THE TARIFF

TO BE REVISED HIGHER

The Republican majority in congress has worked nearly four months on their tariff bill. When the bill shall finally be passed the average of duties will be much higher than they are now under the Dingley law. The Dingley rates are admittedly higher than was necessary for "protection," even according to the Republican idea in 1897, when the "protection" craze was at high tide.

Having, in the last campaign, promised a revision which they made the people believe would be downward, the Republicans have not only revised the tariff upward, as the Democrats declared they would, but they give the president authority to increase the rates 25 per cent. additional. A commission is to be created to advise the president about this 25 per cent. increase. This commission is to be appointed by the president, and he fixes the salaries and the term of service. The members of this commission will all be Republicans and "protectionists."

A Democratic senator asked that the commission be made non-partisan, but this proposition was, with the exception of Senator LaFollette, unanimously opposed by the Republican majority. The Republicans have shown that they intend to keep everything relating to the tariff in their own hands. One would think that those Democratic senators who voted in several instances with Aldrich would feel that they had sold their political honor for a mess of pottage—and then didn't get the pottage.

If Colonel Durbin is actually a candidate for the senate to succeed Beveridge, what does he propose to do about his old friend Colonel Hanly. If Colonel Durbin mounts the dapple gray county option hobby-horse, Col. Hanly will bestride his milk-white prohibition steed. The color of the Beveridge animal is not definite, but he has been entered for the go. It ought to be a funny race. Indeed, it will be a funny race—while it lasts.

The straight-laced temperance and prohibition advocates no doubt received a mortifying jar the other day when they read in the newspaper dispatches that E. H. Harriman had been ordered by his physicians to take up the simple diet of bread and beer. And when you think of it there is little doubt but that Mr. Harriman will be greatly benefitted if not permanently cured by this simple treatment. Dr. Struempell of Semmering, Austria, is the greatest specialist in the world, but he will get his from the ranting prohibitionists who will decry the treatment while the brewer and his ally will pronounce him the greatest soul saver of modern times. So it will be seen that even the greatest medical specialist in the world has a hard time in suiting the delicate tastes of human kind.

NATURE'S REMEDIES FOR DISEASE.

Nature provides more effective remedies in the roots and herbs of the field than were ever produced from drugs.

Thirty years ago, Lydia E. Pinkham of Lynn, Mass., discovered and gave to the women of the world a remedy made from roots and herbs, which has proved more efficacious in curing women's diseases than any other medicine the world has ever known, and today Lydia E. Pinkham's Vegetable Compound is looked upon everywhere as the standard remedy for woman's ills.

PLEASES TEACHERS

Announcement that Northern Association Will Meet at Fort Wayne

DURING NEXT APRIL

That City Will Arrange to Take Care of About Three Thousand

Dispatches from Crawfordsville today announce that the annual convention of the Northern Indiana Teachers' association next year will be held in Fort Wayne. The dates are April 7 to 9, 1910. The selection of Fort Wayne was made after Prof. L. N. Himes, chairman of the executive committee, had made a trip to Fort Wayne to investigate the hotel facilities in this city. Mr. Himes is convinced that Fort Wayne is amply prepared to care for the big crowds of teachers which will number something like 3,000. Ten years ago the convention was held in Fort Wayne, and at the Indianapolis meeting this year the Fort Wayne teachers extended the convention an invitation to come here in April next. The matter was placed in the hands of the executive committee, with the result that Fort Wayne has now been definitely chosen.—Fort Wayne Sentinel.

Mrs. Noah Mangold is entertaining the Ladies Aid Society of the Christian church.

J. Hower left the city today for Detroit where he will attend to business and enjoy an outing.

Mrs. E. D. Walters and son Donald and Miss Little Stumbaugh of this city and Miss Marie Praunger of Fort Wayne was the guest of Mrs. John Ritter of Eighth street at a delicious dinner Friday noon.

Gandy Brothers, the real estate men from Ligonier and Fort Wayne, were here this afternoon, looking after business in their line. They travel in their own automobile and their territory embraces the entire northeastern section of Indiana and a good part of Ohio.

WOMAN, LOVELY WOMAN.

But Alas, Without Beautiful Hair No Woman Can Be Handsome.

A great many newspapers and magazines are printing pages on how a woman can be beautiful.

And every one, as you can see for yourself, admits that no woman can be really beautiful unless she has lustrous and luxuriant hair.

The women of Paris, are, as a rule, beautiful and keep beautiful, and a careful American observer who has traveled much claims that their beauty is due to their knowledge of how to keep their hair luxuriant, which they do by using a superior hair tonic. Many American women are as wise as their French sisters, and that is why Parisian Sage, the quick acting and greatest of all hair restorers, and tonics, is now having such a tremendous sale in America.

We ask every woman reader of this paper to give this marvelous hair beautifier a thorough trial, and we gladly make them this liberal offer: Get a large 50 cent bottle from Holthouse Drug Co. today, the largest for the money in America. Use it as directed for two weeks. If at the end of that time you are not satisfied with results, say so to Holthouse Drug Co. and they will give you your money back.

Besides being a delightful and invigorating hair dressing, free from grease and stickiness, Parisian Sage will surely cure dandruff, stop falling hair and itching of the scalp, or money back.

The girl with the Auburn hair is on every package, and leading druggists in every town sell Parisian Sage.

SEES MOTHER GROW YOUNG.

It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick, of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors gave her up and all remedies failed till Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c at all druggists.

THE WEDDING FAILED TO OCCUR

Charleston, Ill., July 9.—With the trousseau completed and partly packed, the invited guests assembled, the minister, the Rev. B. B. Braden, and the prospective bridegroom standing expectantly by his side, both awaiting the entrance of the bride-to-be, the proposed marriage of Miss Tannie Doty, the beautiful daughter of Mr. and Mrs. Marion Doty, living five miles south of this city, and the Rev. James Snodgrass, pastor of the Baptist church at Hammond, Ind., did not take place, but instead the father of Miss Doty entered and announced that the wedding of his daughter to the clergyman from Indiana had been postponed indefinitely.

SOCIAL DECATUR

Mrs. Bart France to Entertain the Black Rag Club

OTHER SOCIETY NEWS

Church Societies are Busy—The Bachelor Maids

The Black Rag Club will meet at the home of Mrs. Bart France next Wednesday afternoon.

The Bachelor Maids held their meeting with Miss Rose Voglewede last evening. The members were entertained at a eucyre party, eucyre being usually played at each meeting. A very pleasant event was spent. Mrs. Thomas Haefling won high honors and Miss Mayme Deininger second honors. Those who were present and not club members were the Misses Schaub and Louisa Brake. Miss Schaub recently came to this city from Union City, her old home, and since being here has been a guest at a number of parties.

A crowd of young people, oh, not so real young, from this city, have planned a picnic at Robinson park, Fort Wayne, for next Thursday afternoon. The ladies will go at noon and the men will follow at four o'clock arriving there in time for the supper. Of course the event will be a happy summer affair.

Mrs. J. D. Leiter was given a surprise farewell party by the members of the Rebekah lodge at her home on north Fifth street last evening. Mr. and Mrs. Leiter and daughter will leave in a few days for Akron, where Mr. Leiter has secured a position. During their short residence in the city both Mr. and Mrs. Leiter have become well known and they have many friends here. The lodge members enjoyed the evening which passed quickly and sociably with music.

The Ladies' Aid and Missionary societies of the Calvary church will give an ice cream social on the lawn at the parsonage, just one mile east of this city. The event will occur on tomorrow evening and the members of the society extend a cordial invitation to the public.

Miss Naomi Dugan will give an evening party for Miss Dorothy Johnson, of Winchester, who is visiting her. A number of girls have received invitations, and the event promises to be a very pleasant one. The guest of honor came about a week ago to this city to visit. Several parties have been given in her honor, among them being the one Wednesday given by Miss Ruth Buhler.

Saturday of next week will be a great big day in Decatur for on that occasion, about three thousand Woodmen will come here to attend the big annual log rolling for this district. The program as arranged will furnish amusement for young and old and you are all invited. Please remember that you don't have to be a Modern Woodman to enjoy this day. You are invited anyway and can partake in all the fun.

FIVE HUNDRED DOLLARS

"Wouldn't Pay Me for the Relief I Got from Piles."

"For 12 years I suffered with piles, brought on by any strain or hard work. Since using Hem-Roid eight months ago, I have not had an attack can do any labor and eat what I wish without ill effect. I would not be in my former condition for \$500."

(Signed) Wm. McAdams, Cook's Falls, N. Y.
Sworn to before notary Mar. 23, '08.
Dr. Leonard's Hem-Roid, an internal tablet cure for piles, is sold for \$1 by Holthouse Drug Co., Decatur, Ind.

COURT HOUSE NEWS

Judge Macy Cannot Come Here July 14th as Was Arranged by Lawyers

ABSENT FROM HOME

The Big Case Will Not be Decided for Several Weeks at Least

Attorneys Peterson & Moran, are in receipt of a letter from J. W. Macy, Jr., son of Judge Macy, which shows another delay in a verdict in the Gall-meier land case, which was tried here several months ago and in which a decision has never been rendered. Shortly after the trial was completed Judge Macy, who heard the case, became sick and for a number of weeks could not take care of any of his legal duties. He is some better now, but by no means in good health. When a case is not decided during term time it must go over until the next term, unless by agreement of all the parties it may be decided in vacation. Wishing to dispose of the matter the attorneys in the case had agreed to the judge deciding the case on the fourteenth and wrote him to that effect. This morning's letter said that the judge was absent and would not be home until the last of the month and consequently some other date will have to be chosen or the matter allowed to go over until September.

The transfer docket at the county recorder's office shows one exchange, Basil C. Kelley to David Heller, lot 145 Berne, \$1,050.

FLOOD SITUATION IMPROVES

Streets of Cities Buried in Water, but Danger Mark is Passed.

Kansas City, Mo., July 9.—The flood situation in Missouri and Kansas tonight appeared to be gradually improving. The Kansas and Missouri rivers both were still rising, but the prediction was that tomorrow they would begin falling without causing damage here. Springfield, Mo., on the Jordan river, and Ottawa, Kas., on the Marais des Cygnes river were the points where most suffering was experienced today. The streets were buried under ten to fifteen feet of water. It is hoped by tomorrow the floods there will have subsided.

CHURCH CLASHES WITH LAW

Marriage to Deceased Wife's Sister Held Contrary to Moral Rule.

London, July 9.—By a vote of 224 to 24, the church council, which was attended by the leading bishops, clergy and laymen of the Church of England today declared that marriage to a deceased wife's sister recently legalized in this country, was contrary to the moral rules of the church and to the principles of the scriptures. Furthermore, the use of the prayer book in the service solemnizing such marriages was reprobated in the strongest terms.

THINKS HE NEEDS A GUARDIAN
Indianapolis, July 9.—Arthur E. Bradshaw of this city, filed a petition for the appointment of a guardian for W. H. Whittaker, former superintendent of the Indiana reformatory, stating that Mr. Whittaker is a person of unsound mind. Mr. Bradshaw is president of the Indianapolis Mortar and Fuel company, of which Mr. Whittaker is treasurer. Mr. Whittaker was in an improved condition tonight at "Norways," the private sanitarium of Dr. Albert E. Sterne.

CHARGES AGAINST PATENT MEDICINES.
Most of the charges against patent medicines as a class have no foundation in fact and are manifestly unfair and unjust. There are a large number of standard remedies like Lydia E. Pinkham's Vegetable Compound used in thousands of American homes which have saved hundreds of dollars to families who could not afford to consult a physician, and they have answered the purpose equally as well.

"For ten years I couldn't ride a horse without being in torture from piles," writes L. S. Napier, of Rugles, Ky., "when all doctors and other remedies failed, Bucklen's Arnica Salve cured me." Infallible for Piles, Burns, Scalds, Cuts, Boils, Fever-Sores, Eczema, Salt Rheum, Corns. 25c. Guaranteed by all druggists.
