A WOMAN HUMILIATED

Would Not Attend Social Functions Because of Her Hair.

There are many women in this world, handsome in features, perfect in form, graceful in movement and brilliant of mind, who keep in the background just because they have thin, colorless and lustreless hair.

In Paris they understand things about the hair that we do not know in this country. It was a Parisian, Dr. Sabouraud, who discovered that thin hair and dandruff are caused by a microbe.

It is Parisian Sage that proves Dr. Sabouraud's theory to be correct, for it is rigidly guaranteed by Holthouse Drug Co. to kill the dandruff germ and cure dandruff, falling hair and itching of the scalp in two weeks or money back.

Parisian Sage is a delightfully pleasant hair dressing and invigorator; it is not sticky or greasy. It should be used freely in summer as it keeps the scalp clean and cool and free from odors.

The price of Parisian Sage is only 50 cents for a large, generous bottle and is for sale by leading druggists everywhere. Sold in Decatur on the money-back plan by Holthouse Drug Co. The girl with the Auburn hair is on every package. Made in America by Groux Mfg. Co., Buale.

A POPULAR COUPLE

Miss Edna Foley, of Tocsin, is the Bride to Be

Martin Jaberg, the popular photographer, went to Tocsin today, where this evening he will be wedded to Miss Edna, daughter of Mr. and Mrs. Thomas Foley of that place. The couple after their marriage will leave for wedding tour after which they will return to Decatur for their future home. A furnished home awaits their return on north Fifth street. Both parties are well and favorably known in this city. The groom-to-be for five years taught school in this county, and about one year and a half ago he purchased the Sautbirt art studio which he has since conducted. He has taken a course in photography and his work has been such as to command a good trade. The bride-to-be has also had experience in pedagogy, she having taught school for three years. The many friends of the happy couple will extend their heartiest congratulations. But the immediate friends and relatives of the parties concerned will witness the ceremony.

PROPRIETARY MEDICINES PRESCRIBED BY DOCTORS.

Examination of the formulary departments of leading drug stores throughout the country has proved that a very large percentage of the prescriptions filled for doctors are for proprietary medicines.

This is because the average doctor of today is unable to devise prescriptions equally efficacious. Such standard remedies as Lydia E. Pinkham's Vegetable Compound are prescribed over and over again by fair minded physicians throughout the country.

I desire to call the attention of the patrons of the city newstand to the fact that this is the last week of the month, and that I will begin on my collections for the month of July next Monday morning. Please be ready to settle for your papers for I must have the money that I may settle with the various companies. Please remember that the profit is very small and the loss of one account means the profit off of many. I wish to give good service, and desire all bills paid promptly at the end of each month or week. Will Hammell, Mgr. 177-3t

IT WAS SAD NEWS

Two Children of H. A. Hartman Were Bitten by a Mad Dog

LETTER CAME TODAY

They Were Brought to the Pasteur Institute for Treatment

A letter written by Mrs. H. A. Hartman at Boulder, Colorado, to Miss Dotty Parent, tells of a great misfortune to the Hartman family. Their two children, Dale eleven years old, and Ruth four years old, were bitten by a mad dog and at the time the letter was written their condition was considered serious. On the advice of their family physician they left Boulder as soon as it was possible, and will bring the two afflicted children to Chicago, where they will be treated at the Pasteur Institute there. It is thought from what could be learned in the hastily written letter, that the accident happened some time Monday, and it is also thought that perhaps the Hartmans landed in Chicago today, and it is to be hoped that their mission will not prove vain. The mad dog was in reality a pup but ten weeks old and the two children were playing with the bloodied canine, when it bit them and immediately showed signs of madness. Miss Parent who received the letter this afternoon is just home from a visit to Boulder. More extended word is expected from them by tomorrow and their many friends here are already hoping that it will contain an encouraging report.

GET WITHIN.

Piles Can't Be Cured from the Outside.

External treatment won't cure piles. Nor will surgical operations. The cause is inside—bad circulation. To cure piles you must free the circulation of blood in the lower bowel. Dr. Leonhardt's Hem-Roid is the only internal tablet remedy for piles. It removes the cause. \$1 at Holthouse Drug Co. Guaranteed to cure any case.
