TO MR. BERT NEW

If Governor Marshall has been de-

laying the appointment of Mr. Bert New as legal adviser to the executive office on account of rumors that Mr. New's selection for the place was the result of a deal which involved Mr. New's retirement from the contest for reporter of the supreme court, it would seem that he need hesitate no longer.

There has never been any question whatever as to Mr. New's fitness for the place or as to his party loyalty. On the contrary, he shares the good will and respect of leaders in both parties and the legal profession generally. The only objection ever made to his appointment was a charge offered by Republican politicians who sought to discredit the selection as they would undoubtedly have sought to discredit any selection Governor Marshall might make, on the pretense that Mr. New's abandonment of his contest was the condition upon which the Republican senate consented to the bill creating the office to which Mr. New is to be appointed. Those who made these assertions have signally failed to prove them, though offered every opportunity to do so, and will not even assume responsibility for them. They are therefore utterly discredited, and the only regret of The Star is that it should have given publicity to them. If Governor Marshall has given any weight to them,

the best answer he could make to them would be to appoint Mr. New without delay—an appointment which we think would meet with general satisfaction and approval.—Indianapolis Star.

At Springfield, Ill., a man pricked his hand with a pin March 19, and on the 22nd died of blood poisoning from the wound. There is always danger in the germs that are lurking in the earth and air. Even the slightest abrasion may give them fatal lodgment in the blood. Cleaning with warm water and disinfection with alcohol or other antiseptic is a safe precaution. It is well, too, that a wound should bleed, for this is nature's method of washing it.—South Bend Times.

Mrs. M. V. B. Archbold of Fort Wayne, who formerly lived here is hostess this evening to a company of friends at six o'clock dinner. Guests from Decatur are Mesdames Fred Linn and Charles Elzey, who will attend tonight an inspection of the Fort Wayne order of Pythian Sisters.

Miss Veda Hensley entertained the girls of the G. L. C. at her home Friday after school. Music and games were the amusements. Refreshments were served by the hostess.

Thursday was the thirty-ninth birthday anniversary of Mrs. W. P. Johnson, and several neighbors and friends gathered at their home in the evening to remind her of the fact. A bounteous supper was served, after which social conversation, music and games were the chief features of the

One of the best clubs in town is the G. of T. B. Club, the "Girls of True Blue." They have been organized for some time, the social times at their meetings, are always enjoyed by the members who meet weekly. They devote a part of their time to study as in several of the other clubs. This has been a great benefit to the girls. At each meeting the life of a great master of music is studied. Those who belong to the club are the Misses Bernice Dewitt, Hulda Mutchler, Lydia Kirsch, Effie Miller, Flora Peters, Emma Widler, Agnes Sellemeyer, Erma Houck. At the last meeting of the club it was decided that there would be no more meetings until after Easter.

J Irene Gregory is the little hostess at a meeting of the Busy Bee Club. Refreshments will be served and a general good time enjoyed by the little girls.

BEGINS APRIL FIRST

Clyde M. Rice is Newly Appointed Mail Carrier

THE ROUTE CHOSEN

He Will Carry West of Third Street—Good Service

Clyde M. Rice, for years a teacher in the Decatur public schools, and a successful one, tendered his resignation to the board last night which subsequent to its acceptance took immediate effect and Mr. Rice will begin duties Monday as a city mail carrier. However his salary will not begin until Thursday, April 1st, but he will appropriate the time intervening in acquainting himself with the work. The route of Mr. Rice has been chosen. The business section of the route includes the business places between the Holthouse, Schulte and Company clothing store and the Everett & Hite grocery store and he will carry mail to the residences west of Third street to the city limits and as far south as the Chicago & Erie railroad. William Dorwin whose business route has been on the east side of Second street has changed to the west side. By the new system to be inaugurated excellent service will be given over the city. Three men found it impossible to carry mail to every residence in the city and this matter properly presented to the government inspector, has brought the desired results, and after April first four carriers will be on the pay roll of Uncle Sam.

CONTINUES TO WORK WONDERS IN DECATUR.

But Next Week Will Be the Last of Demonstration.

It is absurd to doubt the great merits of Root Juice as proofs of its wonderful health-promoting merits can be found in scores of homes here in Decatur and vicinity. It has undoubtedly proved to be the world's greatest healing tonic to the stomach, bowels, bladder, liver and kidneys. No weak sickly man or woman can afford to wait another day without getting some of the great medicine, as a few doses usually creates marked improvement and from the experience of many local people the soothing, healing and strengthening action of the remedy is so rapid that it is absolutely wonderful. Dozens of people have so reported at Holthouse drug store within the last few days. We are informed that the demonstrations will positively close at this point next Saturday night and until the close of the demonstrations the Juice will be sold for one dollar a bottle or three bottles for two dollars and a half.

DRY JULY FIRST

According to Attorney General Bingham This Will Happen in Decatur

GIVES HIS RULING
Says Local Option Law Went Into Effect September 26th Last

According to the opinion of Attorney General Bingham, Decatur will be dry after July 1st, nearly three months prior to the time which has been counted upon. Mr. Bingham has ruled that the local option law went into effect September 26th, the day it was signed, although there was no emergency clause to the bill.

The county local option law was passed on Sept. 26, and it became effective by proclamation of former Governor Hanly on Nov. 20 of last year. It is provided in the law that those licenses which were taken out after the passage of the bill should become void at the expiration of ninety days in the event that the county voted "dry." The question has arisen throughout the state where the saloons have been ousted that the licenses taken out after the passage of the bill would be good for one year, provided they were signed in the intervening time between the passage of the bill and the time it became effective by proclamation.

A number of liquor men who obtained licenses in this intervening time did so on the belief that their permits would be good until the expiration of the year from their date, but this theory is rejected in the opinion sent out from Mr. Bingham's office.

The law has been interpreted to mean that only those licenses taken out before the passage of the bill can run until the expiration of the year, and that those only for ninety days after the county has voted out the saloons.

If his ruling stands, then Charles Zeser, William Badders, J. J. Tonner, Joseph Knapke, Albert Lehman whose licenses do not expire until October and November will have to cease business in May after the ninety days are up, the same as those who took out licenses later. If this is true, the saloons in Decatur will cease with the expiration of the licenses of L. T. Brokaw and Charles Omlor on July 1st.

SECURED SPEAKER

Dr. Wickersham, of Des Moines, Iowa, Will Lecture to Class

BRILLIANT SPEAKER

He is Said to Be One of the Best Lecturers on American Platform

The Senior class of the Decatur high school has selected Dr. Wickersham of Des Moines, Iowa, to deliver the address at the commencement exercises at Bosse opera house, May twenty-eighth. During the spring when there is a great demand for public speakers, it is difficult for the smaller high schools to get a good speaker. However, the pupils of this year's graduating class secured a prominent and able lecturer who will talk on that night. There was some discussion previously, whether they would secure a speaker or whether each member would prepare an essay for commencement. The lecturer was chosen and will deliver a brilliant address. Ever since the class of nineteen graduated, this has been the custom. Formerly each pupil prepared his own commencement work and received good training on his first appearance before an audience.

THE OTHER OFFICERS

Order is Growing Rapidly
May Build a Home of Their Own

The meeting of the Elks lodge last evening was one of the best ever held by that popular order, it being the occasion for the annual election of officers and the attendance was unusually large. There were three candidates for exalted ruler, David E. Studabaker being the successful member to secure this much coveted honor.

He will succeed W. A. Lower, the present presiding officer. The other officers chosen were Joe Berling, esteemed leading knight; J. C. Sutton, esteemed loyal knight; Charles Elzey, esteemed lecturing knight; Wm. Dorwin, secretary; Charles Niblick, treasurer; Charles Ernst, trustee and Jesse Niblick tyler. The lodge is in a splendid condition, is growing rapidly and is accumulating a handsome surplus in its treasury. In all probability the order will in the next two or three years own a handsome home of its own and when they do the people of Decatur may rest assured that it will be a beauty and one that every citizen can feel proud of.
