### CANADIAN FARMERS

#### HAVE THE BEST OF IT

Abraham Lincoln once said that all of the people could not be fooled all the time. Of course this is true, but it is really remarkable how many people have been fooled so long by the word "protection" as used in our politics. One of the stock arguments of Republican orators and newspapers has been that "protection" benefitted the farmers. American farmers, however, are not helped but are harmed by the Republican system of tariffs. On this subject the Columbia City Post says:

"The fact that Canadian farmers are getting as much for their wheat and pork as American farmers is not the only thing in their favor. The great advantages they have over the American farmer is in buying of farm machinery, implements and tools, to say nothing of clothing and household necessities and building material, all of which are sold in that country for a third less than in this country. This fact can be proven by making a trip to any part of Canada and making a few investments. Especially is the difference in the cost of clothing marked. It simply goes to show that the protective tariff idea is maintained in this country for the benefit of favored few can derive from it. While the people are the losers every time they make a purchase."

The senate tariff bill "joker" is a big one. It applies not only to one or two items, but to the "whole shooting match." After fixing the various schedules which have been discussed for the public eye and ear, the bill provides that "the general tariff of the United States shall be the rates established in the senate bill plus 25 per cent." Thus the \$1.50 per thousand feet on lumber becomes actually \$1.87½. For a real artistic joke, Aldrich can beat even Mark Twain.—South Bend Times.

The school book trust knows that the present governor of Indiana cannot be fooled even a part of the time. When this concern sent its agents into the state to change the books now in use and substitute its own publications, it felt practically certain of success. But it had not taken Governor Marshall into consideration. The governor was there for the people from the first to the last, and the book trust suffered a complete rout. By his good work, in which he was aided by State Superintendent Aley, several hundred thousand dollars have been saved to the school parents of the state.

Senator Benjamin F. Shively of Indiana, who has the distinction of being the only Democrat in the senate from the section north of Mason and Dixon's line and east of the Mississippi river, has already demonstrated the fact that he will be a strong member of that body and a commanding figure on the Democratic side. Although illness has prevented him from regular attendance upon the sessions of the senate, he has made two notable speeches upon the tariff bill which are worthy of careful consideration. He demonstrated that the established rates in the tariff bill over which the controversy waged will not be the ultimate duties paid upon imports, but that the real tariff will be the rates ostensibly imposed for retaliatory purposes. He showed that when the Dingley bill was enacted the rates were intentionally made high in order to afford an opportunity to make reductions through the reciprocity treaties which

were contemplated and provided for in the measure. Each one of these treaties was in turn rejected by the senate whose ratification was necessary before they could become effective, and thus the extraordinarily high duties which the bill imposed were allowed to continue. He maintained that the maximum clause of the Aldrich measure makes necessary the addition of twenty-five per cent to the regular rates and therefore will make duties already too high, absolutely prohibitive. This is a phase of the tariff situation which has not heretofore been elaborated, and one of the reasons is that few of the advocates of the measure really understand just what it will do.

## SECOND MEETING

Of Ohio City Circuit of  
Evangelical Church  
July 31

### AT CALVARY CHURCH

The Session Will Continue  
Three Days—All  
Welcome

The second quarterly meeting of the Ohio City circuit will convene at Calvary Evangelical church, four and one-half miles east of Decatur, July 30, 31 and August 1st. The first service will be held Friday evening at 7:30. After the sermon the quarterly conference will be held, at which time one lay delegate and one alternate will be elected to represent the Ohio City circuit in the Ministerial Layman District meeting held in Fort Wayne October 5, 1909. There will be services Saturday evening, Sunday morning and Sunday evening. The Rev. J. J. Wise, the elder of the Fort Wayne district, will officiate during the special meetings. We especially urge all interested in the cause of Christ to be present. We welcome you among us. Yours for the services,  
Rev. E. K. Roop, Pastor.

## AN UGLY CHARGE

But the Friends of Bob  
Gregory Believe Him  
Not Guilty

### HE GAVE BOND

Case Will Come up at Fort  
Wayne Some Time  
Later

Fort Wayne, Indiana, July 28.—(Special to the Daily Democrat)—Bob Gregory was arrested in Decatur yesterday evening and brought to this city, where he was charged with obtaining money under false pretenses. The fellow claiming that he was defrauded is a young man by the name of Marker of this city, but the nature of the fraud perpetrated is not known. Bond was immediately furnished by Mr. Gregory, and the case will be heard some time later, upon its merits. The exact truth about the trouble between Messrs. Marker and Gregory is not known, but it is said to be connected with the disposal of some personal and other property at Clear Lake, where Mr. Gregory has been located for the past several years. The friends of Mr. Gregory are loath to believe him guilty of anything intentionally wrong, and they are of the opinion that when the time comes he will be able to justify himself in the transaction that has led to his arrest. He was on the eve of leaving for Idaho, where he intended to participate in the government land drawing, and will likely go there in a few days.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Pills. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. Holthouse Drug Co.

## SOCIETY COLUMN

Surprise Party Was Given  
in Honor of Lulu Beach-  
ler Last Evening

### A BIG BARN DANCE

Miss Anna Clark Entertained a Few Friends at  
the Park Yesterday

Mrs. Marguerite Meibers will entertain at dinner and supper today in honor of Mrs. B. Droppelman and daughter Sylvia and Miss Minnie Gerard of Louisville, Ky., and Miss Cecilia Smith of this city.

Mrs. William Beachler and Mrs. Fred Fruchte entertained at an afternoon party yesterday. Mr. and Mrs. Beachler and family will leave soon for Union City. Contests were in order, and in the first contest, a penny contest, Mrs. L. G. Ellingham won first prize. In the second, a floral contest, Miss Pearl Abrahams won first prize, a beautiful potted plant. During the afternoon musical selections were rendered, and a three-course luncheon served by the Misses Lulu Beachler and Irene Girard. Those who attended were Mesdames W. J. Meyers, John Niblick, L. G. Ellingham, Isadore Kater, D. D. Heller, Ed Vancil, Henry Heller, Walter Kaufman, Wm. Nachtrieb, Arthur Fisher, Fred Heuer, Fred Seltemeyer, Jno. Tyndall, L. Fruchte, E. Pritzinger, Chris Vogt, and Mrs. Champer, Misses Bertha Heller, Pearl Abrams, Hattie Studabaker, Lucy Fruchte.

Mr. and Mrs. Lew Cline will give a big barn dance at their home north of the city Thursday evening, and it promises to be attended by a large number of the young folks.

Miss Anna Clark entertained a few of her friends last evening at Maple Grove park. They left on the five-thirty car and enjoyed a good supper later on. The evening was spent socially and later on the guests departed for their homes.

The Rebekah lodge will hold their annual picnic for the members at Maple Grove park next Thursday afternoon and evening.

There will be a reunion of the Mann family of which Mrs. Rhoda Williams will be the honored member at Garrett, if present plans can be carried out. Hiram Mann and James Smith of this city will attend, and John Mann of Fort Wayne. Quite a large number of Garrett relatives will be present.

A party of young people from north of the city will enjoy a trip to Detroit next Sunday. On Sunday morning they will take the excursion to Toledo, going by boat to Detroit. Those who compose the party are Misses Anna and Eliza Bultemeyer and Messrs. Lawrence Heckman and George Berning.

A crowd of little folks went to the park this morning, where they will hold a picnic in honor of Beatrice Weismantle, who is visiting her cousin, Naomi Gast. In the afternoon they will play games and enjoy themselves generally.

Miss Marie Alliger, of Marion, who has been visiting her cousin, Miss Inez Coverdale, returned to her home today. Burr Saunders, of Gas City, spent Tuesday in this city with the former, and returned home yesterday.

The missionary meeting of the Presbyterian church at the home of Mrs. Mary Steele on Winchester street, was interesting. Although many of the members were out of town, the program was a good one. In order to make greater interest in the meeting, several talks were given beside the program being carried out. The old South church was given a good description by Miss Maud Shoaf, who has visited the historic old edifice. In her description she said that the church was supported by the visitors, who are charged admission. Mrs. Thomas Perkins gave some interesting items connected with the review of the year. Miss Jean Lutz who has been attending school in Boston, furnished some excellent music. Light refreshments were served, the meeting closing by a prayer by the president.

Miss Marie Allison will give a farewell party tonight for the Misses Veda and Madge Ward, who will leave in a few days for Petoskey,

where they will spend the remainder of the summer, going from that place to Florida, where the family will reside. Misses Madge and Veda Ward are very popular girls, and the event tonight in their honor promises to be a brilliant one.

Twenty-five couple danced at Maple Grove park last evening. On account of a change the next dance will be given tomorrow night instead of Friday, as announced before. It is thought that several couples from Fort Wayne will join the crowd tomorrow night.

The Rebekahs are requested to go to their picnic tomorrow afternoon on the 2:30 car, if possible. If not, to come as early as convenient.

Mrs. J. E. Cording entertained severally  
(Continued on page 4.)

## MAKE ASCENSION

Lady Aeronaut is Determined to Make Balloon  
Jump Here

### WILL COME SUNDAY

Dance at Maple Grove Last  
Night Was a Delightful  
Affair

Another big time will be enjoyed at Maple Grove park next Sunday when interesting entertainments will be given on the grounds. The band will furnish inspiring music and all of the other privilege amusements will be in full operation. The feminine aeronaut, who attempted last Sunday to give an ascension at the park will return Sunday and make a jump. She is determined to show to Decatur people that she can make a good ascension. She made a successful ascension at Union City this week.

A large crowd of Decatur people were at Maple Grove last evening, where they enjoyed a delightful dance. Music was furnished by the band which some time ago delighted a large audience at the Elks hall.

Maple Grove is becoming more popular each day and large crowds visit the resort. Many picnics are scheduled to come off there within the next few weeks.

The United Brethren and Christian Sunday schools will enjoy a day at the park tomorrow picnicing. They will not, however, celebrate jointly. A most delightful time is anticipated by those who expect to attend.

### A CORROBORATION.

Of Interest to Decatur Readers.

For months Decatur citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Decatur residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Decatur reader.

John Oswalt, Elm Street, Decatur, Ind., says: "During the Civil War I was injured and ever since I have been bothered by dull, heavy pains across the small of my back. When I used Doan's Kidney Pills procured from the Holthouse Drug Co., I did not expect they would cure me, but I must say that they have benefited me a great deal. I made this fact known through a public statement in August, 1902, and at this time I can confirm what I then said. I have since heard of other persons who have been entirely cured of kidney trouble by this splendid remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Work on the new K. P. club house is progressing nicely, the foundation being well along, and it will not be long until the carpenters and masons will be pushing ahead with the upper structure.

### CHURCH ORGAN FOR SALE CHEAP

For sale—A church organ, in fairly good condition. Can be bought at a bargain for cash. Inquire of J. A. Smith at Gay & Zwick's furniture store or at the Evangelical parsonage, Decatur.

Men's Trousers 25 per cent off. Straw Hats at Cost. All 50c Caps 25c

**ELZEY, VANCE & HITE**  
Corner East of Court House. Decatur, Ind.

### EXAMINATION OF THE WATER

Water from Maple Grove Park Has  
Been Sent to the State Chemist.

Mrs. D. D. Clark and J. M. Miller with Frank McConnell went to Maple Grove park this morning and secured a gallon of the water from the spring there, and this will be sent to the state chemist at Indianapolis for examination. There has been some talk about the water not being pure and in order to protect the health of those who go there and to set at rest any rumors of this kind, this examination will be made. The water was sent out today and a reply from the state chemist will likely be received within the next week. It is not seriously thought that anything of a detrimental nature will be found in the water.

### SUMMER HAIR DRESSING

The disagreeable and repulsive odors that come from the hair in summer are caused by danruff.

Dandruff is caused by microbes which are hard to kill, but which can be killed by Parisian Sage, the quick-acting, money-back hair tonic.

Dandruff can never be cured until the small, aggravating and indomitable danruff germ is conquered and destroyed.

And millions of danruff germs have been destroyed, thanks to the great scientist and dermatologist who gave to the world Parisian Sage, the only real danruff cure and hair grower the world has ever known.

If you have danruff, Parisian Sage will cure you in two weeks, or your money back.

But besides ridding the scalp of danruff, Parisian Sage is guaranteed

to stop falling hair and itching of the scalp. It keeps the scalp cool and clean in summer. It is a prime favorite with women of refinement. It makes the hair soft, lustrous and beautiful in a week, and is not sticky or greasy.

A large bottle for 50 cents at Holthouse Drug Co., who guarantee it. Sold by leading druggists everywhere. The girl with the Auburn hair is on every package.

## PUBLIC SALE

# FACT AND FAKE AS TO Cream Separator DISCS

In view of some would-be competitors' recent unscrupulous advertising a little plain talk about DISCS is in order.

Every separator wise person knows that DE LAVAL DISCS are the only ones that will clean cream separator construction—increased capacity, reduced speed and power required and increased efficiency.

The man who tells you that DISCS would not increase the cleaning efficiency—capacity and thoroughness—of any "hollow bowl" is either a fool or a knave.

The man who tells you that it costs less to build a DISC than a "hollow bowl" separator simply lies and tries to fake you.

The man who pictures to you a great heaping dishpan full of DISCS simply tries to fake you if he intimates that the DISCS of DE LAVAL bowl are cleaned in that way.

The man who pictures to you a lot of DISCS strung along a fence simply tries to fake you if he intimates that the DISCS of DE LAVAL bowl are handled in that manner.

The man who would have you believe that the up-to-date DE LAVAL bowl is not the easiest, quickest and most thoroughly cleanable—and hence the most sanitary—of any separator made simply tries to fake you.

It is a fact that some imitating DISC and BLADE separators are hard and difficult to clean, as are also the muzzle-loading gun-like TUBULAR shaped bowl kind, but the DISCS of a DE LAVAL bowl are readily cleaned—as a single piece—by a special patented DISC transfer and washer, and the whole machine is absolutely sanitary throughout.

It is a fact that the DE LAVAL Company is suing infringers of some of its numerous patents covering different forms of DISC construction, but the man who tells you that such separators are like or as good as the DE LAVAL simply lies to serve some selfish purpose of his own.

The man who intimates to you that the DE LAVAL Company is on top of its sale of a MILLION machines—is not selling more separators in 1909 than at any previous time in its 31 years of existence and development of the cream separator industry either does not know, doesn't want to know, or simply lies to you.

There is not a man competent to judge of cream separators who doesn't know that the 1908-1909 IMPROVED DE LAVAL CREAM SEPARATORS are all-around superior to any other made, and that the man who would try to have you believe anything else simply has a selfish business interest of his own to serve in doing so.

That's the difference between FACT and FAKE as to DISCS.
