SOCIETY COLUMN

(Continued from page 2.)

Mission House college, Sheboygan, Wis., will give an address at the German Reformed church Tuesday evening at 7:30. Come and bring a friend with you.

Miss Lilah Lachot entertained Misses Carrie and Mae Ehler and Miss Chloe Studabaker of Bluffton, Ralph Johnson and Clyde Byerly of Montpelier, at dinner yesterday noon. In the evening after spending several hours very enjoyably in a social way the party went to the home of Miss Bessie Buamgartner, where luncheon was served. The Misses Ehler and Miss Studabaker returned to their home this morning.

Mrs. Samuel Fuhrman was the victim of a surprise Saturday evening it being her forty-second birthday anniversary. The surprise was planned by Mr. Fuhrman and daughter Beulah, and was so well carried out that Mrs. Fuhrman did not even have the slightest inkling of what was going on. Mr. Fuhrman had arranged to take Mrs. Fuhrman to the city late Saturday evening, and while there the guests gathered and awaited the return. To say that Mrs. Fuhrman was completely surprised when she entered her home and found it occupied by over forty of her friends and neighbors, is a very mild way of putting it. Mrs. Fuhrman was the recipient of many beautiful and useful presents as tokens of respect. The evening was spent in a social way, after which an elaborate three-course luncheon was served and greatly enjoyed by all. The guests departed at a late hour wishing Mrs. Fuhrman many more such pleasant surprises. The guests from a distance were Mr. and Mrs. H. A. Armack and daughter Prudence, Mrs. B. F. Smith, all of Mount City, Mo.

ON HER WAY HOME

Mrs. Morrison Will Be Home Wednesday After Long Absence

MISSED THE QUAKE

She Left Mexico City the Night Before the Earthquake

A message received Saturday from Mrs. Morrison dated at Fort Worth, Texas, relieved many of her friends, as it was feared that the quake that last week played such sad havoc in Mexico might have also made her its victim. She left Oaxaca a week ago Sunday or Monday, and on Wednesday night she left Mexico City and on Thursday morning the earthquake destroyed many buildings in Mexico City and did a great deal of damage to both life and property. Mrs. Morrison will be home Wednesday, after an absence of many months, the most of this time being spent at Oaxaca, where the climate seems to suit her and where she has been in better health than when she is any place else. She is accompanied home by her daughter who in another month will leave for another year in college. The earthquake did a great deal of damage in Mexico, but it was confined along the southeastern part of that country, doing no damage at all at Oaxaca.

ROOTS, HERBS AND BARKS.

You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ills had its origin more than 50 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

Delay in taking Foley's Kidney Remedy if you have backache, kidney or bladder trouble, fastens the disease upon you and makes a cure more difficult. Commence taking Foley's Kidney Remedy today and you will soon be well. Why risk a serious malady? Holthouse Drug Co.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 80, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial. This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial. Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.
