invited to attend. It is the desire of the senatorial committee to have the galleries filled. It was also decided by the committee that the members of the Holy Grail not present at next Tuesday's meeting would not be allowed to take an active part in the deliberations on March the second.

A very pretty double wedding will be solemnized next Saturday evening at the old John Hyerly homestead near Vera Cruz, when Miss Adeline Ashlemon becomes the bride of Mr. Albert Hyerly, and Miss Della Frauhiger becomes the bride of Mr. Jeff Hyerly. Following the ceremony an elegant dinner will be served to the guests of whom there will be about fifty.

The telephone girls will enjoy a bob sled drive to the home of Mr. and Mrs. Joe Daniels at Preble tonight. The girls at the office who will go are Maggie Daniels, Gusta Cramer, Mayme Conter, Bessie Gardner, Anna Martin, Fanny Robinson, Ada Murray, Agnes Dutcher, Kate Hammel, Clara Shultz, Pearl Purdy, Kittie Fought, Kate Flickinger and Mrs. Claire Green, of Spokane, Wash.

The W. R. C. will entertain the Grand Army veterans with a banquet at the G. A. R. hall tonight.

Miss Anna and Mr. Fred Martin went to Fort Wayne this morning to attend a party given in honor of Mr. Martin by their aunt, Mrs. Joe Baker, at the Old Fort Place. All the relatives of the Martin family will be present at the affair. Mr. Martin will leave soon for his home at Fairbanks, Alaska.

A class of forty Yeomen went to Fort Wayne under the supervision of the state deputy, William Bowman, last night. The crowd was initiated into the mysteries of their order and came back genuine Yeomen. The lodge is comparatively new, and is destined to become an important lodge from all appearances.

There will be a pedro party tonight at the C. B. L. of I. hall. The members and their friends are cordially invited to attend.

Mr. John Troutner, living about a mile south of Pleasant Mills, was greatly surprised last night when entering his home to see the familiar faces of friends and neighbors gathered there to say farewell. Mr. Troutner and family leave for California. The evening was devoted to games and music.

A number of Decatur people will go to Huntington next Friday afternoon to attend a euchre party to be given by Mrs. Etta Rossenbraugh at her home in Huntington.

The Red Men will meet tonight to initiate new members and to take part in the festivities following the initiation. There will be five new members taken in, and a banquet will be given immediately after to the old and new members of the organization.

ACTUAL STARVATION.

The Smith, Yager & Falk Drug Co. Give Facts Regarding Dyspepsia.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

Dieting cannot cure dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.

We can cure dyspepsia. We are so confident of this fact that we guarantee a cure, and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. We exact no promises, and put no one under any obligation whatever. Surely, nothing could be fairer. We are located right here in Decatur, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one in Decatur who is troubled with indigestion or dyspepsia in any form to come to our store and get a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, immediately relieve nausea and all stomach irritation, produce perfect and healthy digestion and assimilation, and promote nutrition.

A 25c package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases, this is sufficient to produce a cure. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 35c and 89c. The Smith, Yager & Falk Drug Co., Decatur, Ind.

Teple, Brandyberry & Peterson will continue their sale to March 1st.

WRECK AT PREBLE

Three Cars Are Said to Have Overturned There

ON THE ERIE TRACK

Excitement Was High at Sister Village—Wreck Train

Information, although meager in detail, has reached the city relative to a wreck which occurred on the Erie track at Preble this morning. Although our informant was not possessed of many facts in regard to the misfortune, he told of how three cars had been overturned near the switch at that place. Ice had frozen in the frog of the switch and when the cars were being run off the main track in some manner the switch was sprung, allowing the cars to be derailed and they were overturned. Luckily no one was injured, but excitement was at high tension for several hours at the little village. The wreck train from Huntington appeared upon the scene and soon cleared the track, permitting other trains to pass. The Erie employees in this city have not learned anything definite in regard to the wreck, and for the reason that it is impossible to reach Preble by wire, we were unable to secure further details in regard to the affair and the results may have been more serious than is anticipated.

NASAL CATARRH.

Holthouse Drug Co. Sells the Great Remedy that Cured Mrs. Karberg. Here is a very simply yet wholly sincere statement of a Michigan woman, who was cured by using Hyomei—the no cure no pay remedy for catarrh, asthma, hay fever, croup, coughs and colds.

"Abad case of catarrh was cured for me by the use of Hyomei. The trouble affected my head, nose and eyes, and was very annoying and disagreeable, and the cure, from the use of Hyomei, was very gratifying. Hyomei has from me a strong recommendation and endorsement."—Mrs. E. Karberg, 213 Kingsley St., Ann Arbor, Mich., Nov. 16, 1908.

Thousands of just such letters are in existence, and thousands more would be but for the desire to avoid publicity.

If you have catarrh, bestir yourself, and drive it out of your system. Kill the germs. You can do that easily if you use Hyomei (pronounced High-o-me).

It is a dry, antiseptic and very pleasant air, that when inhaled, quickly relieves all forms of catarrhal inflammation, stops snuffles, hawking and blowing. The price for a complete outfit, including inhaler, is only \$1.00 at Holthouse Drug Co.
