J. H. HELLER, Manager.

Republican statesmen are bemoaning a loss to the state in having a congressional delegation composed mostly of Democrats. It is pie they lost and not standing, and any time that a Republican loses pie, it hurts.

Here comes inquiries from every which way seeking a corner on the city building bonds that will be offered for sale in this city. All this shows that we are gilt edged and that those with money in their sock are casting gluttonous eyes upon us. We are glad of it.

It is truth and not fiction that Decatur is about the best town that is located on the map, and that being true why not help along the good news by making it also the most beautiful. All it takes now is for the public spirited and progressive ones to get busy with the agitation for a cleaning up shower. A digging out, and a cleaning up will do the only thing needed to make Decatur the sweetest smelling rose in the bunch.

There is real and genuine rejoicing in Adams county over the refusal or the failure of the general assembly, in repealing the three-mile gravel road law. It has been a blessing in disguise, and has added much to the comfort in living and more to the value of the real estate holdings the county over. We surmise that if the many who sought to have it repealed would test it out, they would find that they came near losing the best law on the statute books.

There was a big deal in pie pulled off at Indianapolis on Monday. The Republican members of the legislature hated to do it, but they finally consented to a wholesale reduction in state taxes, provided they were privileged to retain their grip on filling all the jackall places around the state house. The reduction in taxes will save the people of the state five hundred thousand dollars, but what is that compared to the high privilege of dealing in pie, and handing out large portly looking jobs to the boys who helped them save the country. You may talk about your fealty and your patriotism, your statesmanship and your love of state and country,

but the pinnacle of them all is the pie. It was perhaps the biggest deal in pie that has ever been recorded in one sitting, and thanks to the Democrats—all of whom are beastly hungry, but whose hearts do not beat in their stomach—they saved the money and turned up their nose at the pie.

## ST. PATRICK'S DAY.

The big Fort Wayne chorus composed of 30 voices will do their stunt at the Bosse opera house on Wednesday evening, March 17. This organization is composed of the best musical talent in the city of Fort Wayne, and we can say that no musical organization ever visited this city that could be any better than the Dudley Buck chorus. A fine array of talent in chorus work and solo singing. Such eminent men as Dr. S. E. Brown, Dr. C. C. Kimmel, Wm. Swartz, Earl Ehrhardt, Carter G. Kohlmeier, Ernest Schaefer and a coterie of musical talent accompany this organization which marks the Dudley Buck chorus as one of the best musical organizations in the state and the most popular in the city of Fort Wayne. Manager Bosse has secured this attraction at a great expense, and invites the music loving people of this city to help him out. It is not often that we have an opportunity of witnessing an attraction of his kind and the citizens should respond liberally. The prices are only 25 cents for blue chairs and 35 cents for opera chairs. Seats will be on sale Monday morning at 9 o'clock.

## FOR AGED PEOPLE.

Old Folks Should Be Careful in Their Selection of Regulative Medicine.

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorder. We are so certain that it will cure these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. This remedy is called Rexall Orderlies.

Rexall Orderlies have a soothing healing, strengthening, tonic and regulative action upon the dry, relaxed muscular coat of the bowel. They produce a natural successive contraction and relaxation of the muscular fibres of the bowel walls, generating a wave-like motion which forces their contents onward and outward; thus stimulating nature in perfect bowel movement. They also remove all irritation, dryness, soreness and weakness. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhea, excessive looseness, flatulence or other disagreeable effect. Try Rexall Orderlies on our guarantee. 36 tablets 25c, and 12 tablets 10c. The Smith, Yager & Falk Co., Decatur, Ind.

## STEAMER HALL ABANDONED

The Dimock, However, May Be Patched Up and Saved.

Chatham, Mass., March 12.—The Steamer Horatio Hall, which was sunk to her hurricane deck in Pollock Rip Slue in the collision with the steamer H. F. Dimock yesterday, was abandoned to the wreckers early today, and another fleet of professional sea physicians assembled about the stranded steamer Dimock, fifteen miles away, on Nauset beach to patch up her wounds and give her new life. The Hall was abandoned by Captain Jewell, his mate, pilot and two members of the crew early today, after all hands had remained on board the boat for nearly twenty-four hours after her sinking. The tug John G. Chandler took them off in the early morning hours.

## DANDRUFF GERMS MUST GO

In America the dandruff germs must go. The war of extermination has been declared. The battle has begun, and already thousands of intelligent Americans have permanently rid themselves of this filthiness.

Today it is no more necessary for a man to have dandruff in his hair than to have tartar on his teeth.

Dandruff can never be cured until the small, aggravating and indomitable dandruff germ is conquered and destroyed.

And millions of dandruff germs have been destroyed, thanks to the great scientist and dermatologist who gave to the world Parisian Sage, the only real dandruff cure and hair grower the world has ever known.

If you have dandruff, Parisian Sage will cure you in two weeks, or your money back.

But besides ridding the scalp of dandruff, Parisian Sage is guaranteed to stop falling hair and itching of the scalp. It is not a dye. It is a prime favorite with women of refinement. It makes the hair soft, lustrous and beautiful, and is not sticky or greasy.

Large bottle for 50 cents at Holt-house Drug Co., or by express, charges prepaid, from the American makers, Gironx Mfg. Co., Buffalo, N. Y.

## HAD QUIT WORK READY TO GIVE UP IN DESPAIR

Restored to Health By Vinol  
"I was sick, run-down and finally had to give up work. After trying a number of remedies and several physicians, I was just about ready to give up in despair. I saw Vinol advertised and decided to try it, and it has done more good for me than all other means combined. It has built me up and restored my strength until I now feel twenty years younger, and am able to attend to my work again as usual." Job Jeavons, 1036 Lind street, Wheeling, W. Va.

The reason Vinol is so successful in such cases is because it contains iron and all of the strengthening blood-making and body-building elements of cod liver oil, but no oil. Vinol is unexcelled as a strength creator for old people, delicate children, weak, run-down persons, and after sickness—and is the best known remedy for coughs, colds and bronchitis. We return your money if Vinol fails to give satisfaction.

## HE WANTS THE WORLD TO KNOW Good Reports Are Coming in From Every Direction.

Many people of Decatur and vicinity are greatly interested in the new remedy, Root Juice, that is now being demonstrated in Holthouse drug store. It is certainly a great medicine if one can judge by the reports that are coming from every direction. A number of local people are claiming that the first dose of the juice made them feel better. During the past few months the remedy has made scores of remarkable cures in many sections of the state and created considerable excitement. Numerous testimonials similar to the following are being received almost daily: "I write this for publication with the hope that it will influence those who suffer as I did, to try the great medicine that cured me. The wonderful Root Juice medicine has done so much good for me that I feel it my duty to publish it to the world. I spent a life of misery for years, but thanks to Root Juice I am now free from every ache and pain. I, like many others, was very skeptical when the papers first told of the many hundreds of cures the remedy was making. When the scientist was invited to come here I thought he would be unable to prove all that was claimed for the medicine. However, I was son convinced, as it did wonders for several of my neighbors. At the time I felt that every organ of my body was nearly worn out. My liver was torpid, my kidneys were weak and my stomach was in a horrible condition, at times it felt like it had rocks in it, a great deal of gas formed and I bloated fearfully. I had dizzy weak spells frequently and was badly constipated. My appetite was very poor and even in hot weather my hands and feet were often cold. I was using some kind of medicine most of the time without much benefit, but after using Root Juice a few days I began to improve. I have used hardly six bottles, but am feeling better than I have for twenty years and firmly believe that I am permanently cured."—O. H. Cummings, R. R. No. 4, Lafayette, Ind. The people at Holthouse drug store are very pleasant in giving information in relation to the remedy. It is sold for \$1 a bottle or three bottles for \$2.50.

Argo Brushwiler, a former Decatur boy, who is now located at Boulder, Colo., likes the country well and is prospering at that place.

Grace: Pimples, blotches, rough shiny skin are from the blood and stomach. A simple and never failing remedy—one that makes clear, healthy complexions, pure blood, perfect digestion, is Hollister's Rocky Mountain Tea. Surprise yourself. Tea or Tablets, 35 cents.
